One of the most terrible things in the world is to be awakened in the night by a whoop from one your children. The croup remedies are almost as sure to be lost in case of croup, as a revolver is sure to be lost in case of burglars. There used to be an old fashioned remedy for croup known as hive syrup and tolu, some modern mothers say that Cham-berlain's Cough remedy is better and does not cost so much. It causes the patient to throw up the phlegm quick er and gives relief in shorter time. Give this remedy as soon as the croupy cough appears and it will pre-vent the attack. It never fails and is pleasant and safe to take. For sale by the Wilson Drug company. The shooting match was well at-tended Wednesday.
