The Week's News

Local and Personal Happenings in and About the City.

Editor A. J. Hicks went to Portland, Friday.

T. J. Matlock of Heppner is spending a few days in the city.—Pendleton Tribune, Thursday.

Mrs. Geo. Stevenson was taken to a Portland hospital last Thursday suffering with appendicitis.

Miss Emma Welch who has been visiting relatives and friends in Heppner for some time returned to her home in Portland, Monday.

Mr. and Mrs. Oscar Schafer, and Mr. and Mrs. H. A. Cupper, of Monument, who have been in Portland for several days, came up from Portland Saturday, on their way home.

Several fishing parties went out from Heppner last Sunday and enjoyed a pleasant day along Willow and Rhea creeks. Fishing is now good and most of the anglers returned with well filled baskets.

A large porcupine, attracted by the luxuriant growth of shade trees at the residence of Judge T. W. Ayers, in this city, last Friday, proceeded to help himself in stripping the bark from the trees. This was good for the porcupine, but hard on the trees, and the animal whose skin is full of quills soon got into trouble, with the result the porcupine family is short a member.

Sheriff E. M. Sautt visited Portland, this week.

Will Dutton, who is attending business college in Portland, is home for summer vacation.

Misses Gertrude Lamb and Mabel Ayers returned Saturday from an outing trip in the John Day country.

Mrs. Geo. Wells is very sick. Her sister-in-law, Mrs. J. K. McGregor, came up from Mosier, Friday, and is taking care of her.

Geo. Aiken received the sad news Thursday evening of the death of his father in Portland. Mr. Aiken left Friday morning to attend the funeral.

Go to Parker's Mill for Lumber. Rustic, Flooring, Ceiling, Shiplap, Rough Lumber, etc., delivered in Heppner at Heppner prices. Rough Lumber sized if ordered. Address mail orders to Parker's Mill, Hardman, Oregon. 89-96

The wooden building next door to the Palace hotel, formerly used as a shooting gallery, has been rented by Jake Wells, and is now being overhauled. One room in the building will be finished for a fine barber shop which will be occupied by V. Gentry. Mr. Wells will use the rear end of the building for a workshop.

Hay harvest is now general in Morrow county. The crop will be largest harvested for several years. On the uplands rye and wheat hay is heavy. On bottom lands, alfalfa this season has made an unusual growth, and the first crop is being cut. In some localities, grasshoppers are reported to be quite numerous and it is feared that they will do considerable damage to the second crop of alfalfa. New hay is now being delivered to livery stables in Heppner. Wheat hay is bringing \$9 per ton delivered. From the fact that there is such a large amount of hay in the country, this is considered a good price.

There will be no preaching at the Christian church next Sunday.

Mrs. John Patterson and Miss Maude Griffith are visiting in Portland.

Rev. J. V. Crawford is at Turner attending the Christian campmeeting.

Miss Gertrude Lamb left Tuesday morning for her home at Newberg where she will spend summer vacation.

Ione is making preparations for a grand Fourth of July celebration. Attorney Sam E. Van Vactor, of Heppner, has been engaged to deliver the oration.

C. S. Emry, who has been a resident of Hardman for a number of years will start with his family overland by train and wagon for Southern Oregon where they will make their future home. Mr. Emry thinks of locating at Medford.

Miss Ella Ayers was the recipient of a very pleasant surprise party Monday evening given in honor of her 16th birthday. Those present were: Misses Ella Ayers, Mabel Ayers, Hazel Carr, Lena Long, Gertrude Lamb and Lorena Meadows; Messrs. Edgar Ayers, Gussie Ayers, Otheo Crawford, Clinton Gilliam, Cleve Walton and Roy Whites.

Mrs. Mary K. Britton came to Heppner last week to attend memorial exercises for the dead who perished in the flood of last June. Mrs. Britton will always have a warm place in the hearts of the citizens of Heppner. She was one of the first to arrive after our great disaster of a year ago and spent three weeks of her time conducting one branch of the supply work and assisting our people. For her services in this work she refused to accept a cent of remuneration. Now upon our first memorial day she comes bringing us a great profusion of flowers for the graves of our lost ones. Our people are not slow to recognize and acknowledge such kindness.

J. K. McGregor is in the city.

J. W. Scriber, the La Grande banker, was in the city this week on business.

Misses Ida and Elizabeth Howard who have been visiting friends in Ontario, returned to this city Tuesday evening.

At the session of the grand lodge of A. F. & A. M., which closed in Portland, last Friday, Worshipful Henry Jones, of Heppner, was appointed grand standard-bearer.

All Saints Memorial church 4th Sunday after Trinity. Services will be held both morning and evening, 11 a. m. and 8 p. m. John Warren, missionary in charge.

The warm and favorable weather is fast ripening grain everywhere and harvest will commence early this season. In the Lexington and Ione districts, the heading of barley has already commenced. In Morrow county this season there is every indication that the wheat crop will be a record breaker. The season so far has been very favorable. There has been plenty of moisture and good growing weather. Very late sown spring grain will be cut a little short by the present dry weather, but the fall grain everywhere is much better than the average and a good yield is now assured. While grain is looking so well, another encouraging feature is from the fact there is a very large acreage. The good prices of last fall was an incentive for expansion among the farmers and fortunately the largest acreage ever known in this county was sown. A bumper crop is predicted this fall, and with the good prospects for a big price a big surplus of money will be sent into Morrow county in exchange for our great wheat crop. The GAZETTE predicts that Morrow county will take third place among the wheat growing counties of Oregon this fall.

G. M. Orton, of Portland, was registered at the Palace, Monday.

Miss Lena Rhea was a passenger Monday morning for Pendleton.

Ralph Johnson, who is attending Columbia college at Milton, is home for the summer vacation.

W. E. Prayn, who has been visiting in Portland and Valley points for the past week, returned Tuesday evening.

R. F. Hynd and Alex Lindsay will start about July 1, for Scotland, where they will visit for two or three months.

Public Auction.

The stock of confectionery, cigars, tobaccos, etc., formerly owned by Shipley & Macey, will be sold at public auction in Heppner, on Wednesday, June 29, 1904. GEO. WHITES.
