Skin-Tortured Babies

And Worn-out Worried Mothers Find Comfort in CUTICURA.

SOME MONTHS AGO OUR BABY'S HEAD GOT SORE. We took him to the doctor, who pronounced it poison and gave us some medicine doctor, who pronounced it poison and gave us some medicine

which did no good. His head got so bad he would cry all night, and my wife could sleep none, and began to look ghostly. His head got so sore that we put a night cap on him, and folded a white cloth four thicknesses inside of it, and just through the night a kind of matter would coze out from his head, soaked through the cloth and cap and on to the pillow. The top and back of his head was almost a solid sore, and looked so badly that words would not describe it. Almost in despair I told my wife I had seen CUTICURA REMEDIES advertised and recommended very highly and I was going to try them. I bought the CUTICURA RESOLVENT, CUTICURA SOAP, and CUTICURA Ointment. We gave him half of the Resolvent, used part of the cake of Scap, and before we had used the second box of CUTICURA Ointment he commenced to get better, and is now as well and hearty as anybody's boy. He is as merry as a lark, sleeps soundly all night, and his hair looks glossy, thick, and soft. while my wife looks like a different woman, I look at him and think I owe it to you and
