FOR DECEMBER 18

SPECIAL CITY ELECTION FOR SEWERAGE SYSTEM.

Tax-Payers to Voice Their Opinion With Regard to Issuing Bonds for \$30,000—Sidewalk Ordered—Bills Allowed.

The council last night—Set December 18 for city election to ascertain whether or not the tax-payers wanted to vote a debt of \$30,000 for a sewerage system. Granted petition for sidewalk on High street. Referred reports of marshal and recorder to finance committee. Granted and transferred liquor license. Allowed bills.

It is now up to the voters of the city of Pendleton to say whether or not a thorough sewerage system shall be installed. At the council meeting last night, December 18 was set for the special city election when the voters will have a chance to voice their sentiments on the subject.

The proposition, as presented by the council, is that a special election be held to ascertain if the citizens want to vote a debt of \$30,000 on themselves for a sewerage system, as it is estimated that this will be the cost of installing a thorough system.

While the city council is unanimous on the matter it is the wish of this body to have the people give their expression through the ballot box at just as early a date as possible. This is to give the city a chance to get the preliminaries completed and be ready to begin work in the early spring if the voters are in favor of the proposition.

Those Qualified.

Those qualified to vote at this election will be all property owners living in the city limits who had \$100 worth or more of property at the last assessment and none whose property does not exceed this will be allowed a voice in the matter. The question of qualification will rest entirely upon the last assessment roll. These rolls will be gone over and every man's and woman's name with more than \$100 worth of assessed property will be taken down and a list kept at each of the four voting places so that in case there is a question as to the voter's eligibility to vote all that is required will be to turn to the list of tax-payers and settle the matter. No registration is necessary and women are allowed to vote.

Twenty-Year Bonds.

The bonds which the city will issue to pay for the sewerage system are to have a 20-year limit. That there will be no difficulty in floating these bonds there is no question. Already many inquiries have been sent in as to when the bonds would be issued, and capitalists have designated their intention of taking up the bonds without delay.

There will be four polling places, one in each of the wards of the city. Following are the voting places and the names of the judges and clerks:

First Ward.

In W. S. Byers' building, opposite the mill, on Court street. J. M. Ferguson, Walter Wells and W. P. Temple will act as judges, and George E. Ferringer, C. C. Sharp and Thomas Thompson, clerks.

Second Ward.

In the Bailey building, at the corner of Water and Main streets. R. Alexander, W. H. Jones and J. B. Mumford, judges. G. I. LaDow, E. J. Murphy and Frank Frazier, clerks.

Third Ward.

At the city recorder's office, on Alta street. C. F. Colesworthy, M. A. Rader and B. F. Renn, judges. William Hilton, S. R. Thompson and C. R. Dutton, clerks.

Fourth Ward.

In the Boynton building, corner of Webb and Cozbie streets. Louis Larone, Frank O'Hara and H. O. Mousu, judges. T. F. Howard, A. B. Chapman and J. W. Kimbrell, clerks.

Form of Ballots.

The form designated for the ballots to be used in voting shall read:

"Shall the city of Pendleton incur an indebtedness of \$30,000 for the purpose of constructing a sewerage system?
Yes _____
No _____

Twenty-five hundred of these ballots are to be printed beside several hundred samples to be placed at the disposal of the voters at each voting place so they can see what they are going to vote on and what is expected of them when entering the booth.

Notices of Election.

Notices of the election shall be posted in three conspicuous places in each ward 10 days or more prior to the date of holding the election.

For Private Office.

The matter of petitioning off a private room in the rear of the city hall for the recorder and city officers, was

discussed, but no action taken on the matter.

Liquor License Granted.

A liquor license was granted to F. J. Bacon and the license transferred from Poladore Moons to Longever & Murphy.

Sidewalk Ordered.

In response to a petition from Mrs. Hattie Whitaker and others, a sidewalk was ordered laid on High street, west of Main, and the city attorney was instructed to draw an ordinance to this effect.

Official Report Accepted.

The monthly report of the city recorder and marshal was accepted and referred to the finance committee.

Bills Allowed.

The following bills were audited and allowed:

L. G. Frazier, \$3.35; Gerry Kimbrell, \$4; Pendleton Water Company, \$100; B. S. Waffle, \$1; W. J. DID NOT STEAL SHEEP.

Young Man Arrested for Stealing Bucks From O. R. & N. Stock Yards, Acquitted.

Baker City, Dec. 4.—Frank Wallace, who was arrested on the John Day road, six weeks ago, with 23 thoroughbred bucks, taken from the O. R. & N. stock yards at this place, in his possession, has been acquitted by the jury. Wallace succeeded in proving that he bought the bucks and paid for them with money drawn out of the First National Bank. It seems that he was the victim of a confidence game. Some hobo succeeded in selling the sheep to Wallace, an unsuspecting man, while Wallace was found with the sheep in his possession and was compelled to stand trial for the theft. No clue to the guilty person has ever been found and Mr. Wallace is looser the sum he paid for the sheep.
