LOCAL AND GENERAL.

- Call and see us in our new quarters, upstairs, in J. W. Shute's splendid brick building. Greatly hurried this week in order to get settled and not miss an issue. Presses and engine are in position and doing splendid work. Having a five years' lease of these commodious quarters now occupied by us, we feel that we are here to stay, and intend keeping pace with the progress of the times. A happy new year to you all.

-Since Washington county has a state senator jointy with Tillamook and Columbia counties, the followling summary of property valuation in Columbia county will be of interest to our readers: Acres of land, 152,952, valued at \$455,-774: value of town lots, \$35,744; improvements, \$30.055; merchandise and implements, \$219,138; money, notes, accounts, etc., \$99,590; household furniture, carriages, watches, etc., \$26,605; number of horses and mules, 987, valued at \$38,603; number of cattle, 5,183, valued at \$101,877; number of sheep, 1,276, valued at \$2,880; gross value of property, \$7.006.018; total taxable property; \$698,819, indebtednes, \$206,552; exemption, \$101,018; number of polls, 384.

-The last spike celebration cost Portland \$2,800. There was a surplus left over from the amount collected of \$650. which was donated to the endowment fund of the Childrens' Home.

-A letter has been received in Portland from J. H. McNamee, of the interior department, in which that gentleman says that stenographic notes taken by J. C. S. Richardson while acting as secretary for the commission sent out here from Washington City to examine into the condition of land grant roads, have been deciphered and will shortly be extended and used, and that it will not be necessary to take any of the testimony again.

-People who have been handing their letters to route mail agents will do well to remember that new regulations are in force.
