

PORTLAND, OREGON, SUNDAY MORNING, AUGUST 21, 1904.

ADVANCE AUTUMN STYLES IN WOMEN'S TAILORED SUITS.
Above we picture one of the latest models just received from our buyer, now en route from New York. It is in the new and popular long-coated effect. A high novelty tailored, single-breasted, demi or close-fitting long coat costume, with full skirt, as shown. It has the new sleeve. We open these tomorrow in plain and fancy suitings, Tweeds, Serges, Cheviots and other appropriate tailoring fabrics, finished with contrasting material, stitching and buttons. The sketch does not do justice to the beautiful lines of the costume, which should be seen to be appreciated. Advance openings tomorrow.

ADVANCING AUTUMN SWEEPS SUMMER'S SPOILS TO THE BARGAIN TRENCHES TOMORROW

Monday the merchandise forces that have withstood the constant, forceful charges of the unparalleled summer's bargain brigades make their last stand. With the ending of the ensuing week comes to a finish the greatest, most sweeping series of Clearance Sales ever attempted on the Pacific coast. We have mercilessly sacrificed seasonable and dependable stocks in order to facilitate easier change-about of departments, incident to annexing the new Sixth street building. And now expansion is at hand. Already the big sledges are at work tearing away the walls that intervene. A few finishing touches and the great shopping public will surge thro' aisles that will form avenues connecting three busy city streets. **ONE MORE WEEK—and THIS, THE LAST OF THE WHOLESALE SLAUGHTER! THIS IS POSITIVELY THE LAST WEEK OF THE CLEARANCE-ALTERATION SALES! THE LAST WEEK during which ABSOLUTELY EVERY DOLLAR'S WORTH OF MERCHANDISE IN ALL THIS GREAT ESTABLISHMENT IS REDUCED—MIGHTILY! And—READ AND PONDER ON THIS**

ANNOUNCEMENT EXTRAORDINARY

In order to close up the month's business in a blaze of glory unprecedented, a perfect whirlwind of selling, and give to this greatest summer in this store's history a GARRISON FINISH, WE'VE DETERMINED TO INCLUDE IN THE SWEEPING SACRIFICE EVERY DOLLAR'S WORTH OF NEW FALL GOODS IN THE STORE. Select Autumn Suits, Wraps, Costumes, Silks, Dress Stuffs, everything in fact—new arrivals in every line for six days more—THIS WEEK ONLY at CRASHING CLEARANCE SALE PRICES! READ EVERY DAY'S ANNOUNCEMENT THIS WEEK! READ OF MONDAY'S MATCHLESS BARGAIN SALES BELOW!

Grand Opening Tomorrow of the Autumn and Winter Silks and Dress Goods FOR 1904-5

\$100,000.00 WORTH OF RICH, SUPERB, NEW FABRICS UNDERPRICED THIS WEEK ONLY.

BONNET ET CIE'S SILKS—Opening Tomorrow.
We've secured the local agency for these world famous silks that have stood the crucial test of time, and hold today the sceptre of superiority over all else in the Silk world. We've made extraordinary prices on these celebrated Silks—prices that allow you to own them from us at less than you might pay other houses for inferior, domestic makes. Among them are Black Taffetas, Beau de Cygne, Messaline, Chiffon Taffetas, Louisines, Beau de Soies, etc. Exclusively sold in Oregon by Olds, Wortman & King.
Description of such vast stocks of dress goods and silks as we open here tomorrow would be impossible in a thousand page magazine, much less the limited space allowed here. We stand back of the statement, however, that our stock of new dress fabrics are larger and more comprehensive than those of any other three Portland stores. We have marked this enormous stock throughout, at prices that place local competition logically out of the race, prices we honestly believe to be lower than placed on equal qualities by any retail house in America—prices that alone are rivaled by wholesale houses. Our stock is double the size ever carried before—our selling must be double, profits are cut, volume of business must make up our losses of profit. Bear in mind these enormous stocks are at your mercy at the Clearance Sale—cut prices from tomorrow morning until closing time on the 31st of the month.

A Last Drastic Clearance of the Suits! WOMEN'S \$28.50—\$38.50 Street Suits \$10.98

Tomorrow we conduct—all day—the most resolute clearance of the Street Suit stocks yet held by this store. A sale that means mighty savings to the masses. Such tremendous business as has fallen to the lot of this great store during the past three months has necessitated ordering and re-ordering of suits—right up to ten days ago. This of necessity has kept the lines new and down-to-date. Every Suit offered on sale here tomorrow is desirable for present and even future wear. Just the Suit you need this moment—the same Suit you'll need next summer, too. But to us 'tis of utmost importance to clear the room at once—we must have the space they occupy at any cost for heavier wraps. Autumn comes on apace, the Suits are adapted for autumn wear. Nearly all are from their makers the current month. Materials embrace all the popular mannish mixtures, Cheviots, Tweeds, Homespun, Granite cloths, Etamines and Serges, in blacks and handsome mixtures, grays, blues, browns, etc. Values included are the splendid \$28.50 to \$38.50 models. Most of the Suits are on the \$22.50 to \$38.50 racks. Pick and choose as you will—all day Monday at one price, \$10.98.

ADVANCE AUTUMN STYLES IN WOMEN'S TAILORED SUITS.
The above is sketched from a charming new autumn high novelty, French tailored Walking Costume, with demitied short jacket, single-breasted vest and fancy panel flounce effect skirt. We open advance showings tomorrow in materials of cheviots, worsteds, serges and other fashionable plain and mixed suitings, finished with contrasting materials, buttons, stitching, etc. 'Twould be impossible for the artist to do justice to the jaunty beauty of the costume. Advance opening tomorrow.
