

SALEM CATHOLICS TO OBSERVE HIGH SERVICE ON FRIDAY

One of the most impressive services of the Catholic church will be observed this week, when the forty hours adoration will take place, commencing with a solemn high mass on Friday morning at 7 o'clock. The high altar is beautifully prepared and for three days the most blessed sacrament will be allowed to remain in the view of the worshippers.

Christian people generally, whether Catholic or non-Catholic, are invited to come to the church for an hour's quiet prayer. They are also welcomed to any of the services which will be as follows:

Friday—Solemn high mass at 7 o'clock, communion distributed. Low mass and communion again at 8 o'clock. Benediction and sermon at 7:30 p. m.

Saturday—All Saints' day, a day of obligation for the faithful, high mass and communion at 7 o'clock. Low mass and communion and sermon at 9 o'clock. Sermon and benediction at 7:30 p. m.

Sunday masses as usual, 7:30 and 10:30, with sermon and communion. On Sunday evening at 7:30 the forty hours adoration will close. The order will be sermon, procession and benediction.

ARREST OF MEN AND WOMEN SOLVES BIG BOMB PLOT, BELIEF

Cleveland, Ohio, Oct. 29.—In arresting five men and a woman and finding a quantity of explosives here, Cleveland police today believed a big step had been taken in clearing up the mystery of the nation-wide bombings of last May and June.

The arrests were made in four simultaneous raids in different parts of the city. According to Chief of Police Smith, the signal for action came in a tip from Chicago police. Smith said he believed the six were members of one of the most dangerous bands of anarchists in the country.

The identity of only two of the prisoners was made known. Theodore Lauer, 35, formerly a shipyard worker in Cleveland, was charged with having explosives and weapons in his possession without a permit. Steve Blatnik, 49, a machinist, is under a similar charge. Chicago police informed Smith that an attempt was to be made to blow up the police station here. His own men, he said, had been tracking the prisoners ever since the home of Mayor Davis of Cleveland was blown up on June 2. None was injured.

CONCERT REMEMBERED

The music lovers of Salem who availed themselves of the invitation to attend the concert by Miss Iba Gardner and Harold Lyman at the Grand Monday even will never forget the experience. From the moment when Miss Gardner led the audience in singing the "Star Spangled Banner" her listeners were sure of the treat in store for them. But when Mr. Lyman announced that she would sing the next number in unison with a re-creation of her own voice on the New Edison which stood upon the platform, the audience was skeptical. When the first notes of the song came to their ears they were waiting breathlessly. And they continued breathless throughout the evening. At first Miss Gardner's voice and the voice from the mahogany cabinet beside her came indistinguishably blended—the two voices so completely one that no ear could detect their duality. Suddenly Miss Gardner's lips ceased to move, though her voice went gloriously on! She sang again, and again stopped. Only by watching her lips could one tell whether her voice came from her throat or from the magic box at her side.

Be Young for Your Years

You were taught at school that your body undergoes a complete change of structure every seven years.

This tearing down and building up process of body tissue continues without a moment's pause throughout life.

And when a man gets into a physical condition that the tissues keep breaking down and wasting away faster than Nature can replace them, right then he begins to grow "old".

This doesn't necessarily mean, however, that he has reached an advanced age. Thousands upon thousands of people begin to break down, their vital organs giving evidence of fast approaching decay, long before they reach middle age simply because they fail to give Nature, at the proper time, the needed help to rebuild.

If you are beginning to show the slightest sign of a physical "let-down"—if you are losing your old time "pep," vim and vigor—if high tension energy and nervous strain are beginning to tell on you—it's a sure sign that you are growing "old"—too old for your years. You've reached that stage where your vital forces need rebuilding. Don't make the serious mistake

The Great General Tonic

LYKO enriches the blood, thereby helping Nature replace worn-out tissues, and tends to tone up the system generally by keeping the liver, kidneys and bowels clean, healthy and active. It creates a hearty appetite, assists digestion, promotes your capacity for real living and helps to keep you young in feeling, vigor and action.

If your system requires a tonic, take LYKO. It will give you just the help you need. Get a bottle from your druggist today.
