NO 146

COAL RATE WAS FIXED

Finance Committee Settled on 67 Cts. per Long Ton.

RESTORE DUTY ON PAINTINGS

Several Hundred Pension Bills Reported to the Senate—Pettigrew Again in His Place.

WASHINGTON, June 29.—The senate committee on finance has fixed the duty on coal at 67 cents per long ton. This rate applies only to coal shipped from countries which do not impose a higher rate on American coal. It, therefore, affects only Canada, the Canadian rate on American coal being the same.

The committee decided to restore paintings to the dutiable list. The house imposed a duty of 25 per cent ad valorem on paintings.

Crude gypsum rock was taken from the free list and made dutiable at \$16 per ton.

A FLOOD OF PENSION BILLS.

Several Hundred of Them Reported to the Senate.

WASHINGTON, June 29.—Several hundred pension bills were reported to the senate today as a result of the first meeting of the pension committee since the present congress assembled. Gallinger stated that it had been decided to report favorably all those bills which had been formally passed by either branch of congress or had been favorably considered in the committee.

The general pension bills were among those reported, two of them amending the act of 1890 and another referring to proof in pension cases.

LOOK TO RESTRICT ANNEXATION.

Two Constitutional Amendments Introduced without a Crumppacker.

WASHINGTON, June 29.—Representative Crumppacker, of Indiana, has introduced in the house a resolution for an amendment to the constitution, providing for the admission of noncontiguous territory to the United States.

The city president, concurred in by the reports of the houses of congress and year no by the legislature of three presented by the states and no contiguous territory.

Tommy caused by heavy cohered in the bill of the house, the vote of the house not to be taken into the house of representatives until two years have elapsed from the time of taking the vote in the senate.

To Control the Trusts.

WASHINGTON, June 29.—The Republican members say the committee on judiciary today had under consideration the form of an amendment to be submitted for control of the trusts.

They practically agreed upon an amendment making it an offense punishable by fine and imprisonment for one year for any person or corporation to monopolize or to conspire with any person or corporation to monopolize trading in any article protected by the tariff bill.

President's Nominations.

WASHINGTON, June 29.—The president has sent the following nominations to the senate.

To be consuls of the United States, Hugo Donzelmann, of Wyoming, at Prague; Louis A. Dent, of the District of Columbia, at Kingston, Jamaica; Saml. S. Lyon, of New Jersey, at Osaka.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars; free.

Electric Bitters.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed when the languid, exhausted feeling prevails, when the liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely counteracting and freeing the system from the malarial poison. Headache, Indigestion, Constipation, Dizziness yield to Electric Bitters. 50c and \$1.00 per bottle at Blakeley & Houghton's drug store.

The Railroad Restrained.

John L. Fell From Grace.

New York, June 29.—The Journal and Advertiser announces that John L. Sullivan has broken away from all training rules. Says the Journal and Advertiser:

Sullivan got away from Billy Muldoon while they were taking a walk through the streets of White Plains Sunday night, and when his trainer found him again he had consumed so much liquor that he had to be put to bed. Muldoon had him later on driven to the training quarters. Neither of them will speak of the matter.
