Mr. Editor: In 1872 my daughter was taken with the membraneous croup, and upon her recovery was left totally deaf. I called on two eminent physicians, who said they could do nothing for her. As a last resort, I took her to Dr. Darrin, who cured her; and she has never been troubled with deafness since. I consider it one of the greatest cures of electrical treatment on record, and with great satisfaction give this testimonial. I reside in Berkeley, Alameda county, Cal., and will take great pleasure in answering any inquirles con-cerning this most remarkable cure. Yours respectfully, WILLIAM S. DIBBLE.
