HOLDING COURT IN CLUB ROOMS

FIRST TERM IN NEW COUNTY SEAT, LA GRANDE.

Judge Eakin convenes District Court for Union County in Commercial Association Parlors at La Grande—Quarters Not Commodious. But Court is Progressing—Prisoners Held in City Jail, Under Guard—County Officials Move to La Grande.

La Grande, Oct. 4.—The first term of circuit court to be held in this county since the removal of the county seat to this place convened yesterday afternoon in the parlors of the Commercial Association, the new court house not being complete.

Judge Robert Eakin and District Attorney Leroy Lomax have provided every convenience for litigants and lawyers, and while the rooms are not as commodious as they should be, they answer the purpose.

The prisoners are kept in the city jail under close guard, having been brought here from the Baker City jail for trial.

The county records are somewhat scattered and it requires considerable time to travel from one office to another in different parts of town to get papers properly before the court.

Judge Eakin, Sheriff Pennington, School Superintendent Bragg and several deputy county officials have purchased homes in this city and have moved their families here.

District Attorney Lomax will live in Baker City.

Saves Two From Death.

"Our little daughter had an almost fatal attack of whooping cough and bronchitis," writes Mrs. W. K. Haviland of Armonk, N. Y., "but when all other remedies failed, we saved her life with Dr. King's New Discovery. Our niece, who had consumption in an advanced stage, also used this wonderful medicine and today she is perfectly well." Desperate throat and lung diseases yield to Dr. King's New Discovery as to no other medicine on earth. Infallible for coughs and colds. 50c and \$1.00 bottles guaranteed by Tallman & Co. Trial bottles free.

School of Philanthropy.

New York, Oct. 4.—A "School of Philanthropy" was opened in this city today, its object being to teach the rational application of charity. The course of instruction outlined calls for the study of municipal reform activities, social settlement work, immigration, racial traits in the population and kindred topics.

A Love Letter.

Would not interest you if you're looking for a guaranteed salve for sores, burns or piles? Otto Dodd, of Ponder, Mo., writes: "I suffered with an ugly sore for a year, but a box of Eucklin's Arctica Salve cured me. It's the best salve on earth. 25c at Tallman & Co.'s drug store."

H. B. Holcomb, of Chicago, is making the trip from Chicago to New York in an automobile in hopes of lowering the record, which is now 72 hours and 24 minutes. He expects to make the distance in 48 hours.

UNHAPPINESS DISPELLED.

Men and Women Unanimous About It.

Many women weep and wail and refuse to be comforted because their once beautiful tresses have become thin and faded. Many men incline to profanity because the flies bite through the thin thatch on their craniums. It will be good news to the miserable of both sexes, to learn that Newbro's Herpicide has been placed upon the market. This is the new scalp germicide and antiseptic that acts by destroying the germ or microbe that is the underlying cause of all hair destruction. Herpicide is a new preparation, made after a new formula on an entirely new principle. Anyone who has tried it will testify as to its worth. Try it yourself and be convinced. Sold by leading druggists. Send 3c in stamps for sample to The Herpicide Co., Detroit, Mich. F. W. Schmidt & Co., special agents.

HAPPY WOMEN.

Plenty of Them in Pendleton and Good Reason for It.

Wouldn't any woman be happy after years of backache suffering, days of misery, nights of unrest, the distress of urinary troubles, she finds relief and cure? No reason why any Pendleton reader

should suffer in the face of evidence like this:

Mrs. Fred Noble, who lives at 219 Castle street, says: "I was troubled for three or four years with my back and kidneys, and was oppressed with a tired feeling all the time. My back commenced to ache whenever I did the least amount of work around the house that compelled me to lift anything or stoop over. The kidneys were irregular and annoyed me, especially if I caught cold. I felt sleepy or drowsy all the time. I used many different medicines, some of which helped me, and some of which did not. I saw Doan's Kidney Pills so highly recommended that I went to the Brock & McComas drug store and got a box. They helped me from the first and did me more good than anything of the kind I had ever used. I am feeling better since the treatment than I had in a long, long time before. Thanks to Doan's Kidney Pills."

For sale by all dealers. Price 50 cents per box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

WARDE AND KIDDER.

Well Known Tragedian Will Be Seen Next Monday Night in "Salammbô."

The engagement of Frederick Warde and Kathryn Kidder next Monday night should prove one of the most vitally interesting dramatic events of the year. They are to appear in Stanislaus Sturge's spectacular dramatization of "Salammbô," in which he has scored the biggest popular success since he has been writing plays.

Recollections of the same author's dramatization of "Quo Vadis," will give local playgoers much confidence in his ability to handle the intensely dramatic problem contained in Flaubert's famous work "Salammbô," on which the play is founded.

While it must of necessity be treated in a spectacular manner, the novel supplies copious opportunities for a very thrilling drama, in which torrid passions and heroism of the robust order, must play a conspicuous part.

Frederick Warde will, of course, assume the role of the terrible Matho, the indomitable barbarian warrior who at the head of the allied mercenary armies succeeded in overthrowing the great republic of Carthage. Miss Kidder will be seen as "Salammbô," a character for which her beauty and her equally remarkable dramatic power makes her eminently fitted. Salammbô was the high priestess of Tanit, the Moon goddess, and arrayed in the diaphanous robes for her sacred office Miss Kidder must present an alluring picture of feminine loveliness.

TO BANISH WARFARE

EPISCOPALEANS MEET IN ANNUAL CONVENTION.

Largest, Most Fashionable and Influential Convocation of This Church Ever Gathered Together in the United States—Proposed Board of Review, Policy in the Insular Possessions, Divorce Question and Proposition to Change Name of the Church Will Be Discussed.

Boston, Mass., Oct. 4.—The intellect and the power of the Protestant Episcopal church of the United States are concentrated in Boston today. At many of the aristocratic residences in the Back Bay district bishops and clergymen have found splendid quarters. The handsome home of Mrs. "Jack" Gardner is but one of a large number that has been placed at the disposal of the visiting bishops and clergymen. The use of the palatial residence of Montgomery Sears by J. Pierpont Morgan and the use of the Head residence by Bishop Potter of New York, are among the number. The Archbishop of Canterbury is being entertained as the guest of Mr. Morgan.

Prominent among the bishops from abroad who are here to attend the triennial are the Right Rev. John McKim, Bishop of Tokio; the Right Rev. S. D. Ferguson (colored), Bishop of Cape Palmas, Liberia; the Right Rev. Charles H. Brent, Bishop of the Philippines; the Right Rev. Henry B. Restarick, Bishop of the Hawaiian Islands; the Right Rev. James H. VanBuren, Bishop of Porto Rico; the Right Rev. Peter T. Rome, Bishop of Alaska, and the Right Rev. Lucien Lee Kinsolving, Bishop of Southern Brazil.

In addition to the Archbishop of Canterbury, the Church of England has as representatives here the Right Rev. William Boyd Carpenter, Lord Bishop of Ripon, and one or two other members of the Anglican Episcopate. The Anglican church in Canada is officially represented by the Right Rev. Charles Hamilton, Lord Bishop of Ottawa; the Right Rev. James Carmichael, Bishop Coadjutor of Montreal, and a number of prominent priests and laymen.

Talks with the prominent churchmen already here indicate that the coming convention will be full of interest and importance. Among the important topics of business to be considered and acted upon is the report of the commission which was appointed three years ago to consider the question of changing the legal name of the church, "Protestant Episcopal," and to ask the opinion of the dioceses. The commission in a report made public last spring decided against a change at this time.

The agitation for a more explicit and stricter canon on the prohibition of marriage of divorced persons, except for one cause, will also be discussed at length, and the advisability of grouping the dioceses of the country into provinces, with a primate at the head of each province, will also be considered. A proposed board of review, where appeals from the diocesan courts may be heard, the question of meeting the situation in the insular possessions and other issues will also be taken up.

Dog Show at Westminster.

Westminster, B. C., Oct. 4.—Many dogs of high degree are benched at the show which opened today under the auspices of the New Westminster Gun Club and in conjunction with the annual provincial exhibition. The most notable kennels of Vancouver, Seattle, Portland and other cities on the coast are represented.

Wireless Telegraphy Congress.

Berlin, Oct. 4.—The International Wireless Telegraphy Congress, summoned at the initiative of Germany, and which was to have met today, has been postponed at the request of France and Great Britain, which countries desired more time to study the questions involved.

Will simmer down if given time.

Two severe cases of Ovarian Trouble and two terrible operations avoided. Mrs. Emmons and Mrs. Coleman each tell how they were saved by the use of Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I am so pleased with the results obtained from Lydia E. Pinkham's Vegetable Compound that I feel it a duty and a privilege to write you about it.

"I suffered for more than five years with ovarian troubles, causing an unpleasant discharge, a great weakness, and at times a faintness would come over me which no amount of medicine, diet, or exercise seemed to correct. Your Vegetable Compound found the weak spot, however, within a few weeks—and saved me from an operation—all my troubles had disappeared, and I found myself once more healthy and well. Words fail to describe the real, true, grateful feeling that is in my heart, and I want to tell every sick and suffering sister. Don't dally with medicines you know nothing about, but take Lydia E. Pinkham's Vegetable Compound, and take my word for it, you will be a different woman in a short time."—Mrs. LAURA EMMONS, Walker-ville, Ont.

Another Case of Ovarian Trouble Cured Without an Operation.

"DEAR MRS. PINKHAM:—For several years I was troubled with ovarian trouble and a painful and inflamed condition, which kept me in bed part of the time. I did so dread a surgical operation. "I tried different remedies hoping to get better, but nothing seemed to bring relief until a friend who had been cured of ovarian trouble, through the use of your compound, induced me to try it. I took it faithfully for three months, and at the end of that time was glad to find that I was a well woman. Health is nature's best gift to woman, and if you lose it and can have it restored through Lydia E. Pinkham's Vegetable Compound I feel that all suffering women should know of this."—Mrs. LAURA BELLE COLEMAN, Commercial Hotel, Nashville, Tenn.

It is well to remember such letters as above when some druggist tries to get you to buy something which he says is "just as good." That is impossible, as no other medicine has such a record of cures as Lydia E. Pinkham's Vegetable Compound; accept no other and you will be glad.

Don't hesitate to write to Mrs. Pinkham if there is anything about your sickness you do not understand. She will treat you with kindness and her advice is free. No woman ever regretted writing her and she has helped thousands. Address Lynn, Mass.

\$5000 FORFEIT if we cannot forthwith produce the original letters and signatures of above testimonials, which will prove their absolute genuineness. Lydia E. Pinkham Medicine Co., Lynn, Mass.
