#### THE WEEKLY HEPPNER GAZETTE: FEBRUARY 11, 1892.

#### THE GAZETTE.

BLAINE makes it public that he is not a candidate for president.

AN RARTHQUAKE shock at Portland relieved the monotony of the Columbia river fogs and the never-ceasing rains, last week.

tralian ballot system.

legislature.

tions between the United States and Chili

on the third million.

The East Oregonian hits the mark sue. Some of our representatives want and circular. one thing and some another, so nothing will be done. Let the state put in a portage at the dalles of the Columbia. We can well afford it. See that your next representative is for an open river.

SEMI-WEEKLY GAZETTE.

During the past eighteen months the circulation of the Gazette has increased. fifty per cent, which is some reward for endeavoring to put out a strictly first- postmaster. class paper. However, the management have kept pace with the demands made for news, and at a great expense, have friends in Heppner. presented the readers, weekly, with eight pages of live reading matter.

With a proper appreciation of what has been done for the Gazette in the past, the present management are considering the propriety of changing the edition to a semi-weekly. Of course this taining alum and ammonia to be so lawill depend largely on the encourage- beled. This is a step in the right direcment which the matter will meet at the tion, and has been long foreshadowed by hauds of our patrons, both in and out of the action of state legislatures, boards of Heppner.

port such a paper as even our weekly, tion to the public, for the evidence as to and we will say frankly that it has tak. the injurious effects of alum and ammoen any amount of rustling to keep it up nia is very heavy; but it will nevertheto the present standard. It has been less be fought bitterly by the manufacnecessary to add improvements to the turers whom it effects who are accustomplant from time to time, and of course to sell their goods as "pure cream of tarthe proprietors had to live. There has tar," "absolutely pure," etc.

that vicinity.

be proud of him.

called on us today.

Dr. Price gives larger and fuller cans than those of any other Baking Powder manufacturer. Above cut represents the comparative size of one pound can each furnished. For further particulars in-"Dr. Price's," Royal" and "Taylor's One Spoon." These cans were

set side by side, then photographed down in exact proportions to \$3,000,000 have been sold in New York cases may require. The poor free daily admit the plate in this space. Ask your grocer to set a one pound can of any other brand alongside 1 lb. Dr. Price's Cream Baking Powder, and observe the difference, as illustrated above.

> Adulterated powders may usually be detected by their heavier bulk, as shown by the small cans, and these scantily filled, often guaranteed and never published. The containing a circular to help fill out the cans. It is a singular fact that many of the ammonia and alum baking powders are advertised liberally rewarded by leaving the same as "Absolutely Pure," All official examinations prove that it would at the Gazette office or at my place. be safe to reject all powders labeled absolutely pure.

> > The economy in using Dr. Price's Cream Baking Powder does not consist alone in the fact that much larger and fuller cans are given, but Dr. Price's is a stronger, purer and more wholesome baking powder than any other known. Does better work, and goes farther, hence more economical in every way.

> > What woman would use an ammonia or alum baking powder if she knew it? Such powders not only undermine the health, but ammonia gives to the complexion a sallow and blotched appearance.

> > Dr. Price's Cream Baking Powder is reported by all authorities as free from ammonia, alum, lime, or any other adulterant. The purity of this ideal powder has never been questioned.

> > GOOSEBERRY FIXINGS Evening at the Baptist church by the Rev Mr. Potwine. All are cordially in-vited to attend and join in the worship. Services begin promptly at 7.30 o'clock. ## A QUERY ANSWERED.

"Oh, where! Oh, where can I get a shoe, That fits like a glove and won't wear through, That feels so easy and looks so neat That others will envy the style of my feet?"

MAIN STREET.

М.

HE LIVES AGAIN.

help included of course, and every dol. name of which he does not want to have lar of this money has gone back into the printed on his label, it is prima facie evavenues of Heppner's trade. So that idence that there is something wrong. but few advertising patrone have reason We hope the subject will be vigorously to complain from this quarter. It has prosecuted all over the country, not only been the policy of the Gazette to help as regards baking powder, but also all those who are willing "to live and let other food adulterations.

This bill may incidentally benefit the live," and it shall continue in that line. There are but few in Heppner who fail This bill may incidentally benefit the Young, Earnest Farrens, Walter Farrens, There are but few in Heppner who fail to appreciate a good newspaper, because should, this is only an additional point it is such a potent factor in its upbuild- in its favor.

ing. But there are many business men

to nate share of the benefits. Months and months elapse without the cobwebs of decay being jarred loose by judicions advertising. Their names never appear of the first of the polymer that she may regain her in the list of pushing business men. health Some say, "advertising don't pay." Well. Frank Adkins came in Tuesday from what would this world be if all business men followed up that line? There would he but very faw newspapers and

would be but very few newspapers and reported very little of anything else. But there are few men that don't believe in adver-Portiand and the valley last Thursday evening, his daughter, Ellor, accom-panying him from below, where she had

tising, though some talk that way. It is noticeable that their fronts have signs; their special lines bear their names; and the country fences around abound with

"Go to Jones for this or that." Yes, we all belive in advertising, but the news-Jones' addition. Andrew Rood will also paper which is scanned by thousands where a sign is read a half dozen times, don't meet with any particular encouragement.

The fact of the matter is that the Gazette right now is far ahead of Heppner as a newspoper, and it is a pleasure to keep it in the lead so long as it is not a dead expense to its owners. Now to add this semi-weekly feature, there must be of meetings. Rev. Motor is an earnest some solid business in sight. It is impossible to accomplish anything unless a greater number of our husiness men went to Portland on Tuesday to attend a show a dispesition to help and be helped, meeting of the rep'n state central com, which we think will prove the case when which convened February 34. W. B. is the benefits of a semi-weekly edition in our midst is considered.

We will call on you at an early date to have a personal conference over the CAVALEY HORSES WANTED,-Those matter.
