NAVAL CHANGES.

Led by Warden Brown the witnesses walked to the execution chamber. were all medical men; reporters from eading press associations and news-Mr. Robertson is a brother-in-law of John Mayo Palmer, formerly of this city, being Mrs. Palmer's brother. He is a vere also present. Stools were ORDERS ranged about the room, in an aisle of which stood the new execution chair. It involved the construction of a new carlinville, III., where he has lived for many years. Mr. LeRoy Palmer, of this leature, a provision for the application of the current through both hands. The city, who is a near relative of Senator Palmer and John Mayo Palmer, said this morning that Mr. Robertson is a new chair is fashioned in its general outthis morning that Mr. Robertson is a brainy man, as well as a wealthy one. It involves changes at the arms, how-ever. They are high at the back and fit slogoly under the armpits, the subject slanting downward to the front. The instinctive feature was the provision of deep glass cells securely factened that the hands may be immersed in the water which fills the jars. The water is a solution of chloride of sodium. One cell received the current from beneath. lines after the chairs previously in use. It involves changes at the arms, howcell received the current from beneath, the other from above. The usual coil of conducting wire for the electrode for the head dangled from above. Stout broad straps were placed for fastening the wrists in the cells and other bands held the elbows tightly. When everything was in readiness, at 11:05, Warden Brown, addressing his visitors, warned. them that no gratuitous advice or sug-gestions would be tolerated from any A General Chauging of Places Accord-

gestions would be total and save those in charge. "Bring McIlvain," said Warden Brown, turning to Keeper Connaughten, and the deputy who stood near the door opened it into the cell corridor, to leave today for San Francisco to re-to leave today for San Francisco today for San Francisc the corridor, the door was pushed open and the officers and prisoner appeared between them. The condemned man, Mcllyain, was pallid, and his hands,

Capt. Geo. H. Remy at present in command of the unreased of the command of the Charleston is detached the almost shouted "Oh, God, I am sorry that I have off-anded thee, oh, Christ have off-anded thee had been lowered into the chair, his head pressed back against the leaden neck rest, the fore-head and the clamp on the rubber tube loosened so the water flowed down in the olectrode sponge and while this was being done an officer on each side had strapped the wrists and elbows while the may department the stated at the navy department the morning that these orders had no bear trousers had already been ripped. "Jease spare, merciful God, help me," muttered the prisoner, as when we wesks, ago, and it was at their broad leather mask was bound across his face, concealing all the features save the mose and mouth. The time was 11:12.4 m. Oh, Jesus, help me," he murmured, mand of the Charleston is detached

# A New Arrangement of the Electric Senator Paimer, s Son in-LawAsks to be Spanish and Portuguese Speaking South Examined as to His Sanity, and he is Declared to be Insane John Mayo Palmar Telegraphed For.

Losnos, Feb. 8- The Santiago corres-GRAND RAPIDS, Mich., Feb. 8-W. A. Robertson, son-in-law of Senator Pal-mer, of Springfield, Ill., atteaded a pondent of the London Times has sent

of medicine and asked the assembled physicians to examine him for insanity. arriving here confirm the deep impression caused in all Spanish and Portu-guese speaking republics by the action of the United States government against Chili. They regard it as an outrage and declare that the illusions they have hitherto held respecting the great northasked a policeman to accompany him and when the decision was given he gave himself up to the officer to be held for and keeping. He is now under sur-veilance at his own request until the arrival of John Mago Palmer, son of the senator who has been surmound by ern republic have vanished. The legitimate influence of the United States has been destroyed and in future the South American republics must look for pro-tection and mutuality of interests, both commercial and political, only among senator, who has been summoned by telegraph. Robertson was once a wealthy lawyer in Springfield and lost his money in speculating at Bristol, Tenn. "Mr. Blaine scema to have foreseer

and decided this impending destruction of his pan-American policy by the un-warranted ultimatum sent to Chili, Consequently he is throwing the entire responsibility on President Harrison Private advices, which will be made public now, place beyond a doubt this immense change which marks the ocurence of an epoch in the history of the Americas."

Two Go Ashors on the Atlantic Coast But No Lives Lost-

BALTINORE, Feb. 6-The Allen line BALTMORE, Feb. 6-The Allen inc. steamship Polynesia, Captain Dougal, from Liverpool, via Halifax, for this city, with a small number of passengers city, with a small number of the state o and general cargo, is ashore at Cape Henry, Va. A telegram received at noon to-day from the Norfolk agents of wrecking organization had sent the large cian when he saw him last. That was years ago, when General Palmer was governor of Illinois. Mr. Palmer was he had spent much of his time of late years in research and study.

with good prospects of being pulled off at the next high tide. Passengers and crew were all well and safe. No fears are entertained for their safety, as the are entertained for their satety, as the life-saving crew have several lines to the vessel and will take passengers off if the ship's position proves dangerous. The telegram does not state how or when the steamer went ashore, but it is be-lieved the accident occurred during the fog last night fog last night.

LONDON, Feb. 8-The body of Rev. Mr. Spurgoon arrived at New Haven from Mentone this morning. Notwith-standing the earliness of the hour there was a large assemblage on the quay awaiting the arrival of the steamer which was brought today from France. The coffin, which was taken ashore soon after the steamer arrived, was enclosed in a wooden case. Before it was taken to the train that was to carry it to Lon-

don this case was taken off and broken into small pieces, which the eagerly seized upon and carries

orders from department. Newark, protected cruiser, cost, panied by an immense crowd.

THE KING OF DAHOMEY.

Securing Slaves For the Germans and Belgians

PARIS, Feb. 8-Temps has advices from Dahomey confirming the report that the king has been making slave raids in order to supply the Belgians on the Congo and the Germans in the Camaroons. It is said a German named Richleu settled at Whydah and engaged the king to supply four thousand ne-groes at twelve pounds each.

## A Prodigal Wife Wedded Again to Her Former Husband.

Sr. Louis, Feb. 8-Mrs. Harlan received \$2200 alimony from her husband recently, and with that money set up a boarding house. Among her boarders was an itinerant photographer, J. B. Plough, who in a few weeks left with Mrs. Harlan and went to Minneapolis. There he berrowad \$200 c her to attab. There he borrowed \$700 of her to estab-lish a gallery. He expended part of the money for that purpose and appropri-ated the balance to his own use. She returned here a few days ago penniless and found employment as a domestic at the Ætna house. Yesterday her hus-band called on her, a reconciliation was affected and they were married a second
