WAYSIDE GLEANINGS.

Random Observations and Local Events of Lesser Magnitude.

Circuit court adjourned yesterday for the term.

The steamer D. S. Baker went down to Portland yesterday.

Pease & Mays will announce their Saturday Special in Friday's issue.

License to marry was issued today to W. D. Munger and Josie B. Carter.

Saturday evening the Good Templars will give a Gypsy Carnival in their hall.

Three carloads of sheep were shipped from the stock yards here today to Troutdale.

The Dalles City left on the new time card today, at 8:45. She was loaded to the guards with wool.

The special sale at Pease & Mays on Saturday next will be an eye-opener. Don't fail to read their ad. next Friday.

Commencement exercises at St. Mary's academy were held this afternoon, but were not concluded at the hour of going to press.

The wind has made it quite disagreeable today, kicking up whole lots of dust that might just as well have been left where it was.

The encampment of the Oregon militia at Hood River promises to draw quite a crowd of visitors to that place. It begins June 29th.

Seven wagon loads of Baptists, most of whom arrived on the Regulator last night, left this morning for Goldendale, where they will attend the general conference.

Reports from Eastern Washington are to the effect that the recent rains did an immense amount of good, and that crops, especially in the Palouse country, will be better than usual.

The city recorder yesterday had one hobo before him, fining him \$40, but suspending the fine provided the said hobo removed himself from the city limits, which he promised to do forthwith.

The Oregonian mentions the death of John Hummel a day or two ago. He was at work on the Goble-Astoria railroad at that time, and went down there from this point. He worked here for Ward, Kerns & Robinson.

Attorney N. B. Brooks of Goldendale arrived at noon from Klickitat's county seat. He reports the fall grain as looking well, but that much of the spring grain did not sprout. The recent rains here did not extend to the Klickitat valley.

A dispatch received by J. M. Patterson today from H. H. Learned, who is attending the encampment at Independence, announces that the state encampment of the G. A. K. will be held in this city in 1898. The Dalles is glad to hear

this, and when the time comes will give the old veterans a greeting that will make them glad they are alive.

Do not fail to attend the mass meeting called at the courthouse for tomorrow evening to nominate city officers. The nomination is generally equivalent to an election, hence it is to the interest of every business man and property-owner to be present.

No fish were received at the cannery today. A big run is reported in the lower river, but it certainly has not reached here. The water is falling very fast and becoming clear. In a short time it will be too low for several of the stationary wheels to be operated.

Mr. I. J. Norman evidently believes in the correctness of the doctrine of sweets to the sweet, for he presented this office yesterday with a couple of boxes of honey made by his bees. As it was gathered from Dalles flowers, it is needless to add that it was finer than silk.

The bodies of Captain Coffin and his daughter, Annie, were removed from the cemetery here Tuesday, and taken to Portland on the Regulator yesterday. Captain Coffin died about eleven years ago and the daughter several years before that. We understand the bodies will be taken East for interment.

The trial of the case of the State against Mrs. Iola Beebe was completed last night, the jury promptly acquitting her. She was charged with practicing medicine without a license, but the evidence failed to sustain the charge, it simply showing that she was introducing a patent medicine. She left for Portland this morning.

First Lieutenant George Hartman took command of Company C, in Pendleton, on Saturday evening, the command being formally transferred from the former captain, J. E. Krause, to the new commander, under special orders from Adjutant Kiddell. It is probable that an election will be held soon and a captain chosen for company C.

Arthur Hodges, county clerk of Crook county, came in on the stage yesterday and went on to Portland this morning. He tells us Crook county has shipped not less than 100,000 sheep, and between 8000 and 10,000 cattle this spring. In answer to our inquiry if the ranges were not depleted, he stated that the increase for the year would counter balance the export.

When you want a real good article in colored bosom shirts, bear in mind that the Manhattan make offers you richer colorings, better materials, a better fit, and, quality considered, is sold at a more reasonable price than any other shirt in the market. A. M. Williams & Co. are exclusive sellers of this celebrated make, and are making a special drive of their \$1.75 Manhattan shirts at \$1.35 this week. An assortment of these shirts may be seen in their shop window.

The ice cream social given by the Lutheran ladies last evening was a grand success, the hall being crowded with visitors all evening. The program was

well rendered, and everybody seemed to be highly pleased. All the cream and cake prepared were sold, together with what extra supplies could be secured at the different ice cream stands in the city in the later part of the evening. The ladies realized \$50 profit for their labor.

On the occasion of the meeting of the grand lodge of Elks at Minneapolis, the O. R. & N. will sell round trip tickets July 23, good to return until July 31st, for \$80.50. These tickets are good for stop-over privileges returning. The meeting of the National Educational Association is held at Milwaukee at the same time, and same rates to Minneapolis will be given. At that point, tickets will have to be purchased to Milwaukee, costing for the round trip \$12.30. jn17-tf

He Sized Him Up.

Old Moses Tebbs of Genoa, Nevada, was a lawyer. Not a way-up, tip-tip, gilt-edged lawyer; not so high but that he consented to fill the responsible office of justice of the peace. He made a success of it, too, some of his decisions being worthy of preservation. He was a terror to evil-doers, especially if they had money, and his instincts were usually unerring in sizing up a culprit's financial condition. The old fellow had acquired a habit, common to mining countries, that of indulging in profanity on all occasions, in court or out.

One day a prisoner was brought before him charged with carrying a concealed weapon. As a matter of fact the prisoner had been a party to a shooting scrape in which some very poor marksmanship had been exhibited. The sheriff could not ignore the matter, but made the charge light. The prisoner was brought before Justice Tebbs and pleaded guilty. Tebbs sized him up for a moment and then said: "The sentence of the court is that you pay a fine of \$30." "But judge," said the prisoner, "I haven't got that much money." "In consideration of the prisoner's financial condition," at once said Tebbs, "the fine is reduced to \$20." "But, judge," again pleaded the prisoner, "I haven't \$20." "Then," said Tebbs, fixing his gaze on the culprit, "the court taps you."

Notice to Taxpayers.

On and after July 1, 1897, costs will be added for the collection of all taxes due Wasco county on all delinquent rolls now in the hands of the sheriff. This is an imperative order from the county court, and the sheriff has no option but to collect such taxes by levy on property if not paid voluntarily by property owners. All parties concerned are hereby notified that no leniency will be shown in the collection of taxes after July 1, and that levy will be made on all property delinquent after that date.

T. J. DRIVER,
j14-td Sheriff of Wasco County.

State Sunday School Convention.

The Annual State Sunday School Convention will be held June 28-30, in the M. E. Church here. The program has been prepared with the view of giving the greatest help possible in the time allowed to the delegates in attendance. It is practical all the way through. In addition to the several addresses by some of the best Sunday school talent in our state, there will be exemplified the working of a model Sunday school. This school will be organized on the floor of the convention and the best methods of conducting a school will be taught. The subjects to be treated at each session of the convention are those of "today," not last year or those of some future generation, but that the foundation for the future generation may be well laid in all our work of the present time.

This is a mass convention to which all Sunday school workers are invited. The number of delegates from each school is not limited. The greater the number of workers present, the greater the benefit to be derived. Free entertainment will be provided for all who present credentials as delegates from their superintendent or secretary.

Delegates from points on the lines of the Southern Pacific R. R., must buy tickets to Portland, paying full fare to that point, take a receipt for the money paid, which must be countersigned by the secretary at the convention. On the return the agent at Portland will sell tickets at one-third fare to destination, provided, twenty-five full fare tickets are purchased going.

The O. R. & N. R. R. will sell full fare rates going, and return at one-fifth; but in this case also a receipt must be taken and countersigned at the convention by the secretary. A special round trip rate has been made from Portland to The Dalles of \$3.00, which is open to all.

The D. P. & A. N. Co. will make a round trip rate of \$1.50 from Portland, \$1 from Cascade Locks, and 50 cents from Hood River to The Dalles and return, via their boats.

Copies of the Oregon Sunday School Tidings, containing the program and further particulars, may be secured by addressing the state secretary, A. A. Morse, at Portland.

Mail the names of your delegates to the state secretary at once.

Card of Thanks.

The Lutheran ladies desire to mention their gratitude to the public for the good will so kindly shown them last evening in so many ways, especially to the members of the Degree of Honor, who visited them in a body.

Be Not Alarmed

By the so-called "WARNING" of our competitors. The threat made to our customers is nothing more nor less than a big bluff of a would-be monopoly.

Our Baker Barbed Wire was purchased from one of the largest concerns in the United States; each spool is branded "Genuine Baker Warranted," and we invite comparison with any other make of Wire.

We have bought nearly 100,000 pounds of this wire for SPOT CASH, at the right price, and propose to give our customers the benefit of it. We are not holding it for a fancy price, and claiming it to be the best Wire on earth. It is worth no more than any other good Wire, but is as good as any, and we are selling it as low as any. Compare our so-called "Spurious" Wire with the ONLY Baker PERFECT, before buying, and get our prices. We are making prices that should get your trade.
