Uelses vaults 15-4 but needs more shortcake

NEW YORK (UPI)—Pole vaulter John Uelses, admittedly lucky to win his latest title at 15 feet, 4 inches, thinks he'll soon be back in 16-foot form "if I can just get enough strawberry shortcake."

That's what the German-born Marine corporal has been gorging on in an effort to build back the weight he lost when influenza felled him three weeks ago at a time when his 15-foot vaults were routine.

"I lost nine pounds after the flu hit and so far have gained back only three despite all the strawberry shortcake," he said. "I still felt real weak last night. I didn't expect any better than 15 feet."

But Uelses, weak or not, catapulted over 15-4 on his trusty fiberglass pole and barely pulled out a victory over three others who made the same height—Ronaldo Cruz of Villanova, AAU champ Henry Wadsworth of the U.S. Army and John Belitta of Maryland—in the 43rd annual Knights of Columbus championship at Madison Square Garden.

Has Fewer Misses

Uelses had fewer misses than any of his rivals on the way up and was declared the winner. But when he tried 15-8, he obviously was off the form that carried him first to 16 feet, one-quarter inch at the Garden on Feb. 2 and 16 1/4 a week later at Boston.

In the last Garden meet for all-comers—the winter season closes with next Saturday night's ICAA championships for collegians only—George Kerr of Jamaica, John Thomas of Boston U., Bruce Kidd of Toronto, Frank Budd of Villanova, Hayes Jones of Detroit, Gary Gubner of New York U., and Tom O'Hara of Loyola of Chicago won the top events.

Kerr, world record holder for 600 yards, retained his K of C title by upsetting Canadian sensation Bill Crothers, who stumbled while running in the lead with a lap to go.

"I didn't touch him," Kerr said—and that later was confirmed by Crothers' coach, Fred Poote, who said it was Don Webster of Villanova who had stepped on the Toronto U. star's foot, nearly causing him to fall. Crothers finished second, Webster third.

Thomas Leaps 6-10

Thomas leaped 6-10 for the high jump title and Gubner cracked the old meet record five times while winning the shot put at 63 feet, well off his pending world indoor mark of 64-11.

Kidd, 18-year-old Toronto U. freshman, romped home in an 8:58.8 two-mile, victor by half a lap over Ireland's Tom O'Riordan who had beaten him earlier at Boston.

Budd won his 15th straight indoor sprint in the K of C 60 yard dash and Jones ran up his indoor streak to 29 in a row by winning the 60-yard hurdles for the fifth straight year.

O'Hara, a red-haired youngster who hopes to break the four-minute mile barrier outdoors next summer, won the mile in 4:05.6, leading from the start with Bob Vinton of Baltimore second and Larry Rawson of Boston College third.

AGREES TO BOUT

MILAN, Italy (UPI)—World junior welterweight champion Dullio Loi of Italy has agreed to meet Billy Collins of Detroit in a non-title 10-round bout at Milan's Palazzetto Lido on March 27.

Californians knot leading WHL teams

Western Hockey League Roundup

By United Press International

The San Francisco Seals and Los Angeles Blades failed to move one way or the other in their contest for a Western Hockey League playoff berth Friday night, but at least they aggravated the league leaders.

The Seals battled Southern Division-leading Portland to a 2-2 overtime standoff at the Cow Palace in San Francisco, while the Blades and Edmonton, the Western Division leader, deadlocked 6-6 at Edmonton.

Seattle rallied for four goals in the third period to knock off Vancouver, 5-3, in the third WHL game of the night.

The Seals and Blades thus remained four points apart, with the Blades in third place in the Southern Division and the Seals fourth with about a dozen games remaining. The first three teams in each division qualify for the playoffs.

Gordon Fashoway rapped in the tying goal for Portland in the Seals-Buckaroos clash midway in the third period. Fashoway scored what would have been the winning goal a short time later but referee Scotty Morrison ruled he had blown the whistle for a face-off before the score.

Los Angeles came from behind to score four goals late in the third period to gain a tie with the Flyers. Edmonton's near-certain victory evaporated with about five seconds of regulation time remaining when the Blades' Danny Belisle produced the tying goal.

Edmonton's Lloyd Haddon tied a league record for the most goals scored by a defenseman during the season when he tallied his 21st of the year.

Seattle trailed Vancouver 2-1 going into the frantic last period at Vancouver. They scored four times before the Canucks retaliated. Bill MacFarland and Jerry Leonard both got two goals for the winners.

Tonight's card finds Seattle at Spokane, Los Angeles at Calgary and Portland at San Francisco.

THE REV. JAMES SUNDA

Talks planned by missionary

The Rev. James Sunda, missionary to New Guinea, will speak at all services Sunday, March 4, at the Bend Alliance Church, 520 Lava Road.

At the 7:30 p.m. worship services, he will show color slides of his work in the mission field. The other services are Sunday School at 9:45 a.m., morning worship at 11 o'clock and youth services at 6:15 p.m.

He went to New Guinea in January, 1957, returning in July, 1961. He was stationed in the area known as Shangra-La, in the Ballei Valley. In 1960, some 8000 natives burned their charms and fetishes, and 636 of these persons were baptized before the Sundas came home on furlough.

They will return to the mission field in July this year.

BUSINESS BRIEFS

3rd award won by Barackman

A member of the Eastern Oregon Mills, Inc., staff in Bend, Morrie Barackman has been named winner for the third consecutive year of a first award, in recognition of "outstanding sales accomplishments" in the distribution of Wade Rain sprinkler irrigation equipment.

Barackman received an engraved certificate at the 14th annual dealer meeting held recently in Portland. Wade Newbegin, president of R. M. Wade & Co., presented the award at a banquet in Portland following a full day dealer meeting.

As a surprise part of the award, Newbegin presented Barackman and his wife with an all expense paid trip to the Century 21 Fair in Seattle this summer.

The meeting was attended by dealers from all parts of Oregon. In making the presentation, Newbegin praised Barackman for his continued contributions toward improvement of agriculture practices in the area which his dealership serves, and especially for the achievement of winning the award for three consecutive years.

New convenience

Two major changes designed to make Penney charge accounts more convenient for Mrs. Modern Shopper and, of course, other members of the family, will go into effect on Monday, March 5.

Monthly payments on charge accounts of customers who wish to spread payments over a period of time will be reduced to one-tenth of the balance of the account. Minimum payments currently vary from one-fourth to one-sixth of the total balance.

In addition, payments for major home purchases made on a Penney time payment account will be extended to a maximum of 24 months compared with the present 18 months. Penney's credit plan makes available to customers the most convenient types

Charges filed against Tuesday

LOS ANGELES (UPI)—A \$10,000 suit against Tuesday Weld was filed Friday by television director Ted Post who claims he was bitten by a dog belonging to the teen-age actress.

In the suit, Post said that the 17-year-old Miss Weld's dog bit him on the right thigh while he was directing her in a television segment last fall.

The complaint said Post suffered "nervous anxiety and mental anguish."

The attorney for the television director described the dog as a "big, white German shepherd."
