

PROSPEROUS OLD SOUTHERN PACIFIC BAND HAS NEW NAME AND UNIFORMS

The Oregon Band. Reading from Left to Right Its Members Are: Top Row—J. W. Oberender, J. G. Fox, J. R. Tomlinson, E. C. Shipley, E. C. Test. Second Row—C. W. Glow, P. Campbell, D. Dahm, C. H. Fox, G. Kriedt, C. S. Kelly. Third Row—F. C. Brickell, T. Osner, H. Banzer, K. Banzer, K. Elasier, H. G. Willis, K. Battee. Bottom Row—J. Specht, A. Weber, W. F. F. Weber, S. Wetteland, J. L. Wallin.

During the month of December, 1898, there was organized among the mechanics and clerks employed at the Southern Pacific car shops in this city a brass band widely and favorably known throughout the northwest as the Southern Pacific band, the name since being changed to the Oregon State band.

This organization prospered from its inception, although, of course, it had its reversals and obstacles as similar organizations have.

The purpose of the organizers was to limit the membership to Southern Pacific employees, but the field widened, and today its membership includes men from many trades and occupations. Only two of the organizers are now with the band—J. W. Oberender, librarian, and J. R. Tomlinson, manager and treasurer—and no less than six directors have assisted in the development of the band.

It has been presumed by the public that the band received financial support from the Southern Pacific company, but such has not been the case, other than the kindly interest taken by Master Mechanic T. W. Younger, who has been ever ready to lend kind assistance by employing musician-mechanics when opportunity offered, and to him the older members will always feel grateful.

If asked the secret of their success the members will tell you it is determination and harmony—not alone a desire to be harmonious in a musical sense, but also in their business relations.

It is not generally known that a number of its members played regularly with the Park Concert band during the past season, which testifies to the ability of its members.

They have recently made final payment on a complete set of uniforms, paying therefor the sum of \$53.75 to a local firm, and they present a natty appearance when before the public.

The First Regiment Uniform Band, W. O. W., were fortunate in enlisting the band last summer; it is now recognized as the official band of the W. O. W. for this district.

Under the efficient leadership of Director Weber and Manager Tomlinson, it will, without a doubt, continue to be the most popular band organization of the northwest and every household will be familiar with the excellence of the Oregon State band.

The members of the organization and their employers: W. F. Weber, director, Tull & Gibbs; C. H. Fox, solo B flat cornet, Southern Pacific; D. Dahm, solo B flat cornet, Pacific Tent & Awning Co.; C. Glow, first B flat cornet, jeweler; P. Campbell, second B flat cornet, The Journal; J. Specht, solo B flat clarinet, Southern Pacific Co.; A. Weber, first B flat clarinet, carpenter; H. Shipley, BB bass, Portland Consolidated Railway Co.; E. C. Test, E flat bass, printer; F. C. Brickell, snare drum, Miller & Erickson; K. Battee, bass drum, Southern Pacific Co.; C. S. Kelly, alto saxophone, The Telegram; J. L. Wallin, baritone saxophone, The Telegram; J. G. Fox, baritone, Southern Pacific Co.; J. R. Tomlinson, baritone, M. J. Walsh Co.

SECOND ELEVEN IS VICTORIOUS

Multnomah Juniors Defeat Local Y. M. C. A. Team in Hard Fought Contest.

DAN FOLEY GOES IN AND IS THE STAR

No Score Made in First Half, but the Addition of the Fullback in Second Turns the Tide.

Multnomah second eleven 12, Y. M. C. A. 0.

With their team badly shattered by the absence of Seely and Austin, and in the first half of the game of Murray and Dan Foley, the second eleven of the Multnomah Amateur Athletic club defeated the sturdy representatives of the local Young Men's Christian association on the Multnomah gridiron yesterday afternoon by the score of 12 to 0.

During the first half the juniors seemed to be unable to get together, and were frequently thrown back for losses, and as often lost the ball on fumbles. Offside plays also cost considerable of a figure with the club team, and they were penalized no less than 10 times.

The whole of the first half was marred by erratic work and poor judgment on the part of the clubmen, while their opponents took advantage of their lack of team work and broke through the line, and stopped many plays in their ineptness. When the whistle blew announcing the end of the first half the clubmen had the ball on the Y. M. C. A. 10-yard line, which advantage was gained through a series of punts. Manager Whitcomb made several changes during the intermission, and when the team lined up for the second half, Dan Foley went in at full Clark being switched over to left tackle, relieving Joe Wiley, who succeeded Calahan, who was taken out at center. The change brought immediate results, for under the guidance of Dan Foley the team took a wonderful brace, and in eight minutes from the start of the half, the ball being carried principally by Foley, the full back was sent over the line, for the first touch down. Foley kicked the goal, making the score 6 to 0.

Y. M. C. A. fought hard and stubbornly contested every inch, but Foley's aggressiveness, which seemed to inspire the rest of the team, proved too much for the association players, and the clubmen scored another touch down and the goal was kicked, making the total score 12 to 0.

Throughout the game and especially upon the advent of Foley, the work of Serrano, Wiley, Montague and Holman who scored the second touch down, shown brilliantly.

For the Y. M. C. A. Lighty, Myers, Vinson, Thing and Sharp were the stars. Sharp suffered a severe sprain during the last half of the game, and had to be carried from the field, and his loss hurt the association team considerably, for up to the time of his injury, he had been playing a star game. Little Lighty's tackling was a star feature of the game, for the little end went back of Multnomah's line repeatedly and downed the runner in his tracks, causing a decided loss in each instance.

Dan Foley is without doubt the most promising player on the club's second eleven, and it will not be a surprise to shortly hear of him advancing to the first team, for he is an aggressive player, possesses excellent judgment and can always be relied upon to be in the play.

The teams lined up as follows: Multnomah (12) Pos. Y. M. C. A. (0) Montague, L. E. R., Carlson Wiley, Clark, L. T. R., Vinson Harding, C. G. R., Lighty Sterling, L. G. R., Gates Callahan, Wiley, C. G. R., Newland Shell, R. G. L., Pinkham Allen, Murray, R. T. L., Jamieson Serrano, R. E. L., Lighty Holman, R. H. L., Sharp, Rhinehart Clark, Foley, M. H. L., Hyatt Referee—Maj. Rudy. Umpire—Mr. Long.

Touch downs—Foley and Holman. Goals—Foley, 2.

Juniors in a Game. Preceding the Multnomah-Y. M. C. A. game the Columbia University Juniors met the South Portland Juniors in a well contested struggle, which was won by South Portland team by a score of 15 to 6. By virtue of their victory the South Portland claim the junior city championship. The features of the game were long end runs by Potter and Drake, who made two touch downs. Meyer, Senfert and the two Krebs played well for Columbia. The line up: Columbia, S. Portland, R. H. L., Senfert, Olson, L. E. R., Roach Roberts, L. G. R., Jansen Scott, C. G. L., Krebs Howe, R. G. L., Marston E. Potter, R. T. L., McKinnon Drake, R. E. L., Meyer Trucks, Q. Boyle Whisler, L. H. R., O'Brien C. Potter, R. H. L., Krebs Bader, Full, Leavy

PIN KNIGHTS WILL PLAY MATCH GAME

Portland and Astoria Bowlers Are to Engage in Match Contest Today.

The past week showed a large increase in the popular indoor sport. The boys improving rapidly as shown by the results of the match games played the past week. The highest score for the week was 255, made by Kruse. Hoffmann made a good try, getting 243. Two others with good scores are Capen and Knease, with 237 and 234 respectively.

This afternoon the Portland team will play the crack Astorians at 2:30 on the Portland alleys, to decide the pin championship of Oregon. Both teams have been working hard to be in perfect shape and a close game is expected.

Next Tuesday night the Bangers will play the All Stars a match, best two out of three games. Both teams are members of the Portland bowling association. C. J. McMenomy has purchased a half interest in the Portland Bowling alleys. He takes charge of the alleys Tuesday, December 20, as manager. Mr. McMenomy has just returned from a short visit back east. He reports bowling as being in a doubtful condition all through the east and middle west. Mr. McMenomy hopes to keep all the customers the alleys now have and to get many new ones. He will do all in his power to assist the Ten Pin league recently organized and will extend a cordial welcome to all customers who visit the alleys. The alleys will be run in an up-to-date and orderly manner. Ladies and private parties will receive special attention.

of Messrs. Harris, Ewing, Morley, McCreeley, Evans and Agnew, was appointed. The committee will start to work on the schedule immediately and the matter will probably be fixed up in a few days. Six schedules are to be submitted and the most likely looking one will be accepted.

President Bert was instructed to purchase a suitable pennant to be presented to the Tacoma team. It was also decided to divide the holiday receipts in each city equally among the six clubs of the league. It was agreed that passes be issued only to the press and the wives of players. President Bert was instructed to have a book of rules with instructions to players and umpires printed and properly distributed. The magnates also voted unanimously in favor of sending President Bert to the

WHAT DO YOU CARE? YOU'VE GOT YOUR HEALTH

Great Features Do Not Despair at Disappointments—They Look for Something Else to Do.

The broad-gauged man of today does not get blue just because things don't always come his way. He is a man who is something the matter with him. If he "falls down" on one proposition he immediately starts looking for another. He always looks forward and keeps on hustling. A man with his health and stomach of his health of opinion, and the man who gives up or even feels like he has either a small nature or some physical weakness.

Dyspepsia certainly puts the best of men out of condition for work of any kind. You cannot blame the dyspeptic for getting blue. The very nature of his disease is most depressing and calculated to deprive him of ambition, energy and hope. There is hope for him, however, certain and sure.

Stuart's Dyspepsia Tablets are recognized throughout the length and breadth of the land as the one cure that's safe and sure. Their unbounded popularity resulting from the thousands and thousands of cures they have effected, prove beyond the shadow of a doubt that they are Nature's own simple remedy for the ailments of the stomach and possess the same properties. They relieve the weak and worn-out stomach of its burden of digestion and permit it without let or hindrance to rest and grow sound and well. They not only eat it along themselves, but make the food taken into the stomach do the same.

You can satisfy yourself of the truth of this statement by putting the food you would eat into a glass jar with abundant water and one of Stuart's Dyspepsia Tablets. The process of digestion will be taken up and carried out just as the gastric juice and other digestive fluids would do it. Their action is natural and they cause no disturbance in the digestive organs. In fact, you will find you have a stomach when they begin to do their work, so mild and natural in its operation. Stuart's Dyspepsia Tablets are for sale by all druggists at 50c a box.

STARTING EVIDENCE

Fresh testimony in great quantity is constantly coming in declaring Dr. King's New Discovery for Consumption, Coughs and Colds to be unequalled. A recent expression from T. J. McFarland, Renton, Wash., is an example. He writes: "I had Bronchitis for three years and doctored all the time without being benefited. Then I began taking Dr. King's New Discovery, and a few bottles wholly cured me. Equally effective in curing Lung and Throat Trouble, Consumption, Pneumonia, and Grip. Guaranteed by Red Cross Pharmacy, corner Sixth and Oak, on the way to the postoffice. Trial bottles free. Regular price 50c and \$1.00."

STARTING EVIDENCE

The winner of the Britt-Nelson fight will not get out of the ring without a challenge. Already Mike Twin Sullivan, who defeated Joe Angell in such decisive fashion, wants to meet the winner, but he will not be the only one. Jimmy Gardner, Young Corbett and Terry McGovern will offer their services. Sullivan, in writing to a San Francisco paper, says: "Please state in your paper that I am after Jimmy Britt or Harding Nelson, and that I will place \$500 for weight at 123 pounds at 3 o'clock the day of contest, and will bet \$1,000 of my own

BATTERY WINS INDOOR GAME

The boys of Battery A won an exciting although somewhat one-sided game from the Company E team in the indoor baseball series at the armory last evening. The artillerymen started scoring from the start, and by fast fielding kept the infantrymen from registering for the first three innings. Both pitchers were in fine form and served their teams excellently. Pitcher Dooley of Company E is practically a new man at the bat, and for a beginner did himself proud. The Company E men were a trifle stale, having recently played several exhibition games, and are confident of doing better work in their next game. The catchers of both teams did fine work. The score: Battery A.....1 5 0 6 0 1 4 2—20 Company E.....0 0 0 1 4 1 0 3 0—9 Batteries—Lyman and Jamieson, Dooley and Fisher.

TRYOUT TO BE HELD BEFORE CONTEST IS HELD WITH PACIFIC UNIVERSITY

(Special Dispatch to The Journal.) Whitman College, Walla Walla, Wash., Dec. 17.—The tryout to select a debating team to meet Pacific University on the rostrum here in February will take place next Tuesday. Whitman debaters are hard at work and the team put against Pacific will be the best in the institution. Rev. Austin Rice, Professor W. A. Bratton and Professor Arthur W. Hendrick, Whitman's debating coaches, will choose the team of three from among the six debaters who appear in the tryout.

Most prominent among the contestants for the honor of representing his college is Gaius Greenleaf of the junior class. Although he never was in an intercollegiate contest until last year he made quite a name for himself in the debates against the University of Oregon and Washington Agricultural college and is regarded as the best debater in Whitman college. The question will be: "Resolved, That the United States should adopt the Canadian system of banking."

The only other man of intercollegiate experience in the tryout is Roy N. Wolfe, who was in the winning team against the University of Idaho last year. Wolfe is a ready rebutter and his chances of making the team are considered good.

Walter Ellis is a freshman who is working hard for a position on the Pacific team. He is grandson of the founder of Whitman college. He took part in interscholastic debates representing Whitman college last year and the year before. Calvin Thomason was another freshman who debated against Whitman last year. He is also one of whom good things are expected.

The tryout will be in the form of a debate between the two men's literary societies, the Athenaeum and Phrenosmian, in which Greenleaf, Evans and Wolfe will represent the former and Ellis and Ellis the latter. The contest next Tuesday will also decide the debating championship for the year between the Athenaeum and Phrenosmian societies. It is the event of the year between the societies and lots of rooting will be done by adherents of both sides.
