FIVE YEARS IN PRISON

purports to reflect the views prevailing Sentence of Eugene Schmitz, Mayor of San Francisco.

> **Jndge Dunne Scores Grafter Without** Mercy-Crowds Cheer When Verdict Is Announced-Prisoner Protests Against Lectore-Will Work for New Trial.

San Francisco, July 9 .- The sentencng yesterday of Mayor Eugene E. Schmitz to five years in San Quentin penitentiary for extortion was one of the most dramatic scenes ever witnessed in a Western court. The effectiveness of the fearful denunciation of the convicted mayor as delivered by Superior Judge Frank M. Dunne prior to the passing of judgment, was heightened by the demeanor of the prisoner, who time and again interrupted the court to demand that those "humiliating remarks" be dedisted from and that "the court do its duty" by pronouncing sentence at once.

Once, while the sentence impended, the judge threatened to send Mr. Metcalf, of the mayor's counsel, to jail for contempt because he descried the court's comments as "cruel and unusual punishment," and Mr. Metcalf was told by Judge Dunne that he ought to be "begging a day in court to defend himself pendencies in the Pacific ocean. In against the charge of having tampered with a witness in the case."

The defense filed a bill of exceptions after motion for a new trial and motion for the arrest of judgment had been denied and Judge Dunne granted a certicfiate of probable cause, upon which Schmitz will go to the District court of Appeals for a new trial.

As the last words of the sentence fell from the judge's lips, the great crowd that had stood throughout the dramatic scene, sent up a thunderous cheer.

"Good for you," shouted a man in the back of the room.

His ejaculation was echoed and reechoed by one after another of the spectators. Several threw their hats into the air. Others scrambled upon chairs to look over the shoulders of the crowd. The greatest confusion prevailed.
