

The Path Through the Wood.

When I was a child I drove the cows to pasture every day. An I'd go and fetch 'em home at night, and think it over...

ON THE CONGO WITH STANLEY.

In the evenings when we put in shore for the night to cut wood, my chief, Stanley, would often narrate some of the stirring events which occurred during his memorable expedition to relieve Dr. Livingstone...

Stanley, dressed in his campaigning costume of brown jacket and knickerbockers, with his broad-brimmed peak cap pushed off his forehead, seated on a log, smoking his briar pipe by the campfire...

Some English Names.

Many who have struggled helplessly with the pronunciation of English names will be glad of this list, which deals phonetically with a few of the most difficult cases.

Japan a Civilized Country.

An English court has just decided that a wife married in Japan after the fashion of that country is a legal wife in England...

tops, announced to us that we were approaching a native settlement. This was Lukolela, and in the neighborhood of our landing-place the new station was to be built.

How a Chromo is Made.

We see tens of thousands of chromos, which are given away by every enterprising business man, says the Nashville Times, yet I venture the assertion that very few know how they are produced.

The tracing thus transformed forms what is known as the keystone. Suppose there are twenty colors in the chromo. This number of impressions is taken from the keystone and each carefully dusted with red chalk.

When the first color is printed very small holes are punctured in each sheet at the intersection of these lines. Very fine holes are also drilled in corresponding positions on each of the subsequent stones...

MISSING LINKS.

Henry George is now lecturing in New South Wales. King Menckel of Australia has just married his forty-first wife. No cards. John D. Rockefeller, who now has an income of \$750,000 a year, began life as a retail grocer.

Farm Notes.

Three hundred men deserted from the men-of-war Chicago and Atlanta at New York on account of ill-treatment. About fifty men were recaptured. While J. O. Rosworth was making a flash light in the Denver Fire Brick and Chemical Supply House an explosion occurred which killed him and wrecked the building.

MISSING LINKS.

Republic is a peculiar creature. He is small and insignificant physically, and his countenance habitually bears a furtive, seared expression which has led to his being dubbed "the White Mouse."

Farm Notes.

The Marysville Appeal, quoting from the American Rural Home a wish that farmers would grow less wheat for export because it is a plant that rapidly exhausts the soil, indorses that statement and says: "Wheat growing without manuring or a rotation of crops is a very bad system of farming, murderous to fertility."

MISSING LINKS.

William J. O. Rosworth was making a flash light in the Denver Fire Brick and Chemical Supply House an explosion occurred which killed him and wrecked the building. Mrs. Frances Russell, when accused in a Chicago court the other day of starving her babe to death, astonished her husband by confessing that the child was not theirs but that she had adopted it and fooled her husband with it.
