NEW YORK THE DANGER SPOT.

The Minneapolis convention over, publie interest turns toward Chicago. There, law Reid is the first newspaper man ever as at Minneapolis, we shall see a hot nominated for an office as great as that fight over a contested delegation. In of vice president. this contest republicans have an interest second only to that in their own convention. If Hill should be the nominee, the republicans would have to fight against tremendous odds in New York. The trickster who counted out the republicans in the last election, and who sprung the "snap" convention upon his own party, is not a man to scruple at desperate methods when they offer the tempting prize of the presidency. If cumping brain could contrive a method for the counting out of the republican electors, ing: "When I picked up the pen I find the state of New York would certainly be stolen from the republicans, no matter by I wrote the first word until I signed my what plurality it might be carried by Mr.

Harrison. The republicans, therefore, have reason to fear the nomination of Hill. With Cleveland as the nominee it is not likely that Hill would resort to such audicion and desperate measures as he would i his own ambition were at stake.

Herein lies Mr. Harrison's greatest peril. The election machinery of the pivotal state is under the partial control of Hill. The man is bold to madness, ambitious to criminality, and with the tempting prize of the presidency before him be would halt at nothing that could be employed to prevent an honest ballot and a fair count.-Spokane Review.

EDITORIAL.

THAT LITTLE "IF."

Now comes the Portland Telegram with the assurance that Oregon is still in the doubtful list, and shows as evidence of republicans. So it would. So would the combined vote of the people's party

the road. The democratic party is no more in accord with the doctrines of the people's party than the republican forces, so what is the use of indulging in the pastime of building air eastles out of imbossibilities. The people's party is at present opposed to fusion, but as soon as it throws to the swine this feature of the party, will it soon lose its individuality and fall back into the ranks of the old parties, as did the greenback party of some years ago? Fusion means death Democratic newspapers are just now to the weaker of the two political parties,

It is said that the people's party sup-To our notion this is a poor way democratic strongholds? Will the peocy? Many people's party men and independent thinking republicans, voted for Geo. E. Chamberlain, not because he was a democrat, but for the more noble purpose of placing in the office of attorney general, an able and honest man. Partizan ends were lost sight of

in the choice of the man. It makes one wrathy to read this rub ble about what may be expected in the future-"if," "if," People will vote for the man, more or less, but they will not do it to please or displease a lot of partizaus. From a democratic standpoint, such organs as the Portland Telegram do their cause more barm than good, because they haven't political sagacity enough to hide the real ends to be ne.

complished. The people will vote for "the man," but not to please one party or the other.

RECIPROCITY WINS.

The imports for the first three quarters of the fiscal year ending May 1st were: Free of duty.

280,001,755 .5010,849,900 The exports for the same period were:

Total exports: This gives a balance in our favor of \$210,000,000 in nise months. If the exports continue at this rate until August 1st the total will reach \$1,100,000,000, or an excess of two hundred millions over
