

### OVERWORK —INDUCED— Nervous Prostration

Complete Recovery by the Use of  
**Ayer's Sarsaparilla**

"Some years ago, as a result of too close attention to business, my health failed. I became weak, nervous, was unable to look after my interests, and manifested all the symptoms of a decline. I took three bottles of Ayer's Sarsaparilla, began to improve at once,

and gradually increased my weight from one hundred and twenty-five to two hundred pounds. Since then, I and my family have used this medicine when needed, and we are all in the best of health, a fact which we attribute to Ayer's Sarsaparilla. I believe my children would not have been fatherless to-day had it not been for Ayer's Sarsaparilla, of which preparation I cannot say too much."—H. O. HINSON, Postmaster and Planter, Kinard's, S. C.

#### Impressions of an Eastern Traveller.

A friend of a member of THE CHRONICLE force, who is travelling in the Northwest, has written a letter which gives some of the impressions received during the trip. The writer has an artistic temperament and sees the beauties of nature with an artistic eye. The following are some portions of the letter:

Among the facts concerning the Oregon country, in which I am favorably impressed, is the absence of the insect-pests, which pervade too many districts further east. What a devastating plague is that growth of the white mountain grasshoppers in Minnesota! They have been gradually increasing there during the last three years. The local editors and news-gatherers told me that they were first noticed in the Red River valley, and in Pine and Chisago counties, where they are now most numerous. They were very few in number, and caused no alarm three years ago. They planted their eggs undisturbed. Next season there were more of them. This season there are countless millions, and in the sections in which they have been bred they threaten the absolute destruction of the crop.

Further west, as I was looking at some lands near the gateway to the Yellowstone National Park, a fluttering something like a big, black fly settled an instant on my hand. I felt a prick like that of a pin, brushed the fly away and a little, red stream of blood spurt up from my hand. The gnat, as it had rested, had bored through the skin and flesh. I did not visit the Yellowstone Park because I was told—I do not know how truly—that the air there was full of these winged dragons, that passengers and tourists are carried so swiftly from point to point to escape these blood-suckers, that there is no opportunity to watch or enjoy the geysers.

As to let me mention the striking beauty of the scenery along the O. R. & N. Where is there in the United States any river that combines the blue breadth of the Columbia; its so picturesque river and mountains; its gardens and orchards; its fresh inspiring pine-perfumed atmosphere; its musical cascades, with the absence of swamps, mosquito-

toes, profaning crowds, prettiness of view and the like?
Lying at ease within my curtained bed, I watch the moon-lit landscape glimmer by—Soft-shadowed meadows, and the hills that lie Around them, with a misty foliage spread.
Towns silent and adream, and overhead A sombre sky sits with such a grace As flushed uncertainly the pallid face Of Jairo's daughter rising from the dead.
Far off Mount Ranier swims into the view, Its mist-nung summit towering over all! The sun swings low upon the mountain's crest, Against a sky that burns to orange hue; And for a moment, like a silver ball, By hand of Titan flung, remains at rest.

A Druggist's Semi-Annual Report.
Some four or five months ago the people of The Dalles were notified of a new drugstore to be opened next door to the First National Bank, and almost directly opposite A. M. Williams & Co.'s store. The general opinion then prevailed that two stores were plenty, and a third store must therefore starve. But surely we are yet alive, and daily assuring our patrons, as well as the public in general, of our success. The doctors of our prosperous city, who are well able to judge our work, all acknowledge the efficient work done on their prescriptions, for most assuredly there never was any better, neater, more accurate or precise work done in this city than is at present done at this store.

Our stock of drugs is getting more complete every day. As we learn the wants of the people, so do we add to our stock, never aiming to attain such an immense quantity as to give it a chance to get old; but always buy in such amounts as to enable us to order frequently, thereby keeping our stock always in a fresh and healthful condition.

We know the drug business, and perchance not much else; but we are judges as to the quality of drugs, and therefore must know what we sell you when you give us a call. Come and ask for information, if nothing else.

Prescription and all-around Druggist,

Refrigerator car, 31956, which left The Dalles July 25th, over the O. R. & N. Co. and Short Line, has been heard from. It was loaded with peach plums and small fruits, and from here was billed to Chicago, which place was reached in six days after leaving The Dalles. The Chicago market was found glutted with fruit, and after a day's delay, the car was re-shipped to New York. In ten days from The Dalles it reached the metropolis. The fruit was in excellent condition, and found a ready sale. This experience demonstrates that fruit can be shipped from Oregon to anywhere, and next season the amount of shipments will be greatly increased.

One night when Mr. Isaac Reese was stopping with me, says M. F. Hatch, a prominent merchant of Quartermaster, Washington, I heard him groaning. On going to his room I found him suffering from cramp colic. He was in such agony I feared he would die. I hastily gave him a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy. He was soon relieved and the first words he uttered were, "what was that stuff you gave me?" I informed him. A few days ago we were talking about the attack and he said he was never without that remedy now. I have used it in my family for several years. I know its worth and do not hesitate to recommend it to my friends and customers. For sale by Blakeley & Houghton Druggist.

It May Do as Much For You.
Mr. Fred Miller, of Irving, Ill. writes that he had a Severe Kidney trouble for many years, with severe pains in his back and also that his bladder was affected. He tried many so called Kidney cures but without any good result. About a year ago he began use of Electric Bitters and found relief at once. Electric Bitters is especially adapted to cure of all Kidney and Liver troubles and often gives almost instant relief. One trial will prove our statement. Price only 50c. for large bottle. At Snipes-Kinersly Drug Co.'s.

Pains in the small of the back indicate a diseased condition of the kidneys. Owing to the dangerous nature of the diseases which attack those organs it is important that measures should be taken to remove the trouble before it has become too firmly fixed. Prudence would suggest the prompt use of Dr. J. H. McLean's Liver and Kidney Balm which has specific action on the liver and kidneys and will cause an early restoration to healthy conditions. Price \$1.00 per bottle.

#### Resolutions of Regret.

The following resolutions regarding the death of Mr. George H. Clacking, who perished in the Pendleton fire, reached THE CHRONICLE office yesterday too late for publication. Mr. Clacking was well known to quite a number of Dalles residents.

WHEREAS, It has pleased the great Exalted Ruler of all, in His infinite wisdom, to call to the supreme lodge of all lodges our late brother and secretary, George H. Clacking; and

WHEREAS, Our late brother was a noble character, an upright man, an unflinching friend, a true Elk, therefore be it

Resolved, That Cascade Lodge, No. 303, B. P. O. E., has sustained a most grievous loss by his, to mortal eyes, untimely demise in the flower of his young manhood, when "sustained and soothed by an unflinching trust," buoyed by ambition, and guided by a spotless character, he was fairly on the high road to distinction. And be it further

Resolved, That these resolutions be spread upon the minutes of this lodge, and duly published in the press of The Dalles and Pendleton.

#### PHYSICAL STRENGTH,

cheerful spirits and the ability to fully enjoy life, come only with a healthy body and mind. The young man who suffers from nervous debility, impaired memory, low spirits, irritability, and drowsy sleep is disturbed and does not refresh him as it should; the will power is weakened, morbid fears haunt him and may result in confirmed hypochondria, or melancholia and, finally, in softening of the brain, epilepsy, ("fits"), paralysis, locomotor ataxia and even in dread insanity. To reach, re-claim and restore such unfortunates to health and happiness, is the aim of the publishers of a book of 136 pages, written in plain but chaste language, on the nature, symptoms and curability, by home-treatment, of such diseases. This book will be sent sealed, in plain envelope, on receipt of this notice with ten cents in stamps, for postage. Address, World's Dispensary Medical Association, Buffalo, N. Y.

For more than a quarter of a century physicians connected with this widely celebrated Institution have made the treatment of the diseases above hinted at their specialty. Thousands have consulted them by letter and received advice and medicines which have resulted in permanent cures.

Sufferers from premature old age, or loss of power, will find much of interest in the book above mentioned.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c.

There comes a time to all of us, when we feel mean and "out of sorts" and in a condition to invite disease. It is then we need such a remedy as Dr. J. H. McLean's Strengthening Cordial and Blood Purifier. To persons exhausted by sickness or overwork its invigorating influence is surprising, promptly restoring health, energy and cheerful spirits. Price \$1.00 bottle. For sale by Snipes-Kinersly Drug Co.

#### None But Ayer's at the World's Fair.

Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed an exhibit at the World's Fair, Chicago. Manufacturers of other sarsaparilla sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the World's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."
