## MISS STONE'S PITIFUL LETTER

Asks That Ransom Be Paid Without Delay—Brigands No Longer Treat Her With Consideration.

New York, Oct. 15.—According to a dispatch to the Journal and Advertiser from Sofia, further word has come from Miss Stone, in the following letter, written to W. W. Felt, president of the Turkish miseres in Constantinople:

"My Honored Friend: I write to inform you that on the 3d of September I was captured by a great number of armed men—some forty—as I traveled from Bansko to Dimaala with about twelve teachers, students and others. They took me and my companion, Mrs. Catherine Tsilka. The reason why they captured us is for ransom. The price which they demand for us is £25,000 Turkish, which must be paid in gold, and this entirely without the knowledge of the Turkish and Bulgarian governments, within the term of eighteen days from today. The condition of Mrs. Tsilka decided the limit, as she is to give birth to a child in three months.

"We are pursued by a Turkish army. I beg Dr. Haskell himself to go to Constantinople and exert himself for the payment of the ransom at Samakov, where men will receive it on presenting an order from me.

"The men who captured us at first showed courtesy and consideration toward us, but now since Turkish soldiers and Bashli Bazouks have begun to pursue us and the ransom is delayed, our condition is altogether changed. Therefore I beg you to hasten sending the ransom demanded and that as energetically as possible you will present to the Turkish government that it stop pursuit of us by soldiers and Bashli Bazouks, otherwise we shall be killed by the people in whose hands we are. I pray you to communicate without delay the contents of this letter to the representatives of the United States at the ports and request his most serious co-operation.

"Pray for us, we are at peace with God.

"With hearty salutations, Your friend,  
"ELLEN M. STONE."

Mrs. Tsilka Heard From.

SOBIA, Oct. 15.—The parents of Mrs. Tsilka, the Bulgarian teacher, who was captured by brigands with Miss Ellen M. Stone, the American missionary, have received another letter from their daughter urging the step already taken, namely, stopping the military pursuit, because the brigands threaten the prisoners with immediate death in the event of danger to themselves. The writer says that she and Miss Stone are hidden in a subterranean retreat and are treated courteously. She also says the only means of obtaining their release is to pay the ransom demanded.

Although the time fixed by the brigands who abducted Miss Ellen M. Stone, for the payment of the ransom demanded, expired a week ago, no one has appeared at Samakov to claim the money or to announce the fate of the captive. It is now learned that the bandits have dissolved, but Miss Stone is kept under surveillance at some distance from the frontier. This is due to snow and cold weather rendering the mountains uninhabitable. The efforts of the police to arrest Sarakoff, formerly president of the Macedonian committee, who is suspected of complicity in the kidnapping, are still unavailing. The failure is due to the sympathy of the inhabitants and local authorities.

Russia Will Assist.

CONSTANTINOPLE, Oct. 15.—The Russian government has repeated its expression of a desire to assist the United States government by all practical means in rescuing Miss Stone. The other powers are equally solicitous, but Russia is the best able to bring the necessary pressure to bear.

Messrs. Baird and Haskell, the missionaries, have not yet succeeded in getting into touch with the brigands or opening negotiations.

"I had long suffered from indigestion," writes G. A. LeDais, Cedar City, Mo. "Like others I tried many preparations but never found anything that did me good until I took Kodol Dyspepsia Cure. One bottle cured me. A friend who had suffered similarly I put on the use of Kodol Dyspepsia Cure. He is gaining fast and will soon be able to work. Before he used Kodol Dyspepsia Cure indigestion had made him a total wreck. Clarke & Falk's P. O. Pharmacy.

When Indians Work.

WASHINGTON, Oct. 11.—In his annual report to the Indian office, Supervisor A. Wright, who was temporarily in charge of the Warm Springs Indian school, Oregon, pending the arrival of the new superintendent, takes occasion to comment favorably upon conditions he found them at that institution. Mr. Wright says he found the Warm Springs Indians very skillful with tools, well able to handle their farm machinery and shoe their horses. But, adds, "they knew these things because they had the work to do." They had annuities or allowances; and were obliged to cultivate their little farms and herd their little bands of cattle and sheep.

Parentally, Mr. Wright remarks that he saw the ponies of these Indians made into "canned roast beef."

The Warm Springs Indians are self-supporting and industrious. His experience at the Oregon reservation has led Mr. Wright that what the Indian is most in need of is not so much special educational facilities as incentive work. His theory is that the Indian work, but that necessity rather than scholastic education will best teach him to work. As long as there are annuities, it will be impossible to make an American Indian work.

Brain Food Nonsense.

Another ridiculous food fad has been headed by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for another, another for muscles, and still another for bones. A correct diet will not nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutritive value is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Dr. G. G. Green's reliable medicine.

Caleb Powers' Trial.

Waverly, Ky., Oct. 15.—Under operation of Judge Centrell's order all persons to search for arms and weapons before being permitted to enter the room where the animal Caleb Powers is being held, the judge

and all the lawyers on both sides submitted to a search this morning at the hands of deputy sheriffs. The trial is now under way in earnest.

D. W. Woodson, of Frankfort, was the commonwealth's first witness. Woodson testified to nothing new, nor was the testimony of Colonel B. H. Young, of Louisville the next witness, important. Colonel Jack Chinn, who was with Goebel when he was shot, was then called to the stand. Colonel Chinn stated that he started to draw his pistol after the second volley of shots came, and that Goebel tried to get his revolver from his pocket as he fell wounded to the ground. Ephraim Dillard was next introduced, but his testimony was much the same as that of Colonel Chinn. Edward Steffy then told of having seen a gun barrel protruding from one of the windows in the secretary of state's office just before Goebel fell.

Night Was Her Terror.

"I would cough nearly all night long," writes Mrs. Ohas. Applegate, of Alexandria, Ind., "and could hardly get any sleep. I had consumption so bad that if I walked a block I would cough frightfully and spit blood, but, when all other medicines failed, three \$1.00 bottles of Dr. King's New Discovery wholly cured me and I gained 58 pounds." It's absolutely guaranteed to cure Coughs, Colds, La Grippe, Bronchitis and all Throat and Lung Troubles. Price 50c and \$1.00. Trial bottles free at G. O. Blakeley's drug store.

Women and Jewels.

Jewels, candy, flowers, man—that is the order of a woman's preferences. Jewels form a magnet of mighty power to the average woman. Even that greatest of all jewels, health, is often ruined in the strenuous efforts to make or save the money to purchase them. If a woman will risk her health to get a coveted gem, then let her fortify herself against the insidious consequences of coughs, colds and bronchial affections by the regular use of Dr. Bochee's German Syrup. It will promptly arrest consumption in its early stages and heal the affected lungs and bronchial tubes and drive the dread disease from the system. It is not a cure-all, but it is a certain cure for coughs, colds and all bronchial troubles. You can get Dr. G. G. Green's reliable remedies at Blakeley's drug store. Get Green's Special Almanac.

Experience is the best Teacher. Use Acker's English Remedy in any case of coughs, colds or croup. Should it fail to give immediate relief money refunded 25 cts. and 50 cts. Blakeley, the druggist.

Hudson, Brownhill & Butts have for rent two good farms of 100 acres each; one for cash rent, and the other for half the crop, the owner furnishing everything. Both are good propositions. Write or call at the office. 11-Jawit
