Opens Portland Office

Dr. T. M. Henderson, former Pendleton physician has opened an office in the Seiling building in Portland and will specialize in diseases of the nose, throat and ear only.

This Is "Humane Week"

This week in "Humane Week," set aside by the national Humane Society and local teachers are calling the at-

ention of school pupils to the need for kindness to animals. Next Sunday, April 17, is "Humane Sunday."

Boy Convalescing.

Walter Adams, 12 year old boy who was injured Monday when run over by a truck, is convalescing at St. Anthony's hospital. The boy, who was riding a bicycle, had been "trailing" a truck. In some way he fell from the bicycle and was hit by the machine.

Miss Crissman to Visit.

Miss Helen Crissman, field secretary of the W. W. G., will be in Pendleton Friday evening and will speak in the Baptist church at 2:15 p. m. All Pendleton women are eligible to attend the meeting and Miss Crissman is especially anxious to meet the young women.

Meeting Is Postponed.

The open meeting of the Central Labor Council, announced by the East Oregonian for tonight, has been postponed until tomorrow night as some of the speakers will be unable to arrive here today. Speakers tomorrow night will be Otto Hartwig, president of the State Federation of Labor, and

C. M. Hynerman, editor of the State Labor Press.

Miss Ross in Hospital.

Miss Rose Ross was injured several days ago when she ran a needle into her right wrist. The injury proved so severe that an operation was performed this morning with the result it was discovered a portion of the needle had broken off in the wrist. Miss Ross is at St. Anthony's hospital.

Orders Are Received.

Advance orders for "Let'er Buck," Round-Up book which Colonel Charles Wellington Furlong is writing, are already coming in to Prazier's book store, where the book will be placed on sale. It will be in the hands of the publishers May 15.

Award City Printing.

Contracts for the city legal printing and job work were let last night by the city council when bids that had been submitted were given consideration. The job work contract was given to H. W. Ireland, and the printing of the city legal notices was awarded to The Tribune.

Get Money and Watch.

A thief or thieves entered the home of J. W. Evans on Franklin street Wednesday afternoon during the absence of the members of the family and secured money and jewelry of considerable value. A lady's wrist watch with Elgin movements was secured, and between forty and fifty dollars in cash has been missed. The police are working on the case which bears the ear marks of being done by local talent.

Bond Gets Approval.

The bond of the Warren Construction Co., for the improvement of Lincoln street, which was submitted last night to the city council was accepted and approved. The street committee reported that a petition presented by property owners a week ago relative to conditions in the Penland Brook barn was given consideration and an investigation made which resulted in the committee finding that no change was necessary. The report was accepted. Councilman Willard Bond said that no report would be made by the police committee as yet.

Work on Building Begins.

Preliminary work in the construction of the new \$200,000 addition to St. Anthony's hospital has begun, says P. A. Baillargeon, builder of Seattle, who has been awarded the contract and who is in the city today. As builder, Mr. Baillargeon is making the plans for the addition and states that the hospital besides accommodating 82 patients, will be so constructed as to provide quarters for double that number should an emergency arise. The building will be four stories high. Mr. Baillargeon was the builder of the boy's dormitory, a recent addition to St. Joseph's Academy.

Contestants to be Chosen

Contestants who will compete as representatives of the district of Pendleton and vicinity in the county oratorical and declamatory contest here May 7 will be chosen tomorrow and Saturday at the Pendleton high school. The Pendleton high school is the only high school in the district and the two representatives from the school will be chosen tomorrow morning from among the members of the public speaking and dramatic classes. Saturday evening, two pupils from each of the grade schools will compete, each pupil being from the first or second division. The first division consists of the third, fourth and fifth grades and the second of the sixth, seventh and eighth grades. Lincoln school will enter Robert Bishop and Fred Bennion in the sectional contest. Hawthorne and Washington schools have not yet chosen their representatives.

P. T. A. to Meet

A feature of the meeting of the Parent Teacher Association of the Washington school tomorrow afternoon at the school building will be the preliminary contest to determine the two pupils who will represent the school in the sectional contest to be held at the high school Saturday night. The sectional contest will determine the representatives from this district who will compete in the county contest here May 7. At the P. T. A. meeting, Mary Scafer, third grade; Thelma Morris, fourth grade; Hope Newcomb, fifth grade; Lucile Beck, sixth grade; Charles Newton, seventh grade and Carl Rinehart, eighth grade, will compete and two will be chosen to represent Washington school in the sectional contest. Besides the recitations tomorrow, there will be musical numbers by the third grade, the seventh grade boys, a piano solo by Charles Endicott and music by Miss Clara Grigg.

Will Buy Deluge Set.

The city will purchase a deluge set for use with the new fire engine, according to a decision made last night after it became known that the fire

chief considered the equipment highly desirable. Bids will be advertised in the regular manner. Some discussion resulted when the suggestion was made that the set already here from Portland be purchased, but the council decided to secure bids.

Total Eclipse April 22.

A total eclipse of the moon will be visible throughout North America April 22. The eclipse begins at 1 a. m. eastern time, reaches totality at 2:24 and ends at 2:26 a. m.

Pictures by Moorhouse.

Several pictures taken by Major Lee Moorhouse are used in illustrating "Fifty Years of Make Believe," by Frederick Ward. The author sent Major Moorhouse a copy of the book which he received today.

Cars Collide.

The bumper on a light car was jammed and the fender of one of the Pendland Brothers' trucks was bent this morning when the two machines collided on the corner of Garden and Webb streets. The driver of the four-ton car is unknown. Two cars collided this morning near the Hotel St. George but neither was damaged.

Consider Renaming Streets.

Committees representing the city council, the Commercial Association and the Rotary club will meet this evening at the city hall to discuss the matter of changing the present system of city street names and numbers. Tentative changes have already been discussed, and tonight's meeting is expected to result in a careful consideration of the various changes.

Fruit Market Promising.

Market conditions for Umatilla county cherries look very favorable to Fred Bennion, county agriculture agent who while in Chicago attended the big grain convention and learned that half the cherry crop in southern Ohio, Illinois, Indiana and parts of Missouri and Arkansas were destroyed by a cold snap. All apricots and half the peaches were destroyed also but the apple crop was untouched. In the northern region of the state, the crops were not far enough advanced to be damaged. Utah, Mr. Bennion states, recently experienced the heaviest snow of the winter, which seriously damaged the peach crop prospects. At the same time the grain meeting was held in Chicago, a fruit meeting was held and a "Committee of Twenty-one" appointed to take up the matter of fruit marketing and the question of uniform grading.

Wages Committee for Scotland.

An authority on that subject. He declared in an address he delivered the other day on "The World's Wheat" that the world's supply for the current cereal year is more than equal to the demand, and he predicted that on August 1 next there would be a surplus of exportable wheat left in the exporting countries. But, he said, this surplus, outside of Russia and India, would not be large and if the world's future weather proved unfavorable, the fall in the world's price of wheat might be checked and the price might even rise again.

For the world as a whole, he said, there is no more reason to fear a future permanent dearth of wheat than that the world will be starved of food generally. He predicted that some time within the next 20 years the world's price of wheat, measured in gold, will return to a level not far from the pre-war average.

INGROWN TOE NAIL TURNS OUT ITSELF

A noted authority says that a few drops of "Outgro" upon the skin surrounding the ingrowing nail reduces inflammation and pain, and so toughens the tender, sensitive skin underneath the toe nail, that it can not penetrate the flesh, and the nail turns naturally outward almost overnight.

"Outgro" is a harmless, antiseptic manufactured for chiropodists. However, anyone can get from the drug store a tiny bottle containing directions.
