Prompt Action Will Stop Your Cough

When you first catch a cold (often indicated by a sneeze or cough), break it up at once. The idea that "It does not matter" often leads to serious complications. The remedy which immediately and easily penetrates the lining of the throat is the kind demanded. Dr. King's New Discovery soothes the irritation, loosens the phlegm. You feel better at once. "It seemed to reach the very spot of my Cough" is one of many honest testimonials. 50c at your druggist. adv.

Railroad Man in Divorce Court. CENTRALIA, Wash., Dec. 1.—S. W. Hensell, a Centralia railroad man, was Saturday made defendant in a divorce suit filed in the Lewis county superior court by Josephine Hensell, who alleges cruelty. According to the woman's complaint, Hensell struck her and repeatedly accused her wrongly. The Hensells, who have a four year old daughter, were married in 1908.

WASHINGTON, Dec. 2.—President Wilson today took part in the unveiling of a tablet in the historic Octagon House, commemorating the treaty of peace between the United States and Great Britain a century ago. The treaty was signed in the Octagon House by President Madison after the burning of the White House by the British during the war of 1812.

The unveiling ceremonies were incidental to the annual convention of the American Institute of Architects, which has the Octagon House for its national home.

A Nation-Wide Service

STATE lines do not limit the service of the Bell Telephone. Every Bell Telephone, wherever located, is an open door to practically unlimited service.

Many Bell Tele-phones are on isolated farms or ranches. Each Bell Telephone, wherever located, is connected with an exchange which opens the door of communication with the whole country.

It makes no difference whether the exchange group is large or small, because through connected Bell exchanges each Bell Telephone has a radius of communication which includes every other Bell Telephone within speaking distance.
