PIELESS WEEK FOR 10,000.

Union Working Girls of Chicago Plan Self-Denial Campaign.

Chicago.—Ten thousand union working girls in Chicago are going to deny themselves luxuries all this week in order to raise a campaign fund to help other working girls organize unions and enforce union conditions. The union girls will try to deny themselves nickel shows, dances, chocolates, pie, ice cream and ice cream soda. One hundred agreed to walk to work each day and give their carfare money to the campaign fund. Another hundred agreed to donate their savings for the week. There are 125,000 women and girls

in Chicago who work in factor or shop. The 10,000 who belong to the Woman's Trade Union League are planning a campaign to unionize the remaining 115,000.

BITES HIS TONGUE OFF.

Pomona, Cal.—Roscoe Stratton, 16-year-old son of C. C. Stratton of Lordsburg, almost bit off his tongue when an automobile in which he was riding collided with another here, throwing him against the side of the machine. A local doctor sewed up the piece, which was hanging by a shred and although Roscoe will be unable to talk for some time the physician believes that the tongue will resume normal shape.

Bowels are Basis of Child Health

The careful mother, who watches closely the physical peculiarities of her children, will soon discover that the most important thing in connection with a child's constant good health is to keep the bowels regularly open. Sluggish bowels will be followed by loss of appetite, restlessness during sleep, irritability and a dozen and one similar evidences of physical disorder. At the first sign of such disorder give the child a teaspoonful of Dr. Caldwell's Syrup Pepsin at night on retiring and repeat the dose the following night if necessary—more than that will scarcely be needed. You will find that the child will recover its accustomed good spirits at once and will eat and sleep normally. This remedy is a vast improvement over salts, cathartics, laxative waters and similar things, which are altogether too powerful for a child. The homes of Mrs. E. S.

Griffin, Sandy, Utah, and Mrs. Clara McIntosh, Masoville, Colo., are always supplied with Dr. Caldwell's Syrup Pepsin, and with them, as with thousands of others, there is no substitute for this grand laxative. It is really more than a laxative, for it contains superior tonic properties which help to tone and strengthen the stomach, liver and bowels so that after a brief use of it all laxatives can be dispensed with and nature will do its own work. Anyone wishing to make a trial of this remedy before buying it in the regular way of a druggist at fifty cents or one dollar a large bottle (family size) can have a sample bottle sent to the home free of charge by simply addressing Dr. W. B. Caldwell, 405 Washington St., Monticello, Ill. Your name and address on a postal card will do.

PETITIONS MUST BE COMPLETE THIS WEEK

OVER HUNDRED MEN HAVE ANNOUNCED CANDIDACIES

No One Has As Yet Filed Declaration as Aspirant for Judge of Umatilla-Morrow Counties Judicial District.

Salem, Or., Mar. 5.—All candidates who want to have matter published in the voters' pamphlet of their party must file their completed petitions this week. Thus far only three completed petitions have been filed, those being the petitions of Waldemar Seton, William Y. Masters and John Ditchburn, all candidates for the republican nomination for circuit judge of Multnomah county, department 4. Altogether 81 republicans and 24 democrats have filed notice of their candidacy.

Candidates are much more plentiful this year than they were at the same time of the year four years ago, when about the same number of officers were to be filled. On March 1 of this year 70 republicans had filed while on the same date four years ago only 41 had filed. Still there are four offices for which no candidates have filed and many where only one aspirant is in the field. The office of presidential elector is going begging in both parties, although it is not the complete blank it was last week. One lone republican has filed. He is M. J. MacMahon of Portland.

Four Offices Without Candidate.

The four offices for which no candidates have appeared are the circuit judgeship of the Sixth judicial district, comprising Morrow and Umatilla counties; the prosecuting attorneyship of the First district, comprising Jackson and Josephine counties; the Fourteenth representative district, comprising Tillamook and Yamhill, and Twenty-fourth senatorial district, comprising Lincoln, Tillamook, Washington and Yamhill. Judge Gilbert W. Phelps, who was appointed to fill the vacancy made by the appointment of Judge Bean to the supreme bench, is serving as judge of the Sixth district and B. F. Mulkey is prosecuting attorney for the First district.

Of the 24 democrats who have filed 13 of them are candidates for delegate to the party's national convention, which will be held in Baltimore. There are 11 delegates to be elected.

The only other offices for which democrats have filed are United States senator, three candidates; congressman for Second district, one candidate; circuit judge Multnomah county, department 4, one candidate; district attorney for Baker county, one candidate; district attorney for Grant, Harney and Malheur counties one candidate; circuit judge for Baker county, three candidates.

One Republican Seeks These.

No opposition has appeared in the republican party for the following offices: Congressman First district, W. C. Hawley, Salem; prosecuting attorney for Coos, Curry and Douglas counties, George M. Brown, Roseburg; justices of supreme court, Robert Eakin, La Grande; state senator for Crook, Klamath and Lake counties, W. Lair Thompson, Lakeview; railroad commissioner, First district, Thomas R. Campbell, Cottage Grove; district attorney for Baker county, C. T. Godwin, Baker; circuit judge for Benton, Coos, Curry, Douglas, Lane and Lincoln counties, Lawrence T. Harris, Eugene; prosecuting attorney for Benton, Lane and Lincoln counties, Edward R. Bryson, Eugene; district attorney for Gilliam, Sherman and Wheeler counties, T. A. Weinke, Condon; state senator for Union and Wallowa counties, E. H. Flagg, Elgin; representative for Douglas and Jackson counties, C. E. Whistler, Medford; senator for Wasco and Hood River counties, D. J. Cooper, The Dalles; circuit judge Multnomah county, department 2, William C. Benbow, Portland; representative for Union and Wallowa counties, Arthur M. Rannels, Joseph; representative for Lincoln and Polk counties, Frank Newton, Toledo; representative for Gilliam, Sherman and Wheeler counties, W. A. Campbell, Condon; senator Gilliam, Sherman and Wheeler counties, W. H. Rogsdale, Moro; presidential elector, M. J. MacMahon, Portland.

The republican party needs one more candidate for delegate to the national convention, to be held at Chicago, before its quota will be filled. Only nine have thus far filed. They are Thomas McCusker, Portland; Henry Waldof Coe, Portland; Charles H. Fry, Beaverton; Charles H. Carey, Portland; O. C. Apkergate, Klamath Falls; Charles W. Ackerson, Portland; Thomas B. Hooker, Falls City; and Homer C. Campbell, Portland; Fred S. Bynon of Salem.

Georgia's State Chemist Praises Cottoleone

Mr. J. H. McCandless, State Chemist of Georgia, before a recent gathering, gave emphatic testimony to the high quality of Cottoleone. He said:

"The sale of this product (Cottoleone), and the proclamation that it is made from cotton oil, have done more to bring cotton seed oil truthfully and favorably before the public than anything else in recent history."

Mr. McCandless then pointed out why a pure, refined, vegetable-oil base, such as is used in Cottoleone, is the only assurance that a woman has of a clean, digestible cooking product.

CASCARETS FOR A SICK, SOUR STOMACH

Gently But Thoroughly Cleanse and Regulate Your Stomach, Liver and Bowels While You Sleep.

That awful sourness, belching of acid and foul gases; that pain in the pit of the stomach, the heartburn, nervousness, nausea, bloating after eating, feeling of fullness, dizziness and sick headache, means indigestion; a disordered stomach, which cannot be regulated until you remove the cause. It isn't your stomach's fault. Your stomach is as good as any. Try Cascarets; they cure indigestion because they immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the decomposed waste matter and poison from the intestines and bowels. Then your stomach trouble is ended forever. A Cascaret tonight will straighten you out by morning—a 10-cent box from any drug store will keep your entire family feeling good for months. Don't forget the children—their little insides need a good, gentle cleansing, too.

UNION TO PROTECT MAN IN LEAP YEAR

Greenwich, Conn.—The marrying justices of Greenwich, while admitting that the town may be a sort of Gretna Green for New York, have united to protect young and innocent man for leap year.

A few weeks ago a middle-aged woman with a young man, the latter slightly intoxicated, came here from Portchester to wed. Every justice but one refused to tie the knot on the ground that the young fellow did not know what he was about. The justices are said to have since organized into a sort of union not to marry young men to old women.

One couple came here from New York and went to Justice William Timmons. They asked if he would marry them if a license was secured. The woman was about sixty years old and the man seemed eighteen, although he said he was twenty-one.

The justice called him to one side and asked him if the woman had proposed to him. The youth said yes. Justice Timmons told him to get out of town and quit being foolish. The prospective groom took the advice.
