THE "WATER CURE,"

Gen. Funston Describes a Method of Torture in Philippines.

Hed Yever from It Applied to the Natives by American Soldiers, and Did Not Believe It Was Practiced to Any Batest.

Gen. Prederick Function, in discussing the "water cure," a form of torture charged against the soldiers in the Philippines, said that he had never seen the "water cure" applied. but he had heard it described. "The victim is bound and a canteen forced into his mouth," said the general "His head is thrown upward and there is one thing which would make a back and his none grasped by the woman shrink from marriage it is to see back and his nose grasped by the fingers of the torturer. Strangula-When the victim is about suffocated generally due to womanly diseases. tion follows as a matter of course. the application is released and he is given a chance to talk on recovery or take another dose of it. The operation is brutal beyond a doubt, but

"The charge which I have just re futed at the request of the war department was most vague. It was Mariee, Miss Anna McLane, Miss Sadie | made by 'a soldier' and to the effect that he had 'helped administer the water cure to 160 natives. That is the kind of rot a soldier is apt to write home when business is dull and he has three or four beers under his jacket to help his imaginawrites Mrs. A. M. Sussids, of Chambers- tion.
