

## BIG SHOW WILL SOON BE HERE

### Barnes' Big Show Coming To Heppner, Wed- nesday May 17

This is the only real wild animal circus on earth. There are trained animal shows and circuses that advertise trained wild animals as features of their exhibition, but the Barnes show is the only circus in the world that presents a performance lasting nearly two hours given by over 200 jungle and forest bred wild animals, trained to do the acts usually done by human beings.

There are lions, tigers, bears, leopards, etc., that perform marvelous feats of horsemanship, jumping on and off the backs of horses dashing around the ring at full speed, through hoops, over hurdles and through blazing circles of fire in a manner that would put the stars of the circus equestrian world to shame.

It would require columns to describe all the many thrilling sights in this wonderful exhibition. In addition to the performance of the wild animals, Mr. Barnes presents a complete dog and pony circus, assisted by goats, sheep, pigs, etc. There is not a dull moment during the performance, and at the termination, every auditor goes forth filled with admiration for the man whose genius and patience has brought all the many varieties of wild and ferocious beasts under his control and taught them to understand and obey his slightest wish. Every performance is given under the direction and supervision of Mr. Al G. Barnes, the world's greatest animal king.

Quite a thunder storm last Sunday evening. Telephone bells were tingled by the lightning. This is dangerous; switches should be provided so that the current may be grounded during these storms, thus eliminate danger from fire.

We read an account in the Oregonian some time ago of a strange freak in the weather at Vancouver, Wash. It stated that they had rain, snow, sunshine and a rainbow all in one day. Huh, that's nothing, we had all these this spring, wind and dust thrown in and thunder to boot. Morrow county leads the world.

Ye Scribe had the pleasure of witnessing the ball game betwixt Condon and Ione, last Saturday. Condon put it all over Ione, 8 to 7. A dance was given in the evening, in honor of the visiting team, music was furnished by Messrs. A. & A. W. Lundell. Aside from a few disturbances by the unruly set, the evening was much enjoyed by all.

A game was played Sunday by the same teams, which resulted in Condon being badly defeated, the score being 10 to 5 in favor of the home team. Huzza for Ione!
