THEEVES TOOK LOOSE—MONEY FROM BOXES

CASTLEROCK, Wash., Nov. 21.—Soon after midnight Saturday two men broke into the confectionery store of P. Moore in this city and helped themselves to the loose change which was kept in some tin boxes on a shelf. The proprietor of the establishment does not know just how much money was in the boxes, but thinks there was between \$19 and \$15. Entrance was made through a partly broken window, and as soon as Mr. Moore saw the tracks on the window ledge and icebox, which stands under the window, he says he made up his mind who had turned the trick. A Colt's automatic revolver and some watches were in plain view, but nothing but money was taken.

Men Welcome Mother's Friend

A Duty that Every Man Oves to Those who Perpetuate the Race.

It is just as important that men should know of progressive methods in advance of motherhood. The suffering, pain and distress incident to child-bearing can be easily avoided by having at hand a bottle of Mother's Friend.

This is a wonderful, penetrating, external application that relieves all tension upon the muscles and enables them to expand without the painful strain upon the ligaments. Thus there is avoided all those nervous spells, the tendency to nausea or morning sickness is counteracted, and a bright, sunny, happy disposition is preserved that reflects wonderfully upon the character and temperament of the little one soon to open its eyes in bewilderment at the joy of his arrival. You can obtain a bottle of "Mother's Friend" at any drug store at \$1.00, and it will be the best dollar's worth you ever obtained. It preserves the mother's health, enables her to make a quick and complete recovery, and thus with renewed strength she will eagerly devote herself to the care and attention which mean so much to the welfare of the child. Write to the Bradfield Regulator Co., 129 Lamar Bldg., Atlanta, Ga., for their valuable and instructive book of guidance for expectant mothers. Get a bottle of Mother's Friend today.

Thirty-eight gold dredges were operated in Alaska in 1912, compared with 27 in 1911, according to the United States geological survey. In addition to these a dozen or more were in various stages of construction. It is estimated that these dredges handled between 3,200,000 and 3,600,000 cubic yards of material recovering gold to the value of about \$2,200,000.

Man and wife with small boy, wish

Are your evenings at home as happy as you can make them?

WHEN the lights are lit, the day's work is done, and those you love are gathered about the fireside for an evening of restful, peaceful communion, it is then that you can appreciate the charm and sweet inspiration of music, and realize how important a part the piano plays in making the home really and truly happy.

The enlightening influence of music in the home is acknowledged by all. It is ennobling, a strengthener of character and serves to lift the thoughts to a higher plane. In short it brings peace and happiness to weary minds.

The home without a piano cannot possibly be as attractive to its members or to your friends as it would be otherwise. You owe it to the little one of yours, to bring her up amid an atmosphere of harmony—of music.

Pianos, such famous makes as Chickering, Knabe, Sohmer, Weber, Hazelton, also cheaper ones—in fact most any price you want to pay. Organs, Player Pianos, Player Rolls, Edison Disc and Cylinder and Victor Disc Phonographs and Records.

AUDIENCE PLEASED WITH RICH MUSICAL COMPANY

The crowds which have attended each night since Sunday at the new Alta theater indicate that the stamp of approval has been placed upon the Frank Rich company which has been presenting musical shows here. That the company has made a success of its visit to Pendleton has been

amply proven. With the offering tonight the troupe will leave this city, but there are probably many playgoers who wish that they might return soon with a complete new repertoire of offerings. The comedy last evening, "The Rounders," was replete with fun and many song numbers helped to make a full two hours of pleasing entertainment. A crowded house witnessed the show and indicated their approval by frequent and unstinted applause. For the last show tonight the company has reserved its best offering—a travesty on the present situation in Mexico—and it is said to be the funniest play yet given by this company.

KELLOGG-HAINES SINGING PARTY

High-Class City Lyceum Course Attraction

MONDAY Evening, Nov. 24

The Kellogg-Haines Singing Party is one of the standard attractions in the lyceum world today. In fact, for five years past this organization has been regarded as such, and by its long season's work year after year on both the lyceum and chautauqua platform has already attained what may be termed perfection as a mixed quartet.

This organization presents a program of selections from the best known grand operas, light operas and from other musical literature.

A GLIMPSE OF THE PROGRAMS

No one evening is ever given over entirely to the presentation of one grand opera, but selections from a goodly number are given in one program. A few of the selections from which the programs are made up are: "The Bohemian Girl," "Il Trovatore," "Dolly Varden," "The Chinese Honeymoon," "Martha," "Penelope," "The Milk Maid," "The Singing Master," "Lovely Galatea," "The Songs of the Sixties."

Starts at 8 o'clock. Adults 75c; Students 35c
