Do You Think For Yourself? Or do you open your mouth like a young bird and gulp down whatever food or medicine may be offered you?

Do you know an intelligent thinking woman in need of relief from weakness, nervousness, pain and aching, then it means much to you that there is a safe and true honest medicine for the cure of woman's ills.

The makers of Dr. Pierce's Favorite Prescription for the cure of weak, nervous, run-down, over-worked, debilitated, pain-racked women, knowing this medicine to be made up of ingredients, every one of which has the strongest possible endorsement of the leading and standard authorities of the several schools of practice, are perfectly willing, and in fact, are only too glad to print, as they do, the formula, or list of ingredients, of which it is composed, in plain English, on every bottle wrapper.

The formula of Dr. Pierce's Favorite Prescription will bear the most critical examination of medical experts, for it contains no alcohol, narcotics, harmful, or habit-forming drugs, and no agent enters into it that is not highly recommended by the most advanced and leading medical teachers and authorities of their several schools of practice. These authorities recommend the ingredients of Dr. Pierce's Favorite Prescription for the cure of exactly the same ailments for which this world-famed medicine is advised.

No other medicine for woman's ills has any such professional endorsement as Dr. Pierce's Favorite Prescription has received, in the unqualified recommendation of each of the several ingredients by scores of leading medical men of all the schools of practice. Is such an endorsement not worthy of your consideration?

A booklet of ingredients, with numerous authoritative professional endorsements by the leading medical authorities of this country, will be mailed free to any one sending name and address with request for same. Address Mr. R. V. Pierce, Buffalo, N. Y.
