**NAVIN-McATEE.**  
Popular Young People Were Married September 20.

Briggson, Sept. 21.—A very quiet though pretty home wedding occurred at the home of Mr. and Mrs. James Navin, Sunday, Sept. 20, when their only daughter, Miss Bessie Palmer and Lee J. McAtee, were united in holy matrimony. Rev. W. E. Armfield, Methodist minister of Athens, officiated.

The bride was very pretty in baby blue French Merino, and wore the tulle veil with orange blossoms and lilies of the valley while the groom wore the conventional black.

The happy couple left for Athena Monday morning, where they will visit for a short time. Then they will go to Pendleton where they have a neat home fitted up at 541 Cottage street.

**REMARKABLE CRIMINAL.**  
Farmer, Trapper, Woodsman, Preacher, Murderer, Will Hang.

Norfolk, Va., Sept. 24.—With the execution of Clifton Branham, watch is to take place at Wise court house tomorrow, a remarkable career will be brought to a close. Branham was convicted of the murder of his blind wife. He is only forty years old, but in a score of years he has managed to be a farmer, trapper, woodsman, preacher and twice a murderer.

About twenty years ago Branham shot and killed "Long Henry" Vanover in Letcher county, Ky. After serving a dozen or more years of a ninety-nine years' sentence he was given a conditional pardon by Governor Beckham. Returning to his home in Wise county he found that his daughter had married during his imprisonment, and soon there was a row between Branham and his son-in-law. In the fight that ensued Mrs. Prichard interfered and was shot and killed by her husband. The latter fled to Kentucky, but was soon captured near Lexington and returned to the scene of his crime, where he was tried and convicted.

Will Purchase Exhibits.  
Jefferson Myers, president of the state Lewis and Clark commission, is now in Harney county, where he went for the purpose of purchasing as much of the agricultural and horticultural exhibit at the Harney county fair, as is suitable for the St. Louis exposition. He will return to Portland through Central Oregon by way of Prineville.

By the way, if every man in the East is employed at good wages, where did those 25,000 Eastern men come from who went to the Kansas and Nebraska wheat fields, and why did they go?—Bryan's Commoner.

# THE FAIR

The Place for Bargains.

Fearful Odds Against Him.

Bed-ridden, alone and destitute. Such in brief was the condition of an old soldier by name of J. J. Havens, Versailles, O. For years he was troubled with kidney disease and neither doctors nor medicines gave him relief. At length he tried Electric Bitters. It put him on his feet in short order and now he testifies: "I'm on the road to complete recovery." Best on earth for liver and kidney troubles and all forms of stomach and bowel complaints. Only 50c. Guaranteed by Tallman & Co., druggists.

"Captain Bob" Coming.  
"Captain Bob," the play which comes to the Frazer theater on October 1, will be presented by that capable actor, S. Miller Kent, who is always a welcome visitor, and one who is sure to be greeted by a large

audience. Further comment would be useless, as Mr. Kent is too well known here to go into details concerning his ability as an actor. "Captain Bob" and his character of Robert Rensselaer allow him wider scope than his former play, "The Cowboy and the Lady."
