the fourth Saturday in each month. ROSCOE KNOX. Yours Truly,

TURNER, Feb. 26, 1877. E ED. FARMER: Notwithstanding the prophecies, and hopes of the opposition, Turner Grange ist not dead 'yet. An enthusiastic meeting was held on the 24th inst. The first degree was conferred on two new members and three more made applications for membership. Among the visiting Brothers and Sister were Bros. Dan'l Clark P. M. State Grange, Worthy Deputy G. W. Hunt, Worthy M. John Downing of Rock Point, and Sister E. N. Hunt Worthy Lecturer State Grange and others from Rock Point. State Grange and others from Rock Point. They all took hold, cheered us up with short addresses, which were highly appreciated. This visiting of the Brothers and Sisters of different Grenges is a good feature. It gives strength and encouragement to us all. I enclose address delivered by Worthy Lecturer of Turner, Grange on, this occasion and which is thought worthy of publication by the Brothers above named and by vote of this Grange. An effort is being made to establish a library by donation of such books as the members feel disposed to make. books as the members feel disposed to make.

[The Address, above mentioned, will appear next week in the FARMER.]

THE MARKETS.

PATRON.

The Local Produce Markets

Wheat cannot be quoted higher than 95 cents, and no transactions, Salem Mills not running and no wheat in store at Farmers' Warehouse. Oats are 50 cents, silver, per bushel, and no demand. Hay is very dull, no demand and retails \$14 to \$18 per ton. The mild winter has made it easy to keep stock, and from what we see and gather, many farmers are holding oats and hay that they will sell at a low figure when spring opens and the roads get good. Mill feed scarce and high.

A Grand Premium Gift

TO EVERY PATRON OF THIS JOURNAL. Consisting of the Largest and

Most Sumptuous Work of Art ever issued in Europe or America, entitled

THE WEDDING FEAST AT CANA.

This magnificent Steel Engraving has just been issued by the National Art Co., Cincinnati, Ohio, in a superb Premium Edition, and is the finest and most expensive work of art ever issued in America. When its extraordinary size, and the elaborate and skillful labor that has been put upon it, combined with its perfection of printing, are considered, it stands to-day at the head of fine art publications, either in Europe or America. In size it is more than three feet long, by nearly two feet wide—one of the largest pure line steel engravings ever produced. There are more than

SIXTY FIGURES REPRESENTED

and the principal one of the group portrays the most perfectly lovely female form and free, in the person of the beautiful bride, surrounded by her attendants, that the imagination can conceive. It commemorates the Scriptural event (St. John, chapter it.) wherein the Lord turned water into wine, and made joyous the scene of marriage festivity at Cima, in Galilee. The surroundings of the picture embrace over five hundred special objects, each one of which is finished with the utmost care and faithfulness. We repeat, no such work was ever before issued, and the very few artist's proofs struck off brought fits per copy. It is, by all odds, the largest and best premium ever offered. Arrangements have been made, under which the National Art Co. will supply every patron of this paper with a perfect copy of this splendid masterplece as a grand Premium Gift for 187?

Subscribers are therefore requested to cut out the following Subscription Coupon and send it to the National Art Co., 20 & 208 Vine St. Cincinnati, O., to be reteemed by that Company. Enclose in your letter 25 cents, to pay for packing, tubing, and express charges on the engraving. If you have no express office, it will be sent by mail, enclosed in a firm, strong tube, and all charges prepaid.

Cut Out this Coupon. It secures you a work of art worth \$20.
