 establishments reported for Montana in

 The product was valued at \$57,075,824.

In New York have arrived French  
 journalists, representing the Tempe-  
 garo, Eclair, Matin, Journal, Gil  
 Blas, Illustration, Vie Illustrée and  
 Gironde. These gentlemen will in-  
 spect all the principal American news-  
 paper establishments.

The butchers of New York are deter-  
 mined that the new state law prohib-  
 iting the sale or delivery of meats on  
 Sunday shall be enforced. To this end  
 an army of 2700 men, all opposed to  
 Sunday labor, and all eager to aid in  
 carrying out the provisions of the law  
 patrolled the city Sunday.

Vice President Roosevelt has con-  
 sented to write a history of the Rough  
 Riders for the roster of the New Mex-  
 ico volunteers in the Spanish war,  
 which will be published by the au-  
 thority of the Thirty-fourth legisla-  
 tive assembly of New Mexico, which has  
 made an appropriation for that purpose.

The sheriff of Union county is trying  
 to get trouble for some of the tax-  
 payers in the "Panhandle" district, so  
 the county officials of Baker county  
 think. He is sending out delinquent  
 tax notices to the taxpayers in the  
 Panhandle district, which was annexed  
 to Baker county by special act of the  
 legislature last winter.

Astoria's eighth annual regatta is at  
 an end. The program of events was  
 finished promptly at noon Saturday,  
 with the regatta of the largest crowd  
 that ever assembled in the city to  
 witness the carnival of land and water  
 sports. With the continued pleasant  
 weather, large crowds in attendance,  
 close and exciting racing events and  
 an accident to mar the pleasure of  
 the occasion, the regatta just closed  
 has been far more successful than any  
 of its predecessors.

News comes from Vale, Malheur  
 county, that C. D. Boswell, the newly  
 appointed postmaster, is in a trouble-  
 some situation. He served as sheriff of  
 the county. Recently the county court  
 ordered a thorough overhauling of the  
 books of the county officers, and it has  
 just ascertained that Mr. Boswell's  
 books show a shortage of \$208, which  
 it is understood, will be made good to  
 the county at once. Mr. Boswell was  
 recently appointed postmaster.

"The pitcher that goes often to the  
 well is broken at last." There is a word  
 of wisdom in the familiar proverb, and  
 a sound application of it to disease,  
 especially to such familiar forms of dis-  
 ease as coughs and colds. Singularly  
 enough the very thing that ought to  
 cause alarm is given as excuse for a feel-  
 ing of safety. "It's nothing; only a  
 cough. I've had it  
 before." The fact  
 that a cough re-  
 turns periodically  
 should be warning  
 enough to take it  
 in time, for the  
 most serious and  
 distressing cough  
 sometimes begins  
 with a cough.

The use of Dr.  
 Pierce's Golden  
 Medical Discovery  
 not only stops the  
 cough but cures  
 the cause. It cures  
 obstinate, deep-  
 seated coughs,  
 bronchitis, weak  
 lungs, nervous  
 chagrins, disor-  
 dered digestion,  
 and a fatal termina-  
 tion in consumption.

Accept no substitute for "Golden Medical  
 Discovery." There is no other medi-  
 cine "just as good" for weak lungs.

"I was very sick indeed," writes Mrs. Mellie  
 Jackson, of Felton, Kent Co., Delaware, "and our  
 family doctor said I had consumption. I thought  
 I must die soon for I felt so bad. I had a bad  
 cough and spit blood, was very short of breath, in  
 fact could hardly get my breath at all some  
 times. I had pains in my chest and right lung.  
 I can do a small washing. I worked in the  
 laundry for some time, and I was very near  
 the end of my life. I was sick over two  
 years. I took thirteen bottles of the Golden  
 Medical Discovery, and four vials of Dr. Pierce's  
 Pills."

Dr. Pierce's Common Sense Medical  
 Adviser, paper covers, is sent free on  
 receipt of 21 one-cent stamps to pay  
 expense of mailing only. Address Dr.  
 R. V. Pierce, Buffalo, N. Y.

**VERY BOLD  
 REMARKS BY  
 ROOSEVELT**

**Vice-President Talks of the  
 Trust Situation.**

**FAVORS STATE AND FEDERAL CONTROL**

Should Be Discrimination Between Humane  
 and Unscrupulous Employers in the  
 Operation of the Law.

St. Paul, Sept. 2.—Vice President  
 Roosevelt addressed twenty thousand  
 people at the state fair grounds at  
 Hamline today. His speech was based  
 principally on conditions as affecting  
 labor and capital. He said:

"It is not only desirable but neces-  
 sary that there shall be legal legisla-  
 tion which shall carefully shield the  
 interests of the wage workers and  
 which shall discriminate in favor of  
 the humane and honest employer, by  
 removing disadvantages under which  
 he stands, when compared with un-  
 scrupulous competitors who have no  
 conscience and will do right only when  
 in fear of punishment. More and  
 more it is evident that, the state, and,  
 if necessary, the nation, has got to pos-  
 sess the right to supervise and control  
 the great corporations, which are its  
 creatures, particularly as regards the  
 great business combinations which de-  
 rive a portion of their importance from  
 the existence of some monopolistic  
 tendency."

**STRIKERS STOPPED THEM**

McKeesport Men Prevent Others From  
 Going to Work.

McKeesport, Sept. 2.—Three hundred  
 mechanics and employees of the  
 foundry at the National Tube works  
 who were engaged in doing repair  
 work throughout the plant were stop-  
 ped from going to work this morning  
 by the strikers. There was no disor-  
 der. The strikers say the company  
 had begun taking in backsliders, osten-  
 sibly as repair men, but in reality to  
 get a sufficient number of men to start  
 the plant. The situation at Duquesne  
 is unchanged.

**Claim They've Won the Strike.**

Pittsburg, Sept. 2.—Officials of the  
 Amalgamated declared this morning  
 that they have the strike fairly won  
 and that the steel trust has found it  
 impossible to get sufficient men to run  
 the mills. Regarding the attempt of  
 the Bay View officials to impeach  
 Shaffer's conduct of the strike, they  
 said it was merely the work of a few  
 disgruntled men and that the great  
 body of men are loyal to the strike.

**TO BUILD BIG NEW SHOPS**

Salt Lake Will Have Many New Mechan-  
 ics to Live There.

Salt Lake, Sept. 2.—The shops of the  
 Rio Grande Western will be enlarged  
 to accommodate six hundred additional  
 mechanics. The Oregon Short Line  
 railway company has purchased addi-  
 tional land in north Salt Lake for the  
 big shops. The San Pedro line is  
 quietly buying up land in the same  
 territory for a big plant. The South-  
 ern Pacific surveyors have finished  
 work on the cutoff around Salt Lake  
 and have mailed reports to New York.

**CZAR WANTS A CONGRESS**

Will Convene Monarchs and Chiefs of  
 States at Copenhagen.

Paris, Sept. 2.—Rappal, a newspa-  
 per, says it is rumored the czar, after  
 visiting President Loubet, will con-  
 vene an international congress of sov-  
 ereigns and chiefs of states at Copen-  
 hagen, King Christian of Denmark.  
 Rappal says, will act as president of  
 the congress.

**Constans Goes to Switzerland.**

Paris, Sept. 2.—The Turkish ambas-  
 sador again has gone to Switzerland  
 and will not return until the dispute  
 between France and Turkey has been  
 settled.

**Turkish Troops Mutiny Again.**

Constantinople, Sept. 2.—Further  
 mutinies have occurred among the Tur-  
 kish troops in European Turkey and  
 Serbia because of arrears in pay.

**Possibilities of the Race.**

Brenton's Point, R. I., Sept. 2.—  
 America was focusing its watching  
 eyes on today's race between Columbia  
 and Constitution because it was re-  
 membered that it might decide whether  
 the new or old boat would defend the  
 cup. The race today was over a trian-  
 gular course ten miles to each leg.  
 That Columbia won Saturday's race,  
 the first of the final series of three to  
 select the defender, caused the event  
 today to attract the more general  
 attention.

**Newark Death List.**

Rochester, N. Y., Sept. 2.—The  
 death list from the Newark wreck will  
 reach at least twenty persons. Two  
 more of the injured died last night and  
 others are in dying condition.

**Run Down by a Train.**

Warsaw, N. Y., Sept. 2.—Albert  
 Brewer, William Brewer and Wm.  
 Carmody, all young men, were run  
 down by an Erie train last night near  
 Dale and killed.

**Killed Her Husband.**

Norfolk, Va., Sept. 2.—Mary Naace,  
 colored, charged with poisoning her  
 husband so she could marry another,  
 has been sentenced to hang.

**THIS IS LABOR DAY--HOLIDAY**

Court House Observed it, Although No At-  
 tention Was Paid to it Throughout the  
 Town.

Up at the court house today the offi-  
 cials observed Labor Day, which is a  
 statutory legal holiday. However,  
 throughout the town no attention  
 was paid to it, and business went on  
 just as though there were no such  
 thing on the statutes as the setting  
 of September's first Monday as an  
 occasion when the hosts of laborers  
 may gather for discussion, and when  
 judicial business may not be transac-  
 ted. Its non-judicial character com-  
 pels the adjournment of all courts for  
 the day, excepting for the issuance of  
 criminal writs, and county and state  
 records are for the time not open for  
 the inscription of instruments or the  
 filing of suits.

**Observed Throughout the Country.**

Chicago, Sept. 2.—Reports from all  
 large cities throughout the country  
 indicate that Labor Day is being cele-  
 brated with unusual enthusiasm. The  
 colleges generally held their de-  
 monstrations, picnics and parades un-  
 der the clear skies.

In many cities, banks, business  
 houses and municipal offices closed in  
 honor of the day.

**Big 'Prisco Demonstration.**

San Francisco, Sept. 2.—Twenty  
 thousand members of the labor organi-  
 zations marched in the parade today,  
 from the water front through the busi-  
 ness streets to Mechanics' Pavilion,  
 where exercises were held.

**A PITTSBURG HOTEL FIRE**

Death Results From the Conflagration  
 Early This Morning.

Pittsburg, Sept. 2.—The Hotel Mc-  
 Kee was destroyed by fire early this  
 morning. Paris McKee, aged 11, son  
 of the proprietor, was burned to death.  
 Five of the house help and one guest  
 were badly burned.

**Salem Pioneer Dead.**

Salem, Sept. 2.—Isaac Miller, a  
 pioneer, is dead.

**SEVEN PLEADED GUILTY**

RAPID DISPOSITION OF CRIMINAL  
 CASES IN CIRCUIT COURT.

Illustrates Excellence of the New Law  
 Providing for Filing of Informa-  
 tion by District Attorney.

The celerity with which the criminal  
 cases before the circuit court have been  
 disposed of during the last few days,  
 demonstrates the wisdom of the grand  
 jury law passed by the legislature in  
 1899. Therefore it was necessary, in  
 case of sufficient evidence, for the jus-  
 tice court to bind the prisoner over to  
 await the action of the grand jury,  
 which regularly convened every fourth  
 month. If a criminal were to be ap-  
 prehended immediately following the  
 meeting of the grand jury, the county  
 would be forced to keep him until the  
 next regular convention, thereby in-  
 curring considerable expense. This,  
 however, is not as large as compared  
 with the amount of money consumed  
 in the compensation of the witnesses  
 and the grand jury itself. It is now  
 possible, under the present law, that a  
 criminal may be apprehended in the  
 morning, examined in the justice  
 court, arraigned before the circuit  
 court and bind himself on his way to  
 Salem in the evening. As has been  
 stated above, within four days, seven  
 criminals have appeared before the  
 circuit court, pleaded guilty and re-  
 ceived sentence, without the payment  
 of a single witness fee. More over not  
 one of these persons have been kept  
 here at the expense of the county for  
 more than two months and some of  
 them only for a few days.

There is another point in favor of  
 the new law. It is much easier for a  
 guilty man to stand before a single  
 person and confess his guilt than it is  
 under the gaze of a crowd of jurymen,  
 lawyers and spectators in open court.

**Saturday's Proceedings.**

On Saturday afternoon J. J. Breal  
 was arraigned before the circuit court  
 on the charge of forging evidence of  
 debt. He pleaded guilty and was sen-  
 tenced to two years in the state peni-  
 tentiary.

C. E. Knowles plead guilty of ob-  
 taining money under false pretenses  
 and was sent up for eighteen months.

J. Frank Day, who is charged with  
 receiving the wool stolen by Geo.  
 Neff, tomorrow morning at 10 o'clock.  
 It comes from good authority that Neff,  
 who was indicted for the larceny of a  
 watch, will plead guilty.

**Residence for Sale.**

A nice house and lot on Alta street,  
 south of the court house, Pendleton,

 ally constipated but take DeWitt's Little  
 Early Risers now and then. They will  
 keep your liver and bowels in good or-  
 der. Easy to take. Safe pills. Tal-  
 lman & Co.

Sid Darling, 1012 Howard St., Port Hu-  
 ron, Mich., writes: "I have tried many  
 pills and laxatives but DeWitt's Little  
 Early Risers are far the best pills I  
 have ever used." They never gripe.

**A BROAD  
 DAYLIGHT  
 HOLD-UP**

J. W. Kimberlin Robbed on  
 Sunday.

**TWO MEN DID THE BOLD WORK**

They Took But Little Properly, Although  
 the Highwaymen Exhibited Con-  
 siderable Nerve.

J. W. Kimberlin, who is employed  
 at the Demott grocery store, was held  
 up Sunday afternoon and relieved of  
 a pair of goldrimmed spectacles. He was  
 walking on the railroad track, near the  
 Hunt stock yards when the heavy rain  
 came on. Mr. Kimberlin left the track  
 and leaned against a telegraph pole  
 for protection from the storm.  
 He had been there but a moment when  
 two men appeared before him, and  
 one of them grabbed his arms and held  
 them in a firm grasp, while the other  
 rifled the victim's pockets. The old  
 gentleman shouted for help and the  
 robbers became frightened and ran  
 up the track.

The affair was reported to the police,  
 who caught the supposed offenders  
 back of the shooting gallery. They  
 were turned over to the state and will  
 be examined before Justice Fitz Ger-  
 ald tomorrow morning. They gave  
 their names as Rand and Kelly.

 ity for the week. The program will be:

 ing of king and queen, oriental mid-

 tetti, labor unions' night.

**SAYS IT WAS POLITICAL.**

A Spokesman-Review Correspondent on  
 the Ankeny Chicken Shooting.

The Walla Walla correspondent of the  
 Spokesman-Review thus treated the  
 Ankeny arrest item:

Late this afternoon a warrant was is-  
 sued for Levi Ankeny, president of the  
 First National bank, and A. S. Legrow,  
 a prominent sheepman, for shooting  
 game without a license. Game Warden  
 R. Y. Fynn was the complainant. The  
 men will be arrested as soon as  
 they are located. Mr. Ankeny is in  
 Lewiston and Legrow is at his ranch,  
 20 miles west.

The news created considerable com-  
 ment this evening. It is generally ad-  
 mitted that the significance of the  
 move is political, Mr. Ankeny being  
 a prominent candidate for the United  
 States senate. Fynn is an anti-An-  
 keny republican, and this may have  
 occasioned the move. It is claimed that  
 Mr. Ankeny did not hunt off the Leg-  
 row farm, and the license law can  
 not apply to a private reserve.

For the above fair, which is to be  
 held at Spokane, September 10 to 21,  
 the O. R. & N. company will sell  
 round trip tickets from Pendleton at  
 \$5.50, which includes one admission to  
 the fair. These tickets will be sold  
 September 9, 11 and 14, good until Sep-  
 tember 16; and September 16, 18 and  
 20, good until September 23.

On September 13, and this date only,  
 tickets will be sold at \$6.50 for the  
 round trip, good until September 17.  
 For children under 12, one-half above  
 rates. O. R. & N. ticket office.
