**DID CHILD WAKE UP
 CROSS OR FEVERISH?**

LOOK, MOTHER! IF TONGUE IS
 COATED GIVE "CALIFORNIA"
 SYRUP OF FIGS.

Mother! Your child isn't naturally
 cross and peevish. See if tongue is
 coated; this is a sure sign its little
 stomach, liver and bowels need a
 cleansing at once.

When listless, pale, feverish, full
 of cold, breath bad, throat sore, does
 not eat, sleep or act naturally, has
 stomach-ache, diarrhoea, remember,
 a gentle liver and bowel cleansing
 should always be the first treatment
 given.

Nothing equals "California Syrup
 of Figs" for children's ills; give a
 teaspoonful, and in a few hours all
 the foul waste, sour bile and ferment-
 ing food which is clogged in the bow-
 els passes out of the system, and you
 have a well and playful child again.
 All children love this harmless, de-
 licious "fruit laxative," and it never
 fails to effect a good "inside" clean-
 ing. Directions for babies, children
 of all ages and grown-ups are plain-
 ly on the bottle.

Keep it handy in your home. A
 little given today saves a sick child
 tomorrow, but get the genuine. Ask
 your druggist for a 50-cent bottle of
 "California Syrup of Figs," then look
 and see that it is made by the "Calif-
 ornia Fig Syrup Company."

**FACE A SIGHT
 WITH ERUPTION
 RESINOL CURED**

Philadelphia, Pa., Dec. 5, 1913: "I
 had a small pimple on the side of my
 face, and it kept getting larger and
 larger. It had spread over one cheek,
 and as it would spread water would
 come from it and every place the wa-
 ter would touch, another sore would
 form. It itched and burned and my
 face was a sight. I used several salves
 and ointments that were recommended,
 but none helped, until I tried Resinol
 Soap and Resinol Ointment, which re-
 lieved me at once, and after using it
 about two weeks, my face was entirely
 clear. I cannot praise Resinol enough."
 (Signed) Mrs. Rose Muller, 1313 Snyder
 Ave.

Physicians have prescribed Resinol
 for nineteen years and every druggist
 sells Resinol Soap (25c.), and Resinol
 Ointment (50c. and \$1). Don't be de-
 ceived by the useless "substitutes." For
 free trial, write to Dept. K.K., Resinol,
 Baltimore, Md.

**ASSOCIATION FORMED
 AT HERMISTON AMONG
 THE DAIRY STOCKMEN**

IMPROVING LIVE STOCK ON UMA-
 TILLA PROJECT WILL BE
 OBJECT.

Officers Are Elected—Number of
 Dairy Animals on Project Has Been
 Steadily Increasing—About 25 Set-
 tlers Gather Saturday to Form the
 Organization.

(Special Correspondence.)
 HERMISTON, Jan. 25.—Hermiston
 live stock and especially dairy stock
 was given a decided boost Saturday
 when the Hermiston Jersey Breeders
 association was organized.

The association has for its object
 the improvement of dairy stock on the
 Umatilla project and is the part
 of the dairy department of the Ore-
 gon Agricultural College which has
 labored to induce the settlers to enter
 into dairying. It is not conceded by
 all well informed residents, that it is
 through the raising of alfalfa and
 live stock on these arid lands that
 will eventually come their reclamation.

About two years ago a creamery was
 established and the growth of its busi-
 ness has been more than satisfactory
 to its owners. The number of dairy
 animals on the project has been gradu-
 ally increasing but the increase has
 been in a rather hit and miss man-
 ner. Owners are now aware that it
 is through breeding better stock and
 not through purchase that the dairy
 stock of the project can be appreci-
 ably improved and to this end was
 formed the Hermiston Jersey Breed-
 ers' association.

About 25 settlers of the project met
 in the council chamber for the pur-
 pose of forming the association. Mr.
 F. W. Kehrl the federal dairy expert
 read and explained the constitution
 and by-laws of the proposed organiza-
 tion and the election of officers re-
 sulted in the election of Geo. Cressy,
 president; W. T. Sellers, vice presi-
 dent; C. M. Jackson, secretary-treas-
 urer and F. P. Phipps and W. H. Starr
 as directors, who with the president
 and secretary-treasurer will constitute
 the board of directors.

After the meeting adjourned it
 was found that sufficient stock was
 subscribed to make a substantial be-
 ginning of business and it was decid-
 ed to purchase immediately two of
 the best bred bulls in Oregon. These
 two animals are to come from what is
 acknowledged to be the best produc-
 ing herd of Blooded Jersey stock, not
 only of Oregon, but of the whole
 country, that of Ed Carey of Carleton
 Ore. Preliminary negotiations with
 Mr. Carey have placed these two ani-
 mals at the disposal of the association
 and Mr. Kehrl, the dairy expert was
 authorized to complete the purchase
 of them. So much interest is aroused
 as to warrant the belief that it will
 only be a short time until further pur-
 chases will be made necessary by in-
 creased stock subscriptions caused by
 the demand for better dairy animals

 About five years ago he went back

 returned with a bride. They have
 made their home here since. Mr.

 expects to go into the mercantile busi-
 ness at Des Moines, Iowa, to which
 place he shipped a carload of horses
 yesterday.

After reaching Des Moines they ex-
 pect to visit with friends there as
 well as in Washington, D. C., New

 Fish made many friends while here
 who were loath to see them depart.

C. P. Bowman and wife left last
 Saturday morning for Olaneta, Penn.,
 where they were called by the illness
 of Mr. Bowman's mother. Mr. Bow-

**BUDGET CUT DOWN
 BY JOINT COMMITTEES**

SALEM, Ore., Jan. 25.—The senate
 and house ways and means commit-
 tee pruned \$9875.38 out of the budget
 for the Oregon state school for the
 blind, and \$11,145 out of the budget
 for the state institution for feeble
 minded.

In the budget for the school for the
 blind, the amount asked for salar-
 ies, \$18,000, was pruned to \$14,000.
 This is the first cut the committees
 have made in the salary appropriat-
 ions. It is explained that the school
 was preparing to employ additional
 help, and the committees thought this
 was unnecessary.

While the action of the committees
 in going over these budgets is sub-
 ject to review, it is explained, it is
 generally considered that but few ad-
 ditional changes will be made when
 the committees make their final re-
 port.

How Lydia E. Pinkham's Veg-

 Her Safely Through
 Change of Life.

Cedar Rapids, Iowa.—"At the Change
 of Life the doctor said I would have to
 give up my work and
