

Tobaccoism.

M. Thorens has published some observations on "angina pectoris" caused by tobaccoism. His attention was called to the subject by the case of a patient who had most of the symptoms of "angina pectoris," but in whom no cause for the affection could be found except excessive smoking.

Save your money boys for the Circus is coming sure. It is Sherman's Wonderful Educated Horses and Select Family Circus. Look well at the bills and see that they say "Sherman's Circus."

This is the oldest of all the temperance "orders" in the country and is deemed by many who have joined them all the very best. Ladies are now admitted to full membership and a valuable insurance feature has been added which is known as the cheapest insurance in the world.

They were speaking about cranial deformities down at the corner grocery last evening. "I hold," said a fly young man, "that a man with a big head is just as apt to be a durned fool as a man with a small head."
