TELEGRAPHIC.

EASTERN. St. Joseph, March 13 .- The Western (and at the United States legation it is believed that some such remain) it would be well for them to remember this absolute legation it is secured restoration and full possession of its lines on the St. Joseph and Western

be well for them to remember this absolute law when they accept the marriage proposals of british subjects. I know of a case in which one of them was married to a wealthy British merchant, and, going to England, lived very luxuriously; but as the wife of a British subject in trade she could not go to court; while her unmarried sister, being what Pepys would have called a she-citizen of the United States, was solemnly and triumphantly presented. This distinction is carried to absurd extremes by some into possente and man possented. Western railroad Western railroad. These lines were included in the common seizure made by Gould upon the controls, and which have since been operated by the railroad company in connection with the American Union Co. This restoration was peaceably effected under order of the courts of the invasion continues.

Fite at Branchville, S. C.

Banchville, March 17.—This town was set on fire at two place simultaneously at 4 o'clock this moraing. Among many other valuable buildings destroyed, was the post office. Most of the government proposals of the fit is deemed necessary can readily be called into service to keep off invaders and preserve peace. It is understood that a proclamation will be issued if the invasion continues.

Fit at Branchville, S. C.

Branchville, March 17.—This town was set on fire at two place simultaneously at 4 o'clock this moraing. Among many other valuable buildings destroyed, was the post office. Most of the government proposals of the common seizure made by Gould upon the common s triumphantly presented. This distinction is carried to absurd extremes by some persons, generally women, who, although within the court circle, are of snebbish natures, and generally of new-born centility. It has been solven to be made the following the main battery of the old company. It is a matter of rejoicing to the business men of Kansas that full telegraphic facilities are again offered.

\*\*This town was set on fire at two place simultaneously at 4 o'clock this morning. Among many other valuable buildings destroyed, was the post office. Most of the government property was saved.

\*\*Tribe at 17.—This town was set on fire at two place simultaneously at 4 o'clock this morning. Among many other valuable buildings destroyed, was the post office. Most of the government property was saved.

natures, and generally of new-born gentility. It has been told recently of an English lady, whose married name is of the most "base and mechanical" creek, 150 miles north of here, frozen to origin, that, having had one interview with a governess whom she thought of engaging, and having been much pleased cary has indicated from zero to 18° below for three days past.

Lyncusums, March 18.—State Attorney Gen. Field has withdrawn from the cases as counsel for the indicted judges, who failed to have negroes on juries, because he did not wish to antagonize the state to Disastrons Fire.

The tobacco factories of Wood & Company, Flood & Smith and Hancock & Gorman, were burned to-day.

Loss from \$60,-000 to \$70,000; insurance, about one-half.

Bank Losses.

Grand Rapids, Michigan March 18.—
Late developements show the following banks to be interested in the failure of grain speculators yesterday: City National, \$50,000; Farmers' and Mechanics', \$45,000; First National, \$20,000. All of the Grand Daniel hands and miners in the coal mines of the road in that vicinity, quit work to day. Gen-First National, \$20,000. All of the Grand Rapids banks are secured except the last named. Detroit American National lost, \$50,000; Coldwater National, \$35,000; Hastings National, \$20,000. Kalamazoo banks \$20,000, partiy secured. Pontiac banks \$15.000. Chicago banks \$30,000, not secured, and \$20,000 in the New York City banks secured. The clique still has open grain deals to the amount of seven hundred thousand bushels, on which there is scarcely a probability of realizing.

Reprieve.

Washington, March 18.—The president to-day granted a reprieve of one week to J. M. M. Stone, sentenced to be hanged March 26th, for the murder of his wife. Bills to be Reported.

The house postal committee has directed the chairman to report a post route | night, resulted in nothing but an expres-bill for new routes in different sections of | sion of a determination by the strikers to the country. Shelley offered a resolution which will be considered next week, that it is expedient to establish ocean mail steamship routes to be served by American built vessels at proper compensation.

The house committee of revision of law has instructed Townsend to report the

ceipts were over \$800,000 greater than for the same time last year. The entire re-ceipts were \$13,5000,000, while the expen-ditures were only \$4,250,000, leaving a net surplus of over nine and a quarter mil-lions, for the first half of the month. This July 1879. The cause of debt is not stated | is a most extraordinary showing, and if is a most extraordinary showing, and if the receipts keep up during the month, the secretary will be able to purchase at least ten. millions of 6 per cent bonds for reduction of the public debt during this month, after retaining a sufficient amount of these surplus revenues to meet the de-mands of the pending deficiency bill and to pay the \$6,000,000 interest due on the 6 per cent, bonds on the 1st of April.

6 per cent, bonds on the 1st of April. Slater Pushing the Vaquina Bay Project report of Captain Woods' examination and survey made last December, by digineers, as part of the investigation in progress to determine where the Pacifstructed. Slater's purpose is to use these data in support of his effort to obtain a large appropriation for the general im-provement of Yaquina Bay, for which several monster petitions have been re-

ceived recently. New York, March 19.-The decline Pacific railroad stock was due to Wash. ington dispatches saying that the senate sub-committee on judiciary have agreed unanimously to report favorably on the bill taking away the lands of such roads as have failed to complete their roads within the time specified

NEW ORLEANS, March 19 .-- Negro laborers are on a strike in St. Charles parish. The governor, on application of the whites, ordered the Louisiana field artillery to the parish. The whites report that the negroes threaten to burn sugar existing Masonic emblems, but furnish houses if their demands are not complied the key which has heretofore been lack-

WHITE RIVER JUNCTION, Vermont, March 19.-Shortly after the death of A. T. Stewart, of New York, Alexander Stewart, of Cavendish, Vermont, went to New York to contest his will. He returned throw a vivid light upon the ancient promise that he should have one hundred thousand dollars in money, a farm and other property. He now claims that the terms of the contract have not been complied with and has attached all of A. T. Stewart's property in Woodstock villags, consisting of mills, boarding houses, tenements and residences.

Execution at Rochester.

ROCHESTER, March 19.—Parson, the Avor murderer, broke down this morn-ing, crying and protesting his innocence of the crime of murdering Mr. Withey. He was executed at 12:40, he claiming his cence on the scaffold.

A Plea for Wells, Fargo & Co. Washington, March 19.-All Pacific oast senators, representatives and delegates in congress, have to-day united on a letter to Postmaster General Key, in which they say: "Learning that the commission to which you referred the quest-ion of letter carrying to Wells, Fargo & Company's express have reported adversely to the continuance of such service, we beg leave respectfully and ear-nestly to protest against any action by your department prohibitive of such car-rying of letters in government stamped envelopes, as being against public interest and a serious blow to the business fa-

saries of life, were deprived of political rights, and that for this reason alone they The Ute Investigation.

massacre, or subsequent ill treatment of the cap ive women of the agency by Indians. He did not deny that they night have been treated as alleged, but asserted that he knew nothing of it.

At 11 P. M., the fire in the City of Sydney is still burning, with no immediate that he knew nothing of it. Mrs. Oursy was still more non-committal, and the committee were unable to exact any information upon subjects under inquiry.
Jack was then tried, but with no better success. At first he positively asserted that he did not understand and could not speak English. Several questions were put to him in English, but he preserved a

The committee were about to abandon the examination, when Jack suddenly surprised them by stating in very good English that he was not present at the fight and knew nothing of the circumstances attending it; that he met the soldiers three days before the fight and tried to persuade them to turn back, and that, failing in this and fearing trouble, he had gone away; that he had no hand in the Thornburg fight or the Meeker massacre.

Was to have gone into the dry dock in the morning. It is quite probable that she will be despatched in place of the City of Sydney.

A Fail Bar Room Row.

San Fancisco, March 17.—This afternoon James Morrissey entered a saloon at 217 Third street, in which George Squires and two women were sitting governments.

The Jesuits to Leave Prance.

Paris, March 18.—La Telegraphe says: The principal Jesuits are so persuaded that Premier DeFreycinet is in earnest that they no longer hope to remain in France, and are preparing to emigrate to Spain and Beigion.

Squires and two women were sitting that they no longer hope to remain in France, and are preparing to emigrate to Spain and Beigion.
