The Wheat Market.

No. 1 wheat is bringing 40 and 50 cents in this market, some of the warehouses having paid the latter price today and yesterday.

The wheat market in the East received a slight set-back yesterday on better crop reports from the Argentine. The weakness of freights held the coast markets fairly steady, although San Francisco was fractionally lower. The buying in Portland was on a much smaller scale than last week, and most of the exporters were quoting 55 cents as an extreme figure for Walla Walla. So much wheat was moved last week, when the price struck 40 cents in the Palouse, that the demands of exporters are not very pressing, and they are averse to paying anything above the export value. The movement in the Valley is still on a very restricted scale, and nearly all of the purchases are made by the mills. Last week's strength in the wheat market checked the decline in freights, but tonnage is still obtainable at 55 shillings and a shilling or so less for distant loading.

The Portland quotations are: Walla Walla 55 cents; Valley 55@55 1/2; Bluestem 56 cents.

An Explanation.

T. A. Van Norden has seen fit to announce that the firm of J. E. Adcox & Company is extinct. The firm name is extinct it is true, but, as everybody knows, the business continues as before, and I have been its sole owner since December 10, 1900, since which time Mr. Adcox worked for me for wages till about a month ago, when I discharged him for drunkenness and for taking and pawning a gold watch left in my care for repairs. Those sending watches from a distance intended for J. E. Adcox & Co. will please address them to myself, where they will receive the attention of as skilled a watchmaker as there is in this city. All work done at my store is guaranteed, as this has always been my method of doing business.

619-dartf THEO. H. LIEBE.

Constitution is Immoral.

Boston, Oct. 20.—James Jackson, of Cambridge, who was suspended from membership in the Second Reformed Presbyterian church because in becoming an American citizen, he took the oath to uphold the constitution of the United States, proposes to fight the ruling. Jackson took part in today's services at the church. The case is probably one of the strangest of its kind ever called to the attention of the people of Massachusetts. Dr. Jackson is a Scotchman by birth, but now, after ten years here, he has taken our naturalization papers.

Rev. J. M. Foster, pastor of the church from which Jackson was suspended, is quoted as making the following statement in regard to the case:

"We look upon the constitution of the United States as an immoral document and as an insult to the Almighty in that it makes no mention whatever of God and claims for the people that sovereign power which belongs to God alone. We refuse to accept the constitution thus defective and cannot swear allegiance to it."

Clark and Falk have just received a full line of fresh Velox papers and developers, the same as used by Mr. Lovick in his recent demonstration at our store.

Women and Jewels.

Jewels, candy, flowers, man—that is the order of a woman's preferences. Jewels form a magnet of mighty power to the average woman. Even that greatest of all jewels, health, is often ruined in the strenuous efforts to make or save the money to purchase them. If a woman will risk her health to get a coveted gem, then let her fortify herself against the insidious consequences of coughs, colds and bronchial affections by the regular use of Dr. Boschee's German Syrup. It will promptly arrest consumption in its early stages and heal the affected lungs and bronchial tubes and drive the dread disease from the system. It is not a cure-all, but it is a certain cure for coughs, colds and all bronchial troubles. You can get Dr. G. G. Green's reliable remedies at Blakeley's drug store. Get Green's Special Almanac. 1

A Deep Mystery.

It is a mystery why women endure Backache, Headache, Nervousness, Sleeplessness, Melancholy, Fainting and Dizzy Spells when thousands have proved that Electric Bitters will quickly cure such troubles. "I suffered for years with kidney trouble," writes Mrs. Phoebe Cherley, of Peterson, Ia., "and a lame back pained me so I could not dress myself, but Electric Bitters wholly cured me, and, although 73 years old, I now am able to do all my housework." It overcomes Constipation, improves Appetite, gives perfect health. Only 50c at G. C. Blakeley's drug store. 3

For Cuban Annexation.

HAVANA, Oct. 21.—A petition asking that Cuba be annexed to the United States is being circulated among Cuban business men, and every effort is being centered upon annexation, as business men generally, it is alleged, believe that the reciprocity movement will amount to nothing. A meeting has been arranged for Wednesday next, at which, although held under the guise of reciprocity, it is said that the first gun in the campaign for annexation will be fired by Cuba's orators—Senores Desvernine and Laruzza and the Marquis de Montora.
