Three Boys With Best Gardens Will Be Given Prizes; Information in Regard to Care of Plots Will Also Be Made.

The Pendleton gardens will be inspected on Tuesday, July 10 and owners advised as to best method of procedure for the rest of the summer. The three boys with the best gardens will be given prizes.

The hot dry weather is causing considerable alarm among some of the amateur gardeners and frequent requests come in for assistance. The garden committee of Pendleton, consisting of J. V. Tallman, R. In order to encourage the boys who have gardens this year, prizes will be given to the best three gardens that have been cared for by boys under the age of 18. About 20 boys have reported already and any others who have gardens and wish to enter the contest should notify Mr. Montell in care of Supt. I. E. Young. The inspection will be made between 4:30 and 6 p. m. and all who wish information in regard to the care of their gardens should be at their lots to confer with the committee.
