Very truly yours,  
 S. I. STANTON,  
 School Superintendent.

Miss Lillian Cochran arrived on Monday's train from Eugene, where she has been attending the State University. Miss Cochran was compelled to quit school on account of a severe sick spell, from which she has not as yet fully recovered.

Peter Baurenfiend came up from Coeils Monday evening.

I hereby announce myself as a candidate for county School Superintendent, subject to the decision of the Republican primary election. Respectfully,  
 S. E. NOTSON.

I hereby announce myself as a candidate for the office of county Judge, subject to the decision of the Republican primary election. Respectfully,  
 F. M. GRIFFIN.

**Announcements of Candidates.**

I hereby announce myself as a candidate for the nomination for county Assessor, subject to the will of the voters of the Republican party, at the primary election April 17, 1908. My platform: competent, single, equal and just assessments; no favorites.  
 J. G. CRAWFORD.

To the voters of Morrow county, Oregon:  
 I hereby announce myself a candidate for re-nomination for Assessor on the Republican ticket, subject to the will of the voters at the primaries on April 17, 1908.  
 Respectfully,  
 W. S. CONNER.

To the voters and taxpayers of Morrow county:  
 I will be a Republican candidate for nomination for the office of county Assessor at the next primaries. This is in response to the demand among you for better methods of assessing the taxable property of this county, and for compounding a good and reliable assessment roll. My experience in such work is wide, which has been well demonstrated among you by the new and up-to-date systems I installed in the offices of your clerk, sheriff, and treasurer. And if finally chosen to that position, I pledge you my utmost energy and care in listing your property, and in preparing your rolls by the most approved and up-to-date methods.  
 G. B. ALLEY.

To the members of the Republican party:  
 I hereby announce myself a candidate for nomination for the office of Assessor for Morrow county, Oregon, by the members of the Republican party at the primaries to be held April 17, 1908.  
 My 11 years residence in Morrow county, together with three years as deputy Assessor doing field work, gives me an intimate acquaintance with the taxpayers of the county, and property values, and I assure you that if nominated and elected to the office, all property will be assessed at full cash value, regardless of ownership.  
 SAMUEL E. WILLIS.

I hereby announce myself a candidate for re-nomination for the office of County Clerk of Morrow county, Oregon, by the members of the Republican party, at the Primary nominating election to be held April 17, 1908.  
 "Strict attention to business, prompt and efficient service and courteous treatment of patrons of the office," has been our motto during the present term, and if our work has met your approval, we solicit your support for re-nomination and election for another term. Our intimate acquaintance with the work of the office will enable us to give better service in the future. Thanking you for your loyal support in the past and trusting that our work has merited a continuance of such, I am,  
 Very respectfully,  
 W. O. HILL.

Replying publicly to the numerous requests coming from the best people of Morrow county, representing all the political parties, that I should again allow my name to be used for sheriff in the coming campaign, I will state:  
 That since I have three successive times been elected to this office, I am not in a position to ask for further political favors. I believe in the office seeking the man instead of the man seeking the office.  
 However, since there is no apparent change in public sentiment since the last county election, and all my policies have been splendidly upheld and endorsed by the people, if the Republican

party sees fit to accord to me another nomination for the office of Sheriff, I shall accept it.  
 Then if the tax-payers and law-abiding citizens of Morrow county desire a continuance of my administration, they will be given an opportunity of effecting this at the polls in June.  
 Both at the primaries and the general election my platform shall be: "Uncompromising and impartial enforcement of law, and incessant war against vice in all its forms."  
 A lot of hard and interesting work will be required of the Sheriff of this county during the next couple of years, and if elected I shall as usual give the duties of the office my undivided attention and energy, bringing to justice all law violators, whether they be friends or enemies of my administration.  
 E. M. SHUTT.

**The Knock-out Blow.**  
 The blow which knocked out Corbett was a revelation to the prize fighters. From the earliest days of the ring the knock-out blow was aimed for the jaw, the temple or the jugular vein. Stomach punches were thrown in to worry and weary the fighter, but if a scientific man had told one of the old fighters that the most vulnerable spot was the region of the stomach, he'd have laughed at him for an ignoramus. Dr. Pierce is bringing home to the public a parallel fact; that the stomach is the most vulnerable organ out of the prize ring as well as in it. We protect our heads, throats, feet and lungs, but the stomach we are utterly indifferent to, until disease finds the solar plexus and knocks us out. Make your stomach strong and strong by the use of Dr. Pierce's Golden Medical Discovery, and you protect yourself in your most vulnerable spot. "Golden Medical Discovery" cures "weak stomach," indigestion, or dyspepsia, torpid liver, bad, thin and impure blood and other diseases of the organs of digestion and nutrition.  
 The "Golden Medical Discovery" has a specific curative effect upon all mucous surfaces and hence cures catarrh, no matter where located or what stage it may have reached. In Nasal Catarrh it is well to cleanse the passages with Dr. Sage's Catarrh Remedy fluid while using the "Discovery" as a constitutional remedy. Why the "Golden Medical Discovery" cures catarrhal diseases, as of the stomach, bowels, bladder and other pelvic organs will be plain to you if you will read a booklet of extracts from the writings of eminent medical authorities, endorsing its ingredients and explaining their curative properties. It is mailed free on request. Address Dr. R. V. Pierce, Buffalo, N. Y. This booklet gives all the ingredients entering into Dr. Pierce's medicines from which it will be seen that they contain not a drop of alcohol, pure, triple-refined glycerine being used instead.  
 Dr. Pierce's great thousand-page illustrated Common Sense Medical Adviser will be sent free, paper-bound, for 21 one-cent stamps, or cloth-bound for 31 stamps. Address Dr. Pierce as above.
