

### OLCOTT'S REMOVAL OF NELSON LEGAL DECLARES BROWN

Governor Olcott was fully authorized by Oregon statutes to remove Thomas Nelson from the state board of pilot commissioners on September 12 despite Nelson's protests to the removal, according to an opinion rendered today by Attorney General Brown. Nelson was removed by the governor following complaint by the Astoria post of the American Legion that Nelson was employing a man named Huttala, an alien, and had refused to discharge him. Nelson refused to acknowledge the removal claiming the governor had no legal right to put him out of office under the conditions. Nelson alleged that under the provisions of the law he could not be removed except for incompetency and that the charge must be made in writing.

The attorney general holds that the appointment of Nelson was not for a specific length of time and that in removing him the governor simply ended his term. Mr. Brown, in his opinion, says: "It is my opinion that the provisions of chapter 34 of the act of 1915, which was enacted for the well known purpose of limiting the terms of appointive positions in Oregon, and granting unto the governor the power and right to remove a pilot commissioner appointed under the statutes hereinbefore referred to."

Captain Frank M. Sweet was appointed to succeed Nelson. Captain Sweet was port commissioner of the port of Astoria before his appointment.

### SHIYYARD STRIKERS RETURNING TO WORK

San Francisco, Nov. 11.—Striking shipyard workers are registering to return to work. At the Union Iron Works a United Press representative saw an average of about one man per minute being registered at noon Thursday.

An average of 200 men had signed at each of the six big yards by noon today, according to a statement of the California Metal Trades Association. Over 500 workers had registered at one yard, the statement said.

Small groups of workers were gathered outside the various plants this morning.

Opinion generally expressed among them is that each day will see increasingly large numbers of the strikers accepting the Macy wage scale offered by the employers. The proposed scale is the same that was in effect before the strike was called on October 1.

### Seek Radical Reds In Ohio Coal Fields

Cleveland, Ohio, Nov. 14.—Agents of the department of justice were in the eastern Ohio coal fields today in search of radical agitators reported inciting miners to open rebellion against the government.

Several meetings of miners have been attended by agitators, according to reports to union officials. While the radicals did not address the meetings openly, they circulated among the miners and advocated revolution.

No official order rescinding the strike call has been received, it was said.

### Dr. Carter's K. & B. Tea Makes Fine Laxative Syrup

Make It at Home and Save About \$1.50—Children Love to Take It

Get from any drug store a package of Dr. Carter's K and B Tea. Put contents in a bowl. Add a level teaspoonful of sugar. Mix and pour over this 3 teaspoonfuls of boiling water. Cover and allow to stand for at least two hours. Strain and flavor either with essence of peppermint or wintergreen, according to taste.

Dose for adults, 1 tablespoonful each night or night and morning until a regular movement of the bowels is effected. For children, 1 teaspoonful or less according to age.

For a real tonic or blood purifier, 1 teaspoonful every night or every other night for at least three weeks.

Cut this recipe out and paste it on the bottle. (Adv)

### Resinol for that ugly skin trouble

Don't let that itching spot of eczema or similar skin trouble continue to annoy you. It is not only embarrassing—it will eventually affect your nerves. Resinol Ointment will usually relieve the burning and itching at once, and in most cases clear the trouble away in a short time. It is cooling and healing, and its gentle ingredients soothe while they heal.

RESINOL SHAVING STICK contains these same qualities, making it ideal for men with tender skins. At all druggists.

After Twenty Years Suffering Owens Ends Trouble by Taking Tanlac

"I suffered for twenty years and could find nothing that would stop my troubles until Tanlac came my way," said John Owens, a well known longshoreman, living at 1328 East Tenth St., Portland, Or., a few days ago.

"About twenty years ago my troubles began," he continued, "when I started suffering from catarrh of the nose, head and throat and as time passed on my condition got worse. My suffering at times was something awful and I took cold easy and this made my nose, head and throat much worse, and when I had a headache my eyes would hurt me terribly. About four years ago my stomach, liver and kidneys were effected by the catarrh and this only added to my misery, and my whole body seemed poisoned. If I ever got a little hot and sat down to rest and cool off, the joints in my arms, hips and legs would get so stiff and sore that I could hardly move and at times my muscles would draw up like I had rheumatism. I had pains in my right side and in the small of my back, and at night I would have to get up four or five times. I was badly constipated and nearly always had to be taking a laxative.

"I searched for twenty years for a medicine that would help me and I would have still been suffering if I hadn't read about Tanlac in the paper and commenced taking it. I hadn't finished the first bottle before I saw that at last I had found the right thing for me because I began to pick up right away, my appetite got better, my stomach quit troubling me and I was feeling stronger than I had in years. I haven't stopped taking Tanlac yet because I want to be sure that all my old twenty years of misery is entirely gone before I quit taking it, but already I am so greatly relieved that I feel almost like another man. My appetite is fine and what I eat digests and don't trouble me at all, and the pains in my back have almost entirely stopped and my kidneys don't bother me at night like they used to. The catarrh, that started all my troubles has just about gone, and I am not constipated a bit and feel built up in every way. I am already so much improved that I just want to tell everybody that I believe Tanlac is the finest medicine in the world."

### WILLAMETTE MEETS MULTNOMAH CLUB PORTLAND TOMORROW

Tomorrow at 2:15 the Willamette Bears will line up against the Multnomah A. A. C. team of Portland in what promises to be the hardest game of the season for the college team. Multnomah has a slightly better chance of winning according to comparative scores, but if Coach Mathews' men get into their stride on offense the clubmen will have a hard time stopping them. Two practice periods this week have been devoted to scrimmage, the varsity using mostly forward passes, and if the weather permits this form of attack may play an important part Saturday.

Vinson, Tobie and Brown, who were injured in the game against Pacific, will all be able to play, so that the lineup will be practically the same as in last week's game.

Local football fans are expected to turn out in great numbers for this game, as it affords the best opportunity to witness high class football in Salem this season. Multnomah defeated the O. A. C. substitute team last Saturday 12 to 0, and has held other college teams to close scores. They will present the strongest lineup seen in Salem this year. One man whose work will be watched with especial interest is "Pruney" Francis, who was seen in the alumni game a month ago, and who is well known in Salem.

Followers of the game at the university will watch the outcome of this game with more than usual interest, for if Multnomah fails to win tomorrow, it is unlikely that the Methodist eleven will be defeated this season.

This will have a bearing on the question of Willamette's entrance into the conference next year. A rally was held today noon at the university, with Yell King Plegel in charge.

Between halves of the game an interclass cross country run will be held. A score of men have been training for this event for several weeks. The distance to be run is two miles. The winners may be entered against some other college later in the season.

The Banks Commercial club is now advocating a subscription campaign for the 1920 hog and dairy show of Banks.

### Milk Toast Diet Too Much For Her

"I doctored for years with only temporary relief. My liver was very bad, after eating I would always have such a fullness in my stomach and my heart would palpitate. I could not eat milk toast without distressing me. Since taking a course of Mayr's Wonderful Remedy, more than a year ago, I can eat anything my appetite desires." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. (Adv)
