UNCLE FRANKLIN 105 FIRST STREET Next to Wonder Millinery

A PHYSICIAN'S OPINION.

Following is the statement of a doctor who puts truth above so-called "professional etiquette," and candidly states his belief and experience for the benefit of the masses who may read it.

That man is Dr. C. F. SMITH, the most successful physician of Olean, N. Y. "I wish to add my professional testimony to the value of your English preparation, known as Acker's English Remedy for Asthma, etc. In several instances after I have tried my utmost to give even relief, I have prescribed your remedy, and it has acted almost like a miracle, not only relieving but permanently curing every one of the patients. I endorse the above preparation as one of the most valuable additions to the practice of medicine."

Such a frank endorsement as the above is phenomenal. Coming from so distinguished a member of the medical profession, it carries with it an assurance which the public will be sure to avail themselves of. It is recommendations like this which make it possible to give the broad guarantee that is a part of every sale of

ACKER'S ENGLISH REMEDY

for Coughs, Colds, Asthma, Bronchitis and Consumption. It must either do all that is claimed for it, or your money will be refunded. Do you know of any other medicine sold on those terms? Do you know of any other medicines which prominent doctors regularly prescribe in their own practice as being better than prescriptions they write themselves? These facts are well worth considering. They are of special interest to those with sore throats and weak lungs. Remember we sell every bottle with a guarantee. 25c, 50c, and \$1.00.
