Smartly Gloved Women are Fitted Here

"THE FINEST GLOVE IN THE WORLD"—FIRST FLOOR.

This is the verdict of the glove experts on the genuine "Monarch" Glove. There are, of course, other fine gloves, but no other pique sewn, glace kid can quite approach the MONARCH in exquisite finish and strength of skin. No other glove has yet been manufactured that will as correctly fit the aristocratic American hand as the MONARCH.

This cut is the culmination of years of study and much money spent in experiments. The result is a perfect fitting glove. Perfection in fit could only be obtained by using the most expensive real kid skins; skins that have the utmost pliability and a surface as smooth and delicate as satin. Such skins are expensive, from the fact that the great glove makers of the world anxiously seek them and bid high for them when found. Just now, in the great factory where the MONARCH is made, there are more of such skins being made into gloves or that are in the process of dressing, than in any three factories in the world.

We are sole agents in Portland for the MONARCH GLOVES and sell them at **$2.00** the pair.

In spite of the price, they cannot be considered an expensive glove, for you buy more than a mere covering for the hand. You buy also style, fit, durability, satisfaction.

We have several thousands of "Monarch" SATCHETS, which we have just received from Europe, to advertise the MONARCH GLOVES. These Satchets contain exquisite and lasting perfumes of different odors. Tomorrow and until given away, these Satchets are free to all who accept our invitation to call and get one.

THE "DERBY" GLOVES—We've told you about the "Monarch" GLOVE, the very finest real kid pique sewn glove made.

"Well, the "Derby" Glove is made by the same great glover, the WORLD-RENOWNED COHN, and it is cut with exactly the same dies or calibers that are used to cut the MONARCH gloves. It is sewn by the same skilled pique sewers and passes under the accurate eyes of the same expert examiners. The only difference between the two gloves is that the DERBY is made of finest German lambskin—a trifle heavier in weight than the MONARCH kid. The "Derby" will fit to perfection and its wearing qualities are unsurpassed.

The DERBY is a glove that answers as well for a service glove as for dress purposes. Price **$1.50** THE PAIR.
