Where Racing Will Be Good.

Visitors to the Oregon state fair this fall will witness the greatest racing ever seen in the state. Salem business men have raised a purse of \$2,000 for 2.17 pacers to be raced for on Salem day, which has 30 horses entered. These horses are from the best stables in Oregon, Washington, Idaho, California and Montana, and it is expected at least 20 of them will start, furnishing the largest field of high-class horses ever seen on a track on the Pacific coast. Portland, too, has contributed a purse of \$2,000 for 2:20 trotters to be raced for on Portland day. This race has 27 horses entered, of which most of them will start, making two of the greatest racing events ever held this side of the Rocky mountains. If you are fond of high-class racing, don't miss seeing these two events.

A. Solberg, of Spokane, has been fined heavily for running an unsanitary dairy, in the city limits.
