COUNSEL EOR

DREYFUS SHOT

Laborie Was the One Who Was to Have Done the Questioning of Mercier.

PATIENT IN BAD CONDITION

The Lawyer Had Received Letters Threatening His Life, but He Ignored Them—Assassin Caught.

RENNES, Aug. 14.—Two men ambushed Maitre Laborie, consul for Dreyfus and one shot was fired, hitting Laborie in the back, the bullet entering his stomach. M. Laborie fell in the roadway.

Laborie left his house alone for the court at 6 o'clock this morning. His house is situated in the suburbs of the town, about a quarter of an hour's walk from the Lycee, the route being along a solitary road beside the river Valsaine.

He had reached a point half way on his journey when two men who had evidently been lying in wait for him rushed out of a narrow lane and one of them fired a single shot from a revolver. The murderers were only a couple of yards behind their victim and the bullet struck Laborie in the back. The wounded man uttered an agonizing cry and fell flat on his face. The murderers both escaped.

A later story has it that Laborie was shot in the temple by a man who fired a revolver at him outside the court and that the miscreant was arrested.

Shot Consul for Dreyfus.

RENNES, Aug. 14.—The shooting of Laborie, the leading counsel for Dreyfus, robbed the morning session of the Dreyfus court martial of any paramount interest. The murderer apparently chose today for the attempt, because it was anticipated that Laborie would crush Mercier, the former minister of war, with cross questioning. The news of the shooting caused an immense sensation in the court room, where the audience was assembled awaiting the entrance of the judges.

Laborie Worse.

RENNES, Aug. 14.—A correspondent called at the residence of Laborie late this afternoon and was informed that the patient's condition has grown worse. His pain had increased and a fever set in. It appears that Laborie received only yesterday two letters threatening that he would be shot, but treated them as he had treated others of a similar nature for two months past, with contempt.

Laborie's Assassin Caught.

PARIS, Aug. 14.—A dispatch from Lemans says the police arrested a man named Galton, marine engineer, whose appearance corresponds with the description of a man who attempted at assassinate Laborie.

Frank Crawford Dead.

CORVALLIS, Or., Aug. 13.—Frank Crawford, son of Mayor Crawford, died this morning of peritonitis. He was twenty-one years old. He was to have represented the Multnomahs in the 100-yard dash at Astoria next Saturday. He was ill but a week. The funeral will take place Tuesday morning. Interment will be in Salem Tuesday afternoon, under the auspices of the Knights of Pythias.

Dewey Sick With Fever.

LEONORS, Aug. 14.—Admiral Dewey today remained on board the cruiser Olympia, which arrived here at noon yesterday from Naples, being ill with fever. The captain of the vessel received visits of officials and others in his place.

DEWEY AND DEIDRICHS FRIENDS

England Would Like to See United States War With Germany, Because Great Britain Would Get More Commerce.

CHICAGO, Aug. 14.—Lieutenant Kehrl, of the German navy, who is touring America for pleasure, is in the city. The lieutenant was an officer of the Gefion, Admiral Deidrichs' flagship, in the Philippines during the war with Spain. He said:

"There was a misunderstanding between Admiral Dewey and Admiral von Deidrichs over harbor regulations, but the affair has been much exaggerated. The admirals were good friends and frequently dined together. The stories of the bitterness of the feeling between them come from English sources. The English people wish to impress upon the American mind the aid they rendered this country in order to pave the way for the alliance which they seek with the United States.

"England would also like nothing better than to see the United States and Germany go to war."

His Life Was Saved.

Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with typhoid fever, that ran into pneumonia. My lungs became hardened. I was so weak I couldn't even sit up in bed. Nothing helped me. I expected to soon die of consumption, when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued to use it, and now am well and strong. I can't say too much in its praise." AMERICANS OCCUPY- ING SAN MATEO

Colored Regulars Fought Hard to Take the City.

THREE HUNDRED REBELS ENGAGED

Men Are Exhausted—Transport Centennial Has a Narrow Escape From Capture While on a Reef—Rebels Made an Unsuccessful Attack on San Luis.

MANILA, Aug. 13.—3:10 p. m.—A reconnaissance yesterday by troops of General S. B. M. Young's brigade, with the object of discovering the whereabouts of the enemy near San Mateo, northeast of the San Juan reservoir, about ten miles from Manila, resulted in the occupation of San Mateo. The American loss was three killed and thirteen wounded, including a lieutenant of the Twenty-first infantry.

Twenty-three of the enemy are known to have been killed. This is the first action in which Colonel Burt's colored troops have participated. They behaved well, their leaders having difficulty in holding them back.

General Young accompanied Captain Parker's column, and was under fire throughout the engagement. It was estimated that the enemy numbered between 300 and 400 men.

Word has been received from Lieutenant J. C. Gilmore, of the United States gunboat Yorktown, who, with fourteen members of the crew of the gunboat, was captured by the insurgents last April near Baler, on the east coast of Luzon. The message which comes through Spanish prisoners, is to the effect that the officer and his men are at Vigan, in the province of South Ilocos, on the west coast of Luzon. All but two are well. Lieutenant Gilmore is allowed a house and a servant, and is fairly treated.

Insurgents Aggressive.

MANILA, Aug. 14.—8:40 a. m.—The insurgents have taken the aggressive in the neighborhood of the railroad. On Saturday night they unsuccessfully attacked San Luis, on the Rio Grande, near Calumpit, which is garrisoned by two companies of the Twenty-second infantry. The Americans had one man, a sergeant, killed, and two privates wounded.

Yesterday morning a similar attack occurred at Gringus, four miles west of Malolos, where another small garrison is stationed as a safeguard against a possible attack upon the railway. A special train took reinforcements to Malolos and Guiginto, just north of Bulacuan.
