

Senator Hansell

Will You Vote Like a Conservative *This Time??*

Hansell voted to give *special* drivers licenses to illegals... *even though 4 out of 5 voters in his district overwhelmingly said NO!*

Hansell voted *with* Portland Democrats for that blunder of all blunders... **Oregon's Obamacare!**

Hansell also voted *with* Democrats for the boondoggle light rail bridge in Portland that would have robbed Eastern Oregon of future road money.

Sadly, Hansell voted *with* liberal Democrats to provide a pathway to early release for... **sexual criminals!**

“And this was all in his very first legislative session.

We've been keeping an eye on Senator Bill Hansell. I gotta' tell you... if you're a conservative you can *only conclude* that Senator Hansell has one of the worst Republican voting records in the state senate.

And in just a few days he will be casting more legislative votes.”

Oregon House of Representatives

Wonder what surprises Senator Hansell has for us *this time?*
