ARMY AND NAVY REST

UNTIL GAME OF NOV. 27

NEW YORK, Nov. 17.—Neither the army nor the navy football team will play again until they meet at the Polo Grounds here Nov. 27.

This was decided today when West Point, because of "unforeseen circumstances" canceled its contest next Saturday against Colby. George Washington University already had canceled its game with Annapolis.

ALPHA SIGMA PHI LEADS O. A. C. CROSS COUNTRY

OREGON AGRICULTURAL COLLEGE, Corvallis, Nov. 17.—Intramural cross country run which has been occupying the attention of the organization for the last month will end next week, according to Ralph Cole, manager, director, Alpha Sigma Phi, leading national league, has annexed 625 points for the first four weeks, having a comfortable percentage over Phi Epsilon, their nearest competitor, with 451. The Lambdas, Chi Alpha are third with 291 points.

D. P. Cassaday of Detroit, Cleotte's attorney, conferred with state attorneys over the pitcher's confession and possible testimony. At this conference, according to state officials, Mr. Cassaday promised that Cleotte would tell the court the same story he told the jury. As a result, it was arranged for him to furnish bonds without personally appearing. While other indicted players who have voluntarily surrendered have been required to furnish \$10,000 bonds, Cleotte's bail was fixed at \$5,000 on the plea of Mr. Cassaday that it would work a financial hardship on the White Sox players to force him to put up more than that amount. Mr. Cassaday deposited \$5,000 in liberty bonds as bail.

The ball players and gamblers indicted by the jury probably will be brought to trial in January, it was said.

SEARCH YIELDS NO TRACE
LANGDON, N. H., Nov. 17.—(A. P.)—When darkness stopped their operations tonight, county officials who had spent the day in excavating another well had found no trace of the body of Mrs. Blanche W. Whitney. Two sons of Mrs. Whitney's husband, Min. B. Whitney, who today began a sentence for forgery, are said to have told the authorities their father threw the body of their stepmother into a well.

Pruning may be started as soon as the leaves have fallen in western Oregon. The trees are dormant at this time and may be safely pruned. In eastern Oregon the pruning may not be done safely until late winter or early spring on account of the cold.

Horticultural, O. A. C.

Nursery stock should be carefully examined for disease before planting. Especial care should be taken to see that no borers have entered the roots or stems of the plant. Many new and serious pests have been introduced through lack of inspection of the nursery stock by buyers.—Entomology, O. A. C.
