FLEET AT SEATTLE

FOUR DAYS' CELEBRATION HAVE BEEN PLANNED

People from All Over the Northwest Will Visit Puget Sound to See the Naval Display—Capacity of Hotels Will be Taxed to the Utmost, But the City Will Care for her Visitors.

Seattle, Wash., May 7.—According to advices received from all over the northwest, the four days' stay of the Atlantic fleet of battleships in Seattle, the latter part of this month, is to be made the occasion of a grand holiday by the residents of Washington and her sister states, who will join in the demonstration and welcome to the fleet.

Daily reports are coming to the chamber of commerce reception and entertainment committee of social and commercial organizations that will come to Seattle for the celebration, and already the hotels are besieged with reservations for rooms, during the entertainment of the fleet.

The hospitality of the city will be taxed to its utmost to care for the big crowds that will be here, and efforts are being made by the committee to provide ample accommodations for visitors, in order that no one will be without a comfortable place to sleep.

As already announced, the chamber of commerce will establish an information bureau in Pioneer Place, where there will be available for visitors a complete list of all hotels, lodging houses and private houses with rooms for rent, together with rates and the menus and prices in effect at the different restaurants in the city.

The committee has announced that it will be well for those who wish to reserve seats on the reviewing stand, for the parade, to communicate at once with A. F. Devereaux, care the chamber of commerce, for details as to location and price of seats.

The four days' program, as decided upon, will provide ample entertainment for the public. Beginning with the reception to the fleet and the grand naval review on Saturday, May 23rd, there will be a splendid series of entertainments to include nightly band concerts and fireworks, open air receptions and music at the city parks, boat races and aquatic sports on the Sound, athletic sports, and a monster barbecue at Woodland park, a military and naval land parade in which 15,000 men will provide the greatest and most spectacular pageant ever seen in the northwest.

Brilliant receptions to the officers, balls for the officers and sailors, vaudeville entertainment at all the local theaters, and a host of other attractions that will combine to make the greatest gala event ever participated in by the people of the northwest.

The freedom of the city will be extended to all visitors, and the citizens of Seattle will keep open house in a combined effort to make the greeting to the fleet an event long to be remembered by all who come here to join in the demonstration.

Beecher & Stanley's mammoth production of "Ten Nights in a Bar Room," a grand revival of the greatest temperance drama the world has ever known.

An elaborately constructed production, proving everywhere a sensation unparalleled in the history of the drama.

Traveling in their own special palace cars, carrying a superb band of 20 people, a grand augmented orchestra of 10 people, all special scenery and a first-class acting company of ladies and gentlemen. It is evident that nothing has been left undone to make this the grandest triumph of all modern dramas. A grand free street parade at noon each day, displaying more wealth and grandeur than ever before attempted by any other show. One night.

FOR RIFLE RANGE

NATIONAL GUARD TO HAVE PERMANENT GROUND

Range of 1500 Yards Has Been Secured and Will be Improved—Sentiment Favors One Permanent Range for all Companies of the State.

The Salem Statesman says of the subject of establishing a permanent rifle range for the state at Salem:

Since the establishment of the state military rifle range across the river, there has been some agitation in national guard circles as to whether it should be kept at Salem permanently.

The state has gone to the expense of leasing some land having pits made and installing therein eight target racks. The pits were graded out in clay and the rains have in several places done considerable damage to the embankments and walls, making it not altogether safe for target tenders.

The location of the range is excellent and provides an almost perfectly level stretch of 1500 yards with the side of the hill to shoot into, thus making that part absolutely safe to those not directly interested in the target practice work.

Since the establishment of the range several expert riflemen have been developed among the militiamen of company M, which has better facilities for using the range than any other company. The ability of the guardsmen to shoot accurate and to be of great value to the national guard organization generally, has been wonderfully increased on account of the practice received at the range.

Now that the target practice season is close at hand and the range is in need of repairs, there has been some talk of removing the state range to Portland and of spending a large amount of money to put in a first class rifle range for the national guard of Oregon. On the other hand the authorities are also contemplating the purchase of the present range and of placing it in a condition of permanency.

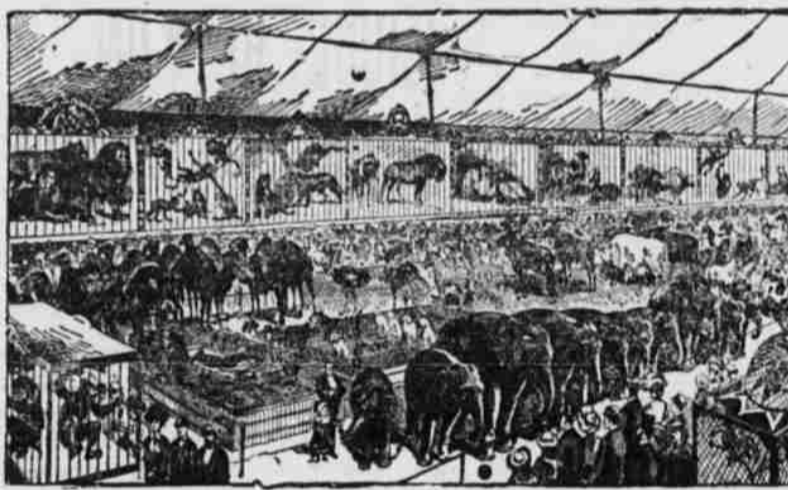

The general sentiment in guard circles favors the latter project, as Sa-

The General Demand

of the Well-Informed of the World has always been for a simple, pleasant and efficient liquid laxative remedy of known value; a laxative which physicians could sanction for family use because its component parts are known to them to be wholesome and truly beneficial in effect, acceptable to the system and gentle, yet prompt, in action.

In supplying that demand with its excellent combination of Syrup of Figs and Elixir of Senna, the California Fig Syrup Co. proceeds along ethical lines and relies on the merits of the laxative for its remarkable success.

That is one of many reasons why Syrup of Figs and Elixir of Senna is given the preference by the Well-Informed. To get its beneficial effects always buy the genuine—manufactured by the California Fig Syrup Co., only, and for sale by all leading druggists. Price fifty cents per bottle.

Mr. Herman Q. Smith, representing the Greater Norris and Rowe Circus, arrived in Pendleton last evening and during a visit to the Oregonian office, he said:

The Barnum & Bailey circus played an extended engagement in New York this spring, the Ringling Bros. in Chicago, and the Greater Norris & Rowe circus, museum, hippodrome and congress of nations exhibited in San Francisco for 29 days, playing to 279,573 paid admissions—the greatest number of people ever attending a circus in that number of days in the history of the west. By the new arrangement, but one of the big circuses will visit a certain territory any given year. The greater Norris & Rowe shows were given the entire territory west of the Rockies, and theirs will be the only big show to visit this section of the country this year. Their show has been enlarged to such an extent that it is now classed and rated as one of the three great amusement en-

terprises of the world. There are over 600 people with the show; 350 horses, and it requires 40 double length cars to transport the paraphernalia, animals and vast army of people from point to point. The entire press of San Francisco were unanimous in proclaiming this season's offerings of Norris & Rowe to be the best genuine circus performance ever given in that city. That the entire public concurred in this opinion is best evident when the number of paid admissions is taken into consideration on their engagement.

Norris & Rowe purchased all of the animals at the Chutes in San Francisco, which is said to be the greatest animal deal ever consummated by one firm in this country.

All of the acts this season are new to the west, never having been seen here before, and most of them are right from Europe direct. Their big shows will exhibit in Pendleton Thursday, May 14.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. Aged Man Ill.

Weston, May 7.—Ira Hopkins, one of the well known and aged residents of Weston, has been seriously ill for some days. He had a serious illness some weeks ago, and seems to be growing continually worse at this time. Rev. Dr. Reeves of the M. E. church, south, has consented to deliver the address of welcome to pioneers at the opening of the reunion.

If you see it in the East Oregonian it's so.
