Sol and Tom Sawyer were talking together last evening and as I unwillingly everheard their conversation, and as it was interesting, I will repeat it.

Tom remarked that Charley S. will let his mustache grow again. Sol says its about time for he has a very sad cxpression without it.

Sol says that the academy gymnasium render the school more attractive than ever. Tom says that as a commercial teacher R. A. Booth "takes the cake;" in which opinion Sol concurs.

Tom and Jimmy agree that there is is likely to be a fall in the price of baking powder next year.

Sol says that Paul Schlosser's hardware and tin store is a big improvement to our village, and everybody agrees with him. Tom remarks that campmeeting under the management of Rev. T. L. Jones promises to be agrand success, and all say amen.

Sol says that the very best route to Coos Bay is by way of Moore & Co.'s stages, because they have the best vehicles, horses and roads. The traveling public concurs.

Sol says that Miss Louretta Boots will he well enough to take charge of her school again next week, at which all of her pupils rejoice, because she is a good teacher, and the children are fond of her. Huck Finn spent Sunday in our town, and his many friends rejoiced thereat.

Your correspondent failed to put in an appearance last week, and therefore, although a little late, must not omit to say something of the calamity that befell our town two weeks ago, in the death of Father A. B. Jackson. Father Jackson has lived in our village for several years, and was conspicuous for his cheerful unobtrusive piety. He was a friend to everybody, and everybody's friend. His funeral was attended by a large number of people, all of whom were sincere mourners. His widow has the sympathies and prayers WAD of all, and the consolation that the memory of his upright life will long WAN IN LUNUTE, continue to exert a wholesome influence upon the people of Drain.

Colfax Harry from Dora, Coos, Co., entered the Academy as a student this week. The Commercial College is steadily filling up with young men Removal! seeking a thorough business education.

The music department under Miss Gail Benson, is preparing for a public musical rehearsal to be given in a few weeks. A treat is anticipated. CASARALTAN.

KING'S EVIL .

Was the name formerly given to Scrofula because of a superstition that it could be cured by a king's touch. The world is wiser now, and knows that

SCROFULA

can only be cured by a thorough purifica-tion of the blood. If this is neglected, the disease perpetuates its taint through generation after generation. Among its earlier symptomatic developments are Eczema, Cutaneous Eruptions, Tumors, Boils, Carbuncles, Erysipelas, Purulent Ulcers, Nervous and Physical Collapse, etc. If allowed to continue, Rheumatism, Scrofulous Catarrh, Kidney and Liver Diseases, Tubercular Consumption, and various other dangerous or fatal maladics, are produced by it.

Ayer's Sarsaparilla

Is the only powerful and always reliable blood-purifying medicine. It is so effectual an alterative that it eradicates from the system Hereditary Scrofula, and the kindred poisons of contagious diseases and mercury. At the same time it enriches and vitalizes the blood, restoring backlets a street to the street and vitalizes the blood, restoring healthful action to the vital organs and rejuvenating the entire system. This great

Regenerative Medicine Is composed of the genuine Hondurus Sarsaparilla, with Yellow Dock, Stillingia, the Iodides of Potassium and Iron, and other ingredients of great potency, carefully and scientifically compounded. Its formula is generally known to the medical profession, and the best to the medical profession, and the best physicians constantly prescribe AYER'S SARSAPARILLA as an

Absolute Cure For all diseases caused by the vitiation of

the blood. It is concentrated to the highest practicable degree, far beyond any other preparation for which like effects are claimed, and is therefore the cheapest, as well as the best blood purifying medicine, in the world.
