> poeted the place selected will be either Pekin or Tien Tein. In that event, regotiations will occur on what is practically conquered territory. The condition inside of Pekin was made more clear today by a dispatch from Admiral Remey, giving authentic reports from Lieutenant Luttimer. It spoke of troops "moving on the im-perial city," and "clearing out of the Tartar city." This latter city contains

the Tartar arsenal.

It is said at the war department that reports of continued fighting in Pekin indicates that the affield forces found a state of anarchy in the city, with many disorderly people, and no method of controlling them. This, especially, would be the case, if the reported flight of the empress dowager and emporer is true. he Tartar arsenal.
