ALTA THEATER IS PLEASANT PLACE

The new theater, the Alta, opened Saturday night and enjoyed a good patronage. The new playhouse is a handsome structure and a credit to Pendleton.
The programs of Saturday and Sunday comprised motion pictures and illustrated songs by Mrs. C. E. Olyphant, wife of the manager. A new baby grand piano has been furnished and a pianist has been engaged to play throughout every performance.
The interior of the theater is large and airy. The ventilation is modern and the plain but artistic decorations make the inside very attractive. The chairs are comfortable and the aisles are wide. There is plenty of room also in the rear so that patrons coming in do not have to crowd in going to their seats.
The front of the new playhouse is attractive, there being plenty of room for a lobby to display posters of the pictures being shown. An electric sign above the entrance shows the name of the theater, "Alta."
The stage is fitted with plenty of scenery and is roomy so as to allow a good sized attraction to exhibit. The interior is well lighted, so that even when the pictures are being shown there is sufficient illumination so that patrons may clearly see to find their seats.
The new theater will be in full running order from now on and many good programs are promised. It bids fair to become one of Pendleton's popular amusement places.

RANCH WIPED OUT BY A CLOUDBURST

OROVILLE, Cal., Sept. 8.—A disastrous cloudburst washed away a fortune for Niel West, one of the biggest ranchers in Lassen county, in a few hours. It practically ruined a ranch valued at \$40,000, destroying the orchard and carrying away three large haystacks and all buildings except the dwelling, which was situated on a knoll.
Of a band of 75 horses, all were killed but two. Cattle, hogs and chickens were also drowned. All tools and farm implements were carried away and the wreck of one building was recovered in Constantia, 12 miles away.
West was the only man on the ranch at the time. While working around the house, he heard the roar of rushing waters, climbed on the roof to discover the cause, and there-by saved his life. A few minutes later a wall of water 24 feet high swept over the lower ground, carrying everything in its path to destruction.
Championship Meet Tomorrow.
NEW YORK, Sept. 8.—The first annual track and field championships under the auspices of the Scandinavian-American Athletic League will be held tomorrow at Ulmer Park, Brooklyn. Many of the crack athletes of the country are entered in a long list of events.

DRINKING FOUNTAINS TO SOON BE READY

Before the opening day of the Round-up, several drinking fountains will be bubbling on the principal business streets of the city, plumbers being now busily engaged in installing them. Owing to a delay in securing the fountains, the plumbers will only have time to install four before the Round-up but the others will be put in place shortly afterwards.
Those which are today being installed are being set up where they will do the most good. One will be at the corner of Webb and Main in front of the East Oregonian building, one at the corner of Main and Alta in front of the Tallman drug store, one at the corner of Main and Court in front of the Hartman Abstract Co. and one at the corner of Court and Johnson in front of the Standard Grocery.
Later two fountains will be installed at Round-up Park, one at the court house, one at the city hall, one in front of the Bowman hotel and one in front of the Alta theater.
The Civic club is responsible for the installation of the fountains, the ladies of the organization taking the initiative in the movement to secure them. Among the ladies of the city they raised enough money to pay for eight of the fountains and the other two were purchased by the city and the management of the Alta theater.
For the work of installing the fountains, the ladies are indebted to the plumbers of the city, Beddoe & Miller, D. D. Phelps and J. J. Wodesse, who contributed their services without cost.

SALEM CHERRIANS WILL SEND BAND

SALEM, Ore., Sept. 8.—A grand ball was given in the armory here Friday night in which at least 250 couples took part. It was given for the purpose of raising funds to send the band along with the "Cherrians," an organization similar to Portland's "Rosarians," to the Round-up at Pendleton next Thursday. The "Cherrians" will go in a special train and will remain until Sunday. They will stop at Hood River by special invitation and that energetic little city will meet them on a grand reception. Besides the 25 "Sherrians" there will be a big crowd from here for the Round-up. Word has been received that nearly every town along the railroad from Ashland north will send a representative delegation to the big Pendleton show.

OLD STORE BURNS DOWN AT LA GRANDE

LA GRANDE, Ore., Sept. 8.—The W. H. Bohnenkamp hardware store, one of the oldest in the city, was gutted by fire early Sunday. The stock is a total loss with a little insurance.
The store was a three-story brick structure and the fire originated in the third story.
The flames burst in a smothered explosion through the roof and burned fiercely. The explosion was not caused by gunpowder, for Mr. Bohnenkamp removed this himself after sounding the alarm.
The fire was discovered at 1 o'clock and in a little more than two minutes after the alarm was sounded the fire department was on the scene and had water playing on the flames. By hard work the firemen saved the rest of the block. The stock of the Variety store next door was considerably damaged by water. The cause of the fire is unknown. It is believed to have smoldered for some time before the flames were seen.
For Relief of Home-steaders.
WASHINGTON, Sept. 8.—The interior department today announced an amendment of its homestead regulations whereby an entryman may be permitted to reduce the area of land required to be cultivated where the land is found to be impracticable of cultivation or good only for grazing.

MAN CHARGED WITH ATTACKING WOMAN

LA GRANDE, Ore., Sept. 8.—Mrs. S. V. Keltz, wife of a bricklayer, was knocked down by a blow on the head and her life threatened, it is alleged; her son, Ernest, a young boy, was beaten, and his life threatened, and Mrs. Alfred Hanson of Island City, pushed against the wall of her home with injurious result, as the result of what is deemed to be a drunken fit by S. V. Keltz.
Keltz was taken before Judge Williams following his arrest and there pleaded guilty to two charges of plain assault and battery but pleaded not guilty to a charge of assault with a dangerous weapon.
The assaults which Keltz pleaded guilty to and for which a fine of \$57 was imposed, was committed on the Hanson property near Island City.
In a drunken fit, it seems, Keltz had gone to the Hanson home, where his wife and son were visiting, and rushing into the house, brutally attacked the women and boy.
The complaints assert that Keltz struck his wife a terrific blow on the head with his fist, knocking her down, hit her on the head and limbs and threatened her life with a butcher knife which he had in his hands. It is charged also that he struck Ernest Keltz, his son, and threatened him with the knife, while Mrs. Hanson was shoved against the wall of the building. The women fled from the house and hid themselves.
Sheriff Hug was notified and hurried to the scene and escorted the women to La Grande.
Keltz is out on \$250 bail to await action of the grand jury.

MANY ENTERTAINMENTS HELD AT STANFIELD

(Special Correspondence.)
STANFIELD, Sept. 8.—This has been a week of entertainments for Stanfield. Wednesday the Sunflower Comedy company played to full house and everybody enjoyed it, as it is the first thing of the kind that has been here.
Thursday the choir of the Presbyterian church gave its first annual concert, which was well attended by an appreciative audience. Each and every one deserves great credit, especially Mr. Smith, who had charge of the work. The solo by Mrs. Shupe was good. The male quartet rendered two excellent numbers. The trio by Misses Dunning, Hoosier and Howard was exceptionally good. Miss Esther Heath played two piano solos in her usual pleasing manner. Mrs. Curtance and Mr. Smith pleased the audience with their duet, "When We Two Were Maying." The choir sang several fine selections.
Mrs. Curtance is visiting at the home of her brother, Leo Shupe.
Mrs. George E. Coe is entertaining her mother and sister, Mrs. and Miss Miller of Boston.
Wayne and Earle Coe returned to their home in Portland Tuesday after spending their vacation with their brother George.
Miss Eager of Vancouver, Wash., is the guest of Miss Esther Heath.
Miss Anna Carlson, a former resident of Stanfield, was married in Pendleton Wednesday to Fred Cook. They will live in Pendleton.

Results of the Economy Tests

(The following tests were made under the direction of the two local newspapers):
FRANKLIN 5-passenger, 25 horse power, 28.1-4 miles on one gallon of gasoline.
APPERSON 5-passenger, 45 horse power, 22.9 miles on one gallon of gasoline.
The FRANKLIN was a model "G" touring car, carrying four passengers with a total weight of 677 pounds. Diamond Silvertown Cord Tires were used in the test.
The APPERSON touring car carried five passengers weighing 571 pounds, and the run was made on common fabric tires.
Both of these cars were stock models belonging to residents of Pendleton, and both had been run more than 4000 miles.
Our nearest competitor was a MAXWELL, claiming to make 213 miles.
Our cars will save as much on your tire bill as on gasoline. . .
