Rev. Charles Quinney of the Episcopal church, returned this morning from La Grande, where he attended the Eastern Oregon convocation.

MISSOURI NEGRO DYING OUT.

Death Rate Is Somewhat Greater Than Birth Rate Now.

Jefferson City, Mo.—The report of Frank B. Hiller, state registrar, and secretary of the state board of health, shows there were 8275 births in Missouri in February and 4082 deaths.

The birth rate was nineteen to the thousand population, while the death rate was only 12 a thousand.

The statistics shows that ninety more negroes died in February than were born, although the complete list of births may not have been forwarded.

This adds strength to the belief that the negroes of Missouri are decreasing steadily and that this has been going on for the last decade. William P. Evans, state superintendent of public schools in his annual report, comments on the fact that the number of negro children of school age has been decreasing in the last ten years.

Tuberculosis shows a heavier mortality among negroes than whites. Of all deaths which occurred among them 13.21 per cent were from tuberculosis, while the average for the state for this disease is but 10.69 per cent.

Kansas City reported 433 births and 376 deaths for February.

BOY SHOT IN ATTEMPT TO STEAL TWO BOTTLES OF MILK

Sixteen Year Old Lad Is Wounded in Leg as He and Companions Try to Escape.

Chicago, Ill.—Edward Swanson, 16 years old, 859 Buckingham place, was shot in the right leg while he and three companions were trying to escape from Carl H. Lyng, 3939 Evanston avenue. The wounded boy was taken to Alexian Brothers' hospital and Edward Holt, 16 years old, 803 Roscoe street, one of his companions, was arrested and locked up at the Sheffield avenue station. Two other boys escaped. Their names are known to the police, who expect their arrest soon.

Lyng said that bottles of milk have been disappearing from the front doorway of his home for more than a month, and that he decided to lay in wait for the thieves. At 5:30 o'clock he saw Swanson and Holt and two others attempt to steal two bottles of milk from the door; they fled when he surprised them.

Lyng gave chase and fired four shots in the direction of the boys, one of the bullets passing through the fleshy part of Swanson's leg. After Swanson fell to the sidewalk Lyng pursued and captured the Holt boy. Then he summoned the police.

At the station the Holt boy said that he and his companions had been selling newspapers. They admitted that they tried to take the milk, but denied that they were responsible for previous thefts of milk from Lyng's home.

Lyng was not arrested after he had made a statement to the police. He said that he fired to frighten the lads.

PUPILS HAVE TORNADO DRILL.

Wakita, Ok.—A tornado drill patterned after the fire drills in cities, has been introduced by Miss Hattie Moon, principal of the Enterprise school, near here, as a result of the recent storms in Oklahoma.

The pupils are lined up on signal, then commanded to run to the nearest tornado cave, which is a quarter of a mile away.

The children are able to cover the distance in four minutes.

CALL FOR BIDS.

For the purpose of enabling the Common Council of the City of Pendleton to select suitable pavements for the various streets in said city, sealed bids are hereby requested for the constructing and laying of such pavements, which includes all necessary excavating and filling, furnishing and laying of necessary drainage pipes, constructing all proper gutters and curbs, and the doing of all other work and furnishing of all other material necessary to be done or furnished in order to make a completely paved street—the streets to be taken as they now stand and when completed their surfaces to be on the established grades. Complete specifications are requested with each bid, and bids should be at so much per square yard. All bids must be accompanied by certified check for \$500 payable to the order of the Mayor of the City of Pendleton, to be forfeited if the bidder's proposal is selected by the council, and the bidder thereafter, when the contract for the work is regularly advertised to be let, shall present a higher bid or shall fail to present a bid. All bids must be filed with the Recorder of the City by five o'clock p. m. on May 22, 1912. The council has the right to select any pavement it pleases, and to reject any and all bids and proposals.

Dated May 11th, 1912.

W. M. MATLOCK, Mayor.

CHICAGO WIRELESS IN SCHOOLS.

Board of Education Committee Recommends Introduction of Course.

Chicago, Ill.—The buildings and grounds committee of the board of education concurred in the proposal to teach wireless telegraphy in the public schools. The recommendation of the school management committee that Principal Benjamin F. Buck of the Lake View high school be permitted to put up a wireless pole on the roof of that school was endorsed.

The instruction in this branch will be under the direction of the teacher of physics. It is expected that interest in the subject will prove so great that instructions will be offered sooner or later in every one of the public schools.

Under what department it will be classified has not yet been determined but it is expected that it will come under the commercial department.
