LICENSE NUMBERS TO BE DISTRIBUTED IN ORDER THIS YEAR

No reservation of special automobile license numbers will be made by the secretary of state's office under any condition, applicants are informed in letters being sent out today with forms on which to make application for the 1920 motor vehicle licenses. This custom which was followed for a time after the institution of the automobile registration department has been found to be impractical with the rapid growth of the department and has been abandoned. Now all applications received up to November 10 are regarded as having equal priority rights and numbers assigned by drawings in order to expedite the handling of the business of the department owners of motor vehicles are urged by Sam A. Kuzer, deputy secretary of state, to make their applications as early as is possible.

A total of \$4,441 pieces of mail, entailing an expense of \$249.41 in postage alone, was sent out today by the secretary of state's office to owners of automobiles and motorcycles and registered chauffeurs in Oregon. This is in accordance with the policy of the department which requires that the necessary blanks for use in making application for licenses and the payment of the prescribed fees shall be mailed out two months in advance of the date on which the same become effective. Today's grist of mail is a very material increase over that of a year ago when the mail totaled 63,008 pieces, indicating a great increase in the demands upon the time of the department proportionate to the increase in the motor-vehicle family of Oregon. These figures, however, have no relation to the number of vehicles to be licensed during the coming year as some of the parcels contained as many as 100 or more application blanks sent to large firms employing that many cars in their business while many of the letters contain more than one blank.

Formal Transfer Of Stayton Woolen Mill Now Complete

(Capital Journal Special Service.) Stayton, Or., Nov. 2.—The formal transfer of the Wilbur woolen mills took place Friday. The new corporation will be known as the Santiam Woolen Mills company. Mr. Wilbur will remain as superintendent. The new company already has a carload of new machinery on the way, and is advertising for help. They want at present about 25 girls and women to learn weaving, and will increase the force as fast as machinery is available. It is expected that within a few months the company will have a payroll of \$7000 per month.

Only 25 to 40 per cent of required rolling stock is being supplied to lumber mills of Baker county.

Rosedale Items.

Rosedale, Nov. 3.—Mrs. Wm. Cunniff gave an address at the church Sunday evening, telling of their work as medical missionaries in Africa. She also showed many interesting curios from there. Lillian Bloom had the misfortune to break her leg again Thursday evening. LeRoy Frazier visited his sister, Miss Florence Frazier last Friday. Mrs. Hampton visited a sister in Newberg recently. Quite a delegation from here attended the meeting being held by Joseph H. Smith, Wednesday evening. Miss Anderson spent the week end at her home in Ankeny bottom.

COP SHOTS BROTHER'S OFFICER AT SEATTLE

Seattle, Wash., Nov. 3.—Despite a frantic appeal by his victim not to shoot, Charles A. Roselius, a West Seattle motorcycle policeman, shot and killed Sergeant Guy L. Carleton early Sunday evening on Whatcom avenue when Carleton was found riding with Mrs. Roselius in an automobile. Both Roselius and his wife are being held in the city jail today. The shooting occurred when Roselius, following Carleton's car in a fit of rage, drew up alongside. Roselius fired three shots into Sergeant Carleton's car. Both cars stopped and Carleton got out and started walking toward the angry husband. Roselius stood waiting with a drawn gun. "Don't shoot, I'm a brother officer," Carleton is said to have remarked. Roselius said nothing, but fired two more shots while Carleton was within five feet of him. Carleton crumpled on the second shot through the heart.

Oregon-O. A. C. Teams Will Stage Cross Country Race

Oregon Agricultural College, Corvallis, Nov. 2.—A cross country race with University of Oregon has been arranged for November 15 at Eugene. This event will be run off immediately before the big game. A three mile course may be used but the final details have not been completed. The teams will be composed of six men each. Freshmen will be eligible for the team. This will give the first year men an opportunity to represent O. A. C.

Farmers in the Lacrosse section of Umatilla county sold to millers last week 5000 sacks of hard wheat at \$2.45 a bushel.

OREGON UNIVERSITY SHOWS RAPID GROWTH

University of Oregon, Eugene, Or., Nov. 3.—Late reports of registration in several of the large universities of the country, as reported from the University of California on the basis of returns received from the various institutions, indicate generally heavy increases since the last normal year, 1916-17. Figures obtained from the records in the office of the registrar of the University of Oregon show that this university, on the basis of early registration this year, has increased at a greater rate than any of half a dozen of the large institutions of the country.

The enrollment in the University of Oregon in the 1916-17 term was 1036 for the academic departments on the campus at Eugene. The enrollment in the first month of the 1919-20 year is 1542. This gain of 506 represents a percentage of growth of 48.8. In the corresponding period the gain reported from the University of California was 29.4 per cent; University of Washington 46.5; University of Minnesota, 38.3; University of Michigan, 35 per cent; University of Illinois, 36.2 per cent; University of Wisconsin, 39.8.

Balance Of \$2,006,552 In State Highway Fund Now

Receipts of the state highway fund from March 1 to October 20 totalled \$6,722,975.19, and disbursements during the same period were \$4,735,622.91, according to a statement prepared by the state highway department. The heaviest month in receipts was September 21 to October 20, when \$2,025,105.00 came in and the lightest month was April 21 to May 20, when \$80,017.71 was received. In disbursements the period from August 21 to September 20 had the largest expenditures the amount being \$1,286,538.72; and the month having the least disbursements was March 21 to April 20 when \$166,477.41 was expended. Balance on hand is \$2,006,552.28.

CONCRETE POLES FOR WIRES

Reinforced concrete poles are used for a twenty two thousand volt power line six miles long at Brentwood, Cal., supplying a load of about two thousand eight hundred horse power. The poles are tapered beams, reinforced symmetrically on two sides, and are forty one feet long, seventeen inches square at the base, and eight inches square at the top. The spans vary from two hundred and fifty to three hundred and ninety feet.

CAFES SERVE PRIVATE BOOZE

San Francisco, Oct. 31.—The Cafe Owners association today advertised extensively in the local papers that patrons of cafes and hotels, under the law, are allowed to bring wines and liquors from their own homes and have them served in the restaurants to themselves and friends.
