Intelligence of Constituents "Flub" to be Avoided—Simplifies. Let us consider that our constituents are as intelligent as we are, and then we shall run no risk of making ourselves the laughing stock of anybody.

PHYSICIANS HAVE FOUND OUT

That a contaminating and foreign element in the blood, developed by indigestion, is the cause of rheumatism. This settles upon the sensitive subcutaneous covering of the muscles and ligaments of the joints, causing constant and shifting pain, and aggregating as a calcareous chalky deposit which produces stiffness and distortion of the joints.
